It wrecked, so far as whole of the surveys were completed and annoyances of his official life. He by military engineers before the re- has added to the legitimate duties of the position, personal attention to dement. It has also been decided to tails to such an extent as to make his build a military railroad around Swiss official existence a positive burden. He works faithfully and incessantly, The German committee of inquiry but it is thought with unnecessary la-into the arrest of M. Schnaebeles bor to himself. He wastes his energy in drudgery over minor matters, not officers: John Robinson, Esq., of Ancontent with the general direction of a great executive business. The rethat the arrest was effected under due sult is that he views the office as imprisonment in which he is constantly schjected to greater vexations, greater immigration agent. T. C. Harris was harassment than actual prison life imposes. It is rather early either to accept or decline a nomination. It is the judgment of the leaders of his party that the political situation will be elected a member of the board from such as to remove any alternative of the sixth district, vice John Robinson, acceptance and refusal on the part of Esq., elected commissioner. Mr. Cleveland. It may render imperative his acceptance of the nomina-Much talk is being indulged in upon the expected visit of the Queen of the Hawaiian Islands. Arrangements are talked about for demonstrations in her honor, as though her royal spouse were the ruler of millions of subjects instead of only a few thousands. It is about time the American people had outlived the supreme nonsense of doing homage to imported royalty whether of high or low degree. This particular representative of nobility is the wife of a King whose subjects number 80,000, but she is none H. E. Fries, H. L. Grant, A. Leazer the less a queen. She will expect and doubtless will receive very flattering courtesies. An exchange of greetings will be arranged between the President and her dusky majesty, to occur at the White House and the residence of the Hawaiian legation.

WASHINGTON, April 25, 1887. Senator Sherman says the sensa-tional story of his narrow escape from being kidnapped during his recent trip to Cuba is a joke. From one point of view it is unfortunate for the

made a deep hole in his bank account, but it would have given his Presiden-tial canvass an irresistible boom, and sent all other aspiring Republicans in-to permanent retirement. The most startling piece of political information for months is the report that the President will not he e condu been his eternal gain.

Resolved, That these resolutions be furnished the press of the city for publication, and a copy be sent to the family of our deceased brother.

LONDON, April 25 .- The report of

French government.

default.

made a further report to-day finding first that the actual arrest of Schnaebeles occurred on German soil; second, process of law; third, that the acts constituting the offence were committed in Reichland. These conclusions have been submitted to the French government.

PARIS, April 25 .- It is stated that Herr Von Leyden, the German charge d'affaires, has informed M. Flourens, the French minister of foreign affairs, that Prince Bismarck regretted that the judge of the court at Leipsic had ordered the arrest of M. Schnaebeles tion. without consulting him (Bismarck) for an offence whereof the German chancellor reserves his opinion.

Perverting the Interstate Law.

DES MOINES, Ia., April 25 .- The widespread discontent among shippers over the alleged perversion of the Interstate Commerce law by the railway companies is assuming the orm of a project to call a special session, of the Legislature for the purpose of legislating on the transportation problem. The law is regarded as adequate, but the assertion is made that the railways, with the view to securng its repeal, are subverting the spirit of the bill so as to render it odious.

•77• No Truth in the Statement.

BUFFALO, N. Y., Apr. 26.- The Daily News publishes the following reply to a telegram of inquiry as to the truth of the statemennt that Col. Dorsheimer had seen a letter written term. There is no truth in the statement. I never saw the letter mentioned. [signed] WM. DORSHEIMER.

New York, April 25.

Attempted Wife Murder.

WARREN, Mass., April 26 .- Last with a razor inflicting a gash in her and a small cut in the face, after which Shea cut his own throat. Mrs. Shea may recover but the husband will probably die. The couple had lived apart and Shea had several times threatened to kill her unless she returned to him.

How to Bake Eggs.

The office takes its 000.—Raleigh Visitor. name from an old Revolutionary furnace still standing there. We visited it. It was built of common granite rock, about twenty-five feet high, and was shaped like a hornet's nest inside. The rock has given way and it has tumbled down in some places. It was used by the Colonial Forces during the Revolution. It was covered on top with moss a foot thick, and a ceevening Jerry Shea assaulted his wile dar tree ten leet high, is alive and to an interest on the subject of agrigrowing on its summit. On one side throat, a frightful cut in the temple it is almost covered with vines and moss. In itself it shows antiquity and is worth a visit.

Suicide.

PHILADELPHIA, Pa., April 25 .-The mystery surrounding the death of Mrs. Esther Garlick, who was found drowned in the Schuylkill river on Friday evening was suff. | couragement to the farmers by call

At the meeting of the Board of Ag. riculture the following were elected as son county, was elected commissioner. T. K. Bruner was elected secretary. Dr. C. W. Dabney was elected State Chemist. J. T. Patrick was elected elected curator of the State museum. Maj. H. L. Grant and Mr. Willis R. Williams were put on the committee of finance. Mr. Sid B. Alexander was

Goldsboro Messenger.

An old citizen remarked yesterday that one of the most encouraging signs of our progress as a city is that the people on the streets walk much faster than they used to do, and inquire less about other people's business. He says this is an admirable sign that we are putting on sure enough "city airs." -On Saturday last, the Board with Messrs. W. S. Primrose, H. E. Fries, G. Z. French, Elias Carr and Gen. Rutus Barringer, resolved into a Board of Trustees for the college of Agriculture and Mechanic Arts. Mr. T. K. Bruner was chosen temporary secretary. Messrs. W. S. Primrose, and W. F. Green were appointed an executive committee for the purpose of perfecting plans, &c., for the erection of the buildings, all of which are to be submitted to the board before any contracts are made. It was ordered that the managers of the penitentiary be requested to make \$1,500,000 bricks under act of the late legislature. We made a visit the other day to a to open a roadway between the lands

A FARMER'S INSTITUTE.

Editor Morning News :- As there is no subject of greater interest to our people, and no time in the past history of the world when there was a greater necessity of awakening them culture than at the present, when our farmers are almost crushed and discouraged, and the entire country more or less affected by the agriculture failures of the past years, I beg leave to say that our people have determined to put forth their efforts, and so far as possible extend their aid and en-

All who are in want of Groceries and General Family supplies, will consult their best interest by calling at J. A. Groom & Co's new store on the corner of Sycamore and South Elm sts., and getting their prices. Fine Cigars and Tobacco are specialties. They keep only the best. J. K.
