

The Morning News.

J. S. HAMPTON, City Editor.

WEATHER INDICATIONS.

WASHINGTON, Feb. 19.—For North Carolina, fair weather, slightly colder.

GREENSBORO ALMANAC.—Sun rises 6:50. Sun sets 5:38. Moon rises 5:30.

—MORNING NEWS one week for only 10 cents.

—Old newspapers for sale at this office for 25 cents a hundred.

The MORNING NEWS is kept on sale at the Dike Book Co.'s News STAND.

—Note the change in the schedule of the C. F. & Y. V. Railway which goes into effect to-day.

—Mr. Duncan C. Syme, of Baltimore, formerly of Raleigh, was registered at the Benbow last night.

—Prof. Slater gave another hop at his Dancing Hall last Friday night which was largely attended and much enjoyed.

—Mr. Geo. Lampman will put a fine glass front in the old Rees building and fit it up as a first-class jewelry store.

—Capt. Smith, the street superintendent, informs us that he will begin to clean and make improvements in the cemetery grounds as soon as spring opens.

—Rev. J. W. Ford has been called to the pastorate of the 2d Baptist Church of Raleigh and will preach his first sermon in that city this morning.

—Mr. W. L. Kirkman has sold part of the timber on the old Caldwell Institute ground to his son, Mr. A. L. Kirkman, and as soon as it is cut off he will erect a block of store rooms thereon.

—We hear that the Morris Mfg. Co., proprietors of the snuff mills in Durham, will sell thirty building lots in the business part of that city in a few days. These lots are near the depot and this is a splendid chance to invest in real estate.

—Rev. T. E. Lipscomb, of this city, who was for many years pastor of the colored Baptist church, died, at his residence Friday morning, of consumption. The remains were carried to Danville last night for interment.

—Miss Alice Pell left yesterday morning for Mebanesville, N. C. Miss Alice has been in very poor health for some time and it is hoped the change will be for the better. She was accompanied by Miss Dora Jones, who will go on to Raleigh.

—The bill allowing the city of Greensboro to vote upon the proposition to issue bonds to the amount of \$150,000, for public improvements, passed its final readings in both houses of the Legislature yesterday morning, and now the matter rests with the voters of Greensboro.

—Quite a number of extra copies of the News having accumulated during the week, we had them distributed free among the people from the country, who were in town yesterday. We intend to do this every Saturday, and merchants will do ourselves, as well as the country people, a favor by directing them to call at our office and get them.

—Mr. John Holden left his horse standing on Market St. near the Banner warehouse last Friday, and while he was up the street the horse took fright, and breaking away from the wagon ran up the street, and when opposite Messrs. Irving and Weatherly's, he turned and started into their store, but was caught by his owner, before he could enter.

—How would it do for our board of city commissioners to pass an ordinance "requesting" dealers in guano to have their warehouses erected outside the corporate limits of the city. It will put the dealers to a little inconvenience, perhaps, but it will save the citizens much discomfort. The odor emitted does not go well with tube-rose and hyacinths.

—Col. A. H. Lettich, of this city, has just succeeded in developing a splendid vein, four feet thick, of bituminous coal, at Gulf, Chatham county, within

four hundred yards of the Cape Fear and Yadkin Valley Railway. The supply seems to be inexhaustible and the fields will soon be furnishing our market fifty tons or more a day. Coal at our very doors, must of necessity reduce the price, which will be a great blessing to the poor. Hurrah for the old North State; when a demand is made upon her she never fails to respond.

—D. McWilliams & Co., the firm who have leased the old Steel Factory have taken possession and are pulling down the old hulls that mar the looks of the premises. They will erect a nice office and fence in the grounds in a few days. Some of their lumber is now on the ground and more is expected Monday. They also intend to put in some new machinery. Mr. McWilliams says that if the business proves a success, after this year they will erect a new and larger building for the machinery.

Look Out for Him.

A man by the name of Hans committed a rape upon a highly respectable lady of Rowan county on Thursday last, and escaped, coming in this direction. He is a peddler and varnisher, drives a claybank horse, is rather under size, is rather talkative, has light hair, light mustache and is very polite. Nab him on sight.

—The Aromatic Steam Cooker is The Greatest Wonder of The Age.—A simple and convenient method of cooking. Your food is cooked by steam, thus retaining the delicious aroma. You can cook one, or as many different articles of food at the same time as you like, on only one hole, on any kind of a stove, coal, wood, oil, gas, or gasoline, and the food cannot burn. You can cook onions next to pudding and not flavor the pudding. Remember that this is the only practicable steam cooker out, and it is the cheapest. We do not ask you to buy one until you have tried it. We have bought the right to three counties: Guilford, Mecklenburg and Forsyth. Our circulars will show you the cuts and give full directions as to the use and management of the steamer. Look out for our big ad. in another column in a few days.

A Creaking Hinge
Is dry and turns hard, until oil is applied, after which it moves easily. When the joints, or hinges, of the body are stiffened and inflamed by Rheumatism, they cannot be moved without causing the most excruciating pains. Ayer's Sarsaparilla, by its action on the blood, relieves this condition, and restores the joints to good working order.
Ayer's Sarsaparilla has effected, in our city, many most remarkable cures, a number of which baffled the efforts of the most experienced physicians. Were it necessary, I could give the names of many individuals who have been cured by taking this medicine. In my own case it has certainly worked wonders, relieving me of
Rheumatism,
after being troubled with it for years. In this, and all other diseases arising from impure blood, there is no remedy with which I am acquainted, that affords such relief as Ayer's Sarsaparilla.—R. H. Lawrence, M. D., Baltimore, Md.
I was, during many months, a sufferer from chronic Rheumatism. The disease afflicted me grievously, in spite of all the remedies I could find, until I commenced using Ayer's Sarsaparilla. I took several bottles of this preparation, and was speedily restored to health.—J. Fream, Independence, Va.
Ayer's Sarsaparilla,
Prepared by Dr. J. C. Ayer & Co., Lowell, Mass. Sold by all Druggists. Price \$1; six bottles, \$6.

"My little son, three years of age, was terribly afflicted with scrofulous sores, and his body showed marks of the disease. A few bottles of Ayer's Sarsaparilla cured him."—W. J. Beckett, Hymera, Ind.
