It was with simple eremonies and a silence that fitted perfectly the sadness of the occasion that the body of the late president was bettee up Pennsylvania avenue to the It was fitting that such ceremony as there-was should be severely military in character in recognition of the fact that the president was the commanderin-chief of the United States army and navy. The streets about the station were illied with mounted troops and the stat on itself was occupied by stalwart soldiers and sailers in uniform. It was not so on the broad stretch of the avenue that led to the White house, where the people strained and crowded in a vast multitude against the stiff ware ropes which strained them from

the space marked out for the line of presession. The silenee that marked the progress of the funeral party through the national capital was pro-The afternoon was cloudy and with the close of the day began the dull de-pressing been of a great gun at interas of five minutes. It was the signal which gave notice of the approach of the funeral train. At the Pennsylvania railroad station men in bright uniforms gathered, a

Presently in dead silence two troops of cayalry from Fort Myer swung from Pennsylvania avenue to Sixth street. Then came Secretaries Hay and Gage and acting Secretary Sanger and Commissioner MacFarland and a few subordinates, privileged to enter the space within the station where the train was to stop. These and the army and naval officers awaited inside the station the speciling train. The train was a little late. It was due at \$:25 Mashed along the rails and the cars swell quietly to a stop at the gates. The way was cleared and down the Fathway strole a body of sturdy soldurs and sailors chosen as the body bearers and guard. They were met at the entrance of the observation car where the remains lay by an officer and
