A Proposition Made for the Insane Asylum.

[Special in Charlotte Chronicle]

RALEIGH, N. C., Feb. 25 .- The Senate to-day passed the bill making an appropriation for the Insane Asylum. \$56,000 yearly for the Raleigh Asylum, and \$38,000 annually for four years for construction of two wings. To the Morganton Asylum \$80,000 for the next fiscal year and \$90,-000 for the year thereafter.

The house has defeated the bills to create the counties of Badger and Lillington, and has finished the revenue bill. An amendment was insisted in the latter in passing an annual tax of \$10 on attorneys.

The House discussed the bill making appropriation for the agricultural department, making it \$27,500 for next firscal year and \$25,000 for the yearafter, all excess to be applied to the State agricultural college.

The bill passed its second reading.

Petition for Prohibition Legislation.

Mr. Richard H. Morse, the local prohibition champion, yesterday forwarded to Raleigh his petition praying the Legislature to pass a law prohibiting the sale or manufacture of spirituous liquors in Mecklenburg county, after Jan. 1st, 1888. The petition contained over 300 signatures, and among these were the names of several bar keepers. This matter has been looked upon with indifference by the majority of our people, but some of them are now beginning to think that there is really some probability of such a law being passed by the Legisla-

Apropos of this subject, we might state that a prominent citizen claims to have discovered that there is not a bar room in Mæklenburg county outside of Charlotte. - Charlotte Chronicle.

A man in Ontario can repeat perfectly 166 chapters of the Bible, fifty-eight psalms, and every collect, epistle and gospel in the ecclesiastical year, according to the English Church prayer book.

In 1834 the Roman Catholics had in the Diocese of Detroit one bishop, thirty priests and Catholic population of 20,000. In 1885, in the territory comprising the Diocese of Detroit in 1834, there were two archbishops, nine bishops, 920 priests and a Catholic population of 802,000.

We must ond a weak spot or two in a character before we can love it much. People who do not laugh or cry, or take more of any thing than is good for them, or use anything but dictionary words, are admirable subjects for biographers. An old merchant said years ago that not more than I per cent. of the best class of merchants succeed without failing in Philadelphia. Not more than 2 per cent. of the merchants of New York ultimately retire on an independence after having submitted to the usual ordeal of failure, and not more than three out of every hundred merchants in Boston acquire an independence. In Cincinnati, out of 400 business men in business twenty years ago five are now doing business.—Dry Goods Chronicle.

"It Saved My Life"

Is a common expression, often heard from those who have realized, by personal use, the curative powers of Ayer's Cherry Pectoral. ** I cannot say enough in praise of Ayer's Cherry Pectoral, believing as I do that, but for its use, I should long since have died from lung troubles. - E. Bragdon, Palestine, Tex.

About six months ago I had a severe Hemorrhage of the Lungs, brought on by a distressing Cough, which deprived me of sleep and rest. I had used various cough balsams and expectorants, without obtaining relief. A friend advised mate try vised me to try

Ayer's Cherry Pectoral.

I did so, and am happy to say that it helped me at once. By continued use this medicine cured my cough, and, I am satisfied, saved my life. - Mrs. E. Coburn, 18 Second st., Lowell, Mass.

I have used Ayer's Cherry Pectoral for over a year, and sincerely believe I should have been in my grave, had it not been for this medicine. It has cured me of a dangerous affection of the lungs, for which I had almost despaired of ever finding a remedy. - D. A. McMullen, Windsor, Province of Ontario.

Ayer's Cherry Pecteral saved my life Two years ago I took a very severe Cold which settled on my him s. I consulted physicians, and took the remedies they prescribed, but failed to obtain relief until I began using Ayer's Cherry Pectoral. Two bottles of this medicine completely restored my health, -1izzis M. Allen, West Laneaster, Onio.

Scrofula

Is one of the most fatal scourges which afflict mankind. It is often inherited, but may be the result of improper vaccination, mercurial poisoning, uncleanliness, and various other causes. Chronic Sores, Ulcers, Abscesses, Cancerous Humors, and, in some cases, Emaciation, and Consumption, result from a scrofulous condition of the blood. This disease can be cured by the use of Aver's Sarsaparilla.

Perfect Hair

Indicates a natural and healthy condition of the scalp, and of the glands through which nourishment is obtained. When, in consequence of age and disease, the hair becomes weak, thin, and gray, Ayer's Hair Vigor will strengthen it, restore its original color, promote its rapid and vigorous growth, and impart to it the lustre and freshness of youth.

I have used Ayer's Hair Vigor for a long time, and am convinced of its value. When I was 17 years of age my hair began to turn gray. I commenced using the Vigor, and was surprised at the good effects it produced. It not only restored the color to my hair, but so stimulated its growth that I have now more hair than ever before.—
