Cowles, the book-keeper of Claffin & Co., who killed a hackman, keeps books in the shoe department.

Unger, the murderer, and De Leon, the astrologer, are employed in cleaning cells, there being nothing else for them to do.

William Morris, the socialist poet, has completed his translation of the Odissey, and it is announced for early publication.

Ex-Alderman Jaehne has graduated from the laundry and is now wrapping tobacco packages. His demeanor is quiet and cheerful.

Ferdinand Ward runs a little steam printing press that prints cigar and tobacco labels. He has a perpetual sneer on his face, and is regarded as a surly, disagreeable fellow.

Ex-Alderman McQuade is counting shirts in the laundry department. His face wears a half comical expression of patient resignation. He has grown fatter since his incarceration.

Police-Sergeant Crowley has charge of the nickel plating in the oil-stove room. He has become an expert workman. His fat, sensual face is fatter and more sensual in expression than ever.

Ex-Alderman O'Neil and Policeman Rourke, the murderer, are working together in the shoe department. The former is modest and cheerful, while the latter is hilarious and boisterous at times.

Buddenseik, the mud-mortar builder, occasionally trundles a wheel-barrow and does a little cleaning. He is too old to do any hard work, and although looking hearty, is hardly likely to survive his sentence.

AN ACT

To Amend the Charter of the City of Greensboro, North Carolina.

THE GENERAL ASSEMBLY OF NORTH CAROLINA DO ENACT:

SECTION 1. That the charter of the city of Greensboro be amended so as to read: That the city of Greensboro shall be divided into four wards, numbered respectively, wards number 1, 2, 3 and 4.

That ward number one (1) shall embrace all that portion of the city lying north of West Market street, and west of a line marked by North Elm street and a continuation thereof in the same direction to the northern boundary of the city. That ward number two (2) shall embrace all that portion of the city lying north of East Market street, and east of a line marked by North Elm street and a continuation thereof in the same direction to the northern boundary of the city. That ward number three (3) shall embrace all that portion of the city lying south of East Market street, and east of South Elm street. That ward number four (4) shall embrace all that portion of the city lying south of West Market street, and west of South Elm street.

Sec. 2. That there shall annually, on the first Monday in May, in each year, be elected a mayor and twelve commissioners, three from each ward, who shall hold office until their successors are qualified, all to be elected by the qualified voters of the city.

Sec. 3. That the board of commissioners are hereby authorized and empowered to issue from time to time, to an amount not exceeding one hundred thousand dollars, bonds in the name of the city of Greensboro, in such denomination and form, and payable at such place and time, but running not less than thirty years, nor more than fifty years, and bearing interest at no greater rate than six per centum per annum, and payable annually, or semi-annually, as said board of commissioners may determine.

Sec. 4. That none of said bonds shall be issued until approved by a majority of the qualified voters of said city, at a public election to be held at such time or times, and under such regulations as the board of commissioners may prescribe, at which election those favoring the issue of bonds shall vote "Issue," and those opposing it shall vote "No Issue."

The board of commissioners shall provide a special registration of the qualified voters of the city, to be made for each election, for which no prepayment of taxes shall be required as a qualification to register or vote.

Sec. 5. That said bonds shall in no case be sold, hypothecated or otherwise disposed of, for a less sum than their par value.

Sec. 6. That the money arising from the sale of these bonds shall be used for public improvements in said city of Greensboro.

Sec. 7. That the board of commissioners of the city of Greensboro is hereby authorized and empowered to erect suitable graded school buildings, to such part of the city as they may select, to grade the city and lay out streets, to make local assessments, to provide water works for the city, either by erecting water-works, or by contracting with other persons or corporations, to provide a proper system of sewerage for the city, and make all such other public improvements as the health of the citizens, and the safety of property may require.

Sec. 8. That said bonds and their coupons shall not be subject to the city laws until after they become due, and the coupons on said bonds shall be receivable in payment of said city taxes for any fiscal year in which they fall due, or thereafter, and if the holder of any of said bonds shall fail to present the same at the time and place therein named, he shall not be entitled to more than fifteen days' interest thereon, for the time they have been outstanding after maturity.

Sec. 9. That for the purpose of paying off, taking up and cancelling all the coupons on any and all bonds issued by said city, as the same become due, it shall be the duty of the board of commissioners, and they are hereby authorized to levy and collect a sufficient special tax, each and every year, upon all subjects of taxation, which may be now or hereafter embraced in the subjects of taxation, under the charter of the city, and all the amendments thereto, which taxes, so collected, shall at all times be kept separate and distinct.

Sec. 10. That the board of commissioners may acquire, by gift or grant, lands, or easements thereon, or rights of way over the same, or the right to use springs, branches, or water courses, for the purpose of erecting and operating water-works or conducting the water to the city.

Sec. 11. If the board of commissioners cannot agree with the owners upon a price for the lands and rights above named, they shall have the right to have the same condemned, and compensation fixed therefor, by filing a petition in the Superior Court of Guilford county, (meaning the clerk) against the owners of the land, making them parties, as provided in the code, and setting forth the fact, and describing, as near as may be, the lands, rights and easements necessary to be condemned, and making the summons returnable in not less than twenty days, and asking that said lands, rights and easements may be condemned, and compensation for the same be assessed. On the coming in of the answer, or demurrer, or non-assessment of the parties to answer or demur, the clerk shall appoint three disinterested free holders to view the said land, and if they deem it necessary for the purposes indicated, to condemn the same, and assess the damages, and report fully to the clerk, describing the land by metes and boundaries, and the easements allowed, as near as possible. Provided, that the parties shall have five days' notice of the time and place of meeting of the commissioners, and it shall be sufficient to serve the same on the parties or their attorneys, or file the same with the clerk. The commissioners, before acting, shall be sworn by a justice of the peace, to discharge their duties faithfully and honestly between the parties. They may have witnesses, who may also be sworn, as provided for by law, by a justice of the peace, or other person having power to administer an oath. The report of the free holders or a majority of them, unless good cause be shown on exceptions thereto, shall be confirmed and recorded, and judgment shall be rendered accordingly. From this judgment, either party may appeal to the Superior Court, under like rules as in other cases: Provided, that no appeal shall be taken from an interlocutory order in the cause. The final judgment given by the court, if it shall condemn lands or other property, shall on the judgment of the compensation fixed to the parties or to the clerk, have the force and effect of a deed or grant in conveying to, and vesting said lands and rights in the board of commissioners.

Sec. 12. That the board of commissioners of the city of Greensboro shall have the power to employ detectives and attendants, and to confer rewards for the capture and conviction of criminals, to exercise like powers in the premises, in order to bring offenders against the laws of the State and city ordinances when the crime is committed in the city limits, to justice, and to use any funds belonging to the city, not otherwise appropriated, to carry out this purpose.

Sec. 13. That all acts and clauses of acts in conflict with this act, be repealed.

Sec. 14. This act shall be in force from and after its ratification.

Enacted this 26th day of February, A. D. 1887.
