## Cotton Futures.

New York, September 10 .- The market for cotton futures opened easy.

with prices down 6 to 9 points under nervous selling for both accounts, started by weak cables from Liverpool nd by European selling orders. Folnited States 3's cou owing the call there was an additiondecline, with the trading level at west figures of the first hour some points under last night's close. Senment was bearishly disposed, owing reports that spot cotton was being ffered freely in the south and that re-, and N. uni. 4's celpts were due to rapidly increase from this on. The market was hamp-Southern Railway 5's .....

red by searcity of supporting orders from the outside and by selling orders from New Orleans interests. Trading all the forenoon was spasmodic and restrained by a confusion of opinions among conscrvative operators, Tovard noon covering caused a rally to the opening figures, but bull speculaion was not a feature. Port receipts vere smaller than expected and the veather forecast indicated showers to-

ares 1 of land, situate, lying and County of New Hanover, State night and tomorrow pretty much over the entire belt. The Washington statement was bullishly construed. While no new business was stimulated by the report, shorts were not content to risk ind, on the dividing line between he chance of Liverpool refusing to re-Staces VanAmringe and known a spond to the government report and overed in the early afternoon and last hour. This buying was too scattering in (5 degrees cast 255 feet, thence south and irregular to have decided effect upon prices, though it kept the market k on the source is the beginning, being a part in 55 feet to the beginning, being a part he land known as Stedman Park, and naming about 7 65-100 acres. Also the to fingeress to and from the above-de-bed tract of land over and through the tolerably steady in tone at a trifle over the opening bids, much of the time. The market was finally steady with

prices net 6 to 7 points lower.

Murphy & Co's. Cotton Letter New York ,September 10 .- Prices were 5 to 10 points lower in the early market. There was no pressure to sell but simply a withdrawal of support which was regarded as temporary and n response to a break in the Liverpool narket, where manipulation was beeved to be in progress. The statistial situation at Liverpool is believed to be exceptionally strong at this time

or at least sufficiently so as to discourage any demonstration on the part of bales.
