WORK ON OUR WARSHIPS

Almost at a Stand-Still on Account of the Strikes

Washington, July 11 .- The naval bureau of construction made public today its monthly report showing the progress of completion of the vessels building at shipyards throughout the country. Generally speaking, the report shows a marked let down in the work on naval

vessels, as a result of the shipyard strikes. For instance, the battleship Sex100 feet, with twenty-eight Ohio, the protected cruiser Tacoma, the torpedo boat destroyer Paul Jones. and the submarine torpedo boats Grampus and Pike, all building at the Union Iron Works. San Francisco, stood at the same per cent, of completion on the 1st of July as they did on the 1st of June. The work on the destroyers Maine at Cramps advanced 2 per cent during the month and stands at 55 per cent. The Missouri at Newport News also advanced 2 points, standing on July 1st at 39 per cent. Practically no work has been done on the five new battleships, Virginia, Nebraska, Georgia, New Jersey and Rhode Island.
