

SOLDIER EDUCATION FOR SCHOOLS URGED

College Presidents Meet With War Heads to Talk Of Possibilities.

WASHINGTON, Oct. 17.—Military education for college students, particularly the reserve officer training corps systems provided by the new national defense act, was discussed by nearly a score of university and college presidents meeting here today with War Department officials.

Representatives of most land grant colleges, where military drill already is well developed, predicted that their schools would institute the four year course provided by the army act to train junior officers for the regular army reserves.

Presidents of some institutions which now have no arrangements for military training favored inauguration of tactics, study and drill without the reserve officers system and others declared their schools could best develop the summer training camp plans.

War Department officials received suggestions for co-operating with colleges in establishing varying grades of training. The meeting was called by Secretary of War Baker.

Oak Ridge Has Big Number of Students

Oak Ridge institute is crowded with students. Fifteen entered during the past week and others are to come. The enrollment is already larger than it was last fall, and there is talk of a new dormitory for next year to accommodate the increasing attendance.

Mr. J. E. Latham, of Greensboro, recently made a valuable contribution to the school library, and it is proposed by the alumni of the school to place here a library of considerable magnitude.

Let us give the movies credit for one thing. No longer can one sigh that he is all dressed up and has no place to go.

HUGHES AGAIN HITS DEMOCRATIC PARTY

The Whole Thing is Wrong, He Says as He Reads Extracts From Platform.

MITCHELL, S. D., Oct. 17.—Charles E. Hughes today assailed the administration for the Underwood tariff which he declared inadequate for the nation's agricultural interests.

Mr. Hughes spoke before a crowd of farmers. His opponents reaffirm in their platform the principle of tariff for revenue only and endorse the Underwood act," Mr. Hughes said. He read the democratic platform plank quoting the phrase applying the tariff "as providing sufficient for economical administration. In the fiscal year ending June 30, 1913, under the Payne-Aldrich tariff our imports were \$1,500,000,000 and our tariff revenue \$319,000,000," said Mr. Hughes.

Gant Retains His Hold on Property

The title to eight acres of land near Brown Summit, the endeavors of the plaintiff to break it, and the determination of Dudley Gant, a respectable negro, to hold on to the property consumed the major portion of one day in superior court this week, and by a verdict of the jury Gant retains his title.

Gant was sued by Ernest Troxler, another negro of the Brown Summit section, the object being the ownership of the land. It was stated during the trial of the case that Gant's house had been burned and that he had erected another at a great sacrifice, which he now occupies. In some way or other the title to the land was a little in doubt and it appeared that his neighbor thought he was entitled to it. As a result lawyers were employed and the middle-aged negro suitor was cited to superior court to prove his right to the ownership of the property. Gant employed lawyers and the case was brought up for trial yesterday morning. The value of the land was not stated, but it is estimated that it is worth a few hundred dollars. The case went to the jury and after deliberating for some time they decided in favor of Gant, and he went home happy in the thought of retaining his little home.

13-Year-Old Girl Kills Her Father

CLARKSBURG, W. VA., Oct. 18.—Lena Bonafilio, a 13 year old school girl, was taken to jail today charged with killing her father, Frank Bonafilio as he slept in their home near here last night. His head was literally chopped to pieces with a hatchet. The police declare that the child complained bitterly of her father's treatment of her.

Tomato Club Girls Attend State Fair

Miss Ola Stephenson, home demonstration agent, with seven young ladies belonging to the Guilford County Tomato Club, left Tuesday for Raleigh to attend the state fair and to preside over the exhibit of the Guilford county organization during the week. Among those going with Miss Stephenson were Miss Rachel Lane, of the Melver Club; Miss Bundy, of the Jamestown Club; and Miss Wall, of the Guilford College Club.

It is stated that the Guilford County Tomato Club has one of the finest exhibits to be seen among the fine displays made at the state fair grounds. The seven young ladies, including those mentioned above, were winners of the prizes offered by the Central Carolina Fair Association last week and it is anticipated that they will carry off equally high honors at Raleigh. Guilford County Demonstrator E. H. Anderson went to Raleigh on last Monday to superintend the work of putting on display the Guilford county products.

Judge Stephenson Made Speech Here

"A welcome to the democratic party" might properly be termed the subject of a logical discussion of campaign issues and reasons for belonging to the party made by Judge Gilbert T. Stephenson, of Winston-Salem, who addressed the members of the First Voters' Club at the county court house last night. Many others were present in addition to a large part of the club membership in Greensboro.

The speaker was introduced by Chairman Charles A. Hines, of the county executive committee. As a thorough reasoner and speaker of real merit Judge Stephenson could not be surpassed, declared an enthusiastic member of the First Voters' Club today. At the conclusion of the speech the organization was put on a firm basis by the election of Mr. Harry B. Grimsley, as president, and Mr. Charles J. Blake, as secretary.

Charlotte Has Good Price For Cotton

CHARLOTTE, Oct. 17.—Spot cotton was quoted at 17 1/2 to 18 cents on the market here today, with only 11 bales offered. On the same date last year 53 bales were marketed at 12 1/2. Seed is quoted at 85 and 90 cents, with little being offered.

The best we can make of it is that prosperity is having the price.—Durham Herald.

WILSON UNABLE TO GET ALLIES TO AID

Nor Will Central Powers Assist In Polish Relief Work.

LONG BRANCH, Oct. 17.—President Wilson announced today that his efforts to bring about an agreement among belligerent nations to allow relief supplies to be sent to Poland had failed.

The President gave out a statement saying he had received replies from the rulers of Great Britain, France, Russia, Germany and Austria-Hungary to a letter he sent in July suggesting that those nations combine to assist in Polish relief work. The statement follows:

"I have now received replies from the king of England, the president of France, the emperor of Russia, the emperor of Germany and the emperor of Austria to my letter of July 20, 1916, in which I tendered the offices of this government in negotiations looking to a fresh consideration of the possibilities and methods of relieving Poland. It appears, I greatly regret to say, that there are still important differences between the allied powers and the central powers as to the terms under which relief supplies may be sent to Poland. I am disappointed that I have not yet been successful in inducing the powers to conclude a definite settlement."

NEW YORK, Oct. 17.—Charles H. Ebbets, president of the Brooklyn Nationals, has given \$5,000 to Wilbert Robinson, manager, for his services in directing the Brooklyn players in their pennant winning season. The refunding of about \$30,000 to baseball enthusiasts who purchased tickets to a third world's series game to have been played in Brooklyn is in progress at Ebbets Field.

THE POPE ASKS U. S. TO HELP BELGIANS

Children There Are Below Normal Weight and Need Nourishment, He Says.

ROME, Oct. 17.—The Pope has made an appeal to the "children of happy and prosperous America to aid the million and half unhappy children of Belgium." The request of the Pope is the result of a visit paid him by George Baker, of New York, who came to the Vatican at the instance of Herbert Hoover, chairman of the American commission for relief of Belgium. Mr. Baker told the pope that the Belgian children were reduced below normal weight and were suffering bodily ills through under nourishment. He said that tuberculosis was increasing.
