FLORIDA WOMEN GIVE PARK. Mrs. Mary K. Sherman, chairman of the department of conversation, General Federation of Women's Clubs, reports the establishment of a park by club women of Florida for the preservation of natural resources and recreational and educational purposes. This, the only state park ownel by club women and the only park of its kind in the United States, was dedicated November 23, 1916, by Mrs. W. S. Jennings, president, in these words: "With the power in me vested as president of the Florida Federation of Women Clubs, I hereby dedi-The Federation of Women's clubs in cate the Royal Palm park to the peo-
