\$250,000 IN DIAMONDS.

A Widow Guarded by Detectives—A Struggle to Enter Society.

It is astonishing to me how the people who are not in New York society struggle for an entrance. The one aim of their lives seem to be to get within the circle which, whether it is made up of what they are pleased to call aristocracy or not, has the credit of being, and is the goal toward which so many ambitious men and women bend all their energies.

two furnished by police force. It seems to me this is taking a great deal of trouble for a little display. I cannot imagine anything more uncomfortable than to be under the eyes of four detectives for an entire evening.

A Decision Reversed.

WASHINGTON, Feb. 4.—The Treasury Department has reversed its recent decision as to the mode of assessing duty upon iron ore. The duty being assessed on the number of tons imported. It was recently claimed and decided by the department that that importers had the right to dry the iron ore and exclude the moisture before duties were assessed.

Believed to be a Failure.

NEW YORK, Feb. 5.—From the present indications it is believed that the freight handlers strike will be a complete failure, beyond causing a few days inconvenience to railroad companies and shippers their action has had no effect whatever. Business is now being resumed on every hand as though there was no strike, and it is predicted that within the next few days there will not be a railroad pier in which freight cannot be handled with as much alacrity as before the strike.

The Democrats Get Control.

SANTA FE, N. M., Feb. 5.—With the aid of three Republicans the Democrats yesterday, after two days of wrangling and debate, passed a resolution declaring the sitting members of the House of Representatives entitled to their seats, thus shutting out contests and heading off the attempt of the Republicans to get the two thirds majority required to pass bills over the Governor's veto.
