Ringing Resolutions.

The North Indiana Conference of the M. E. Church, at its late session in Marion, adopted the following ringing resolutions, which we are requested to copy:

Whereas, The manufacture, sale and use of intoxicating liquors as a beverage, is the legitimate parent of not less than two-thirds of the perjuries, thefts, murders, and many other crimes in our land; and believing that the licensing by the State of the sale of such liquor to be used as a beverage, is equivalent to licensing the production of these crimes; therefore be it

Resolved, That we are unalterably opposed to license in all its forms, believing that we might as well license by name the children specified above as to license the parent of the entire brood of vipers; and where the saloon fraternity is utterly lawless, as is evident from its continued violation of every law which tends to restrict the evils of intemperance, and from the frequent arsons and murders for which this satanic brotherhood is directly responsible, therefore be it

Resolved, That we will not cease agitating in favor of absolute prohibition, until the entire saloon interest

is utterly destroyed. And, whereas, in the dastardly murder of our late brother, the Rev. George C. Haddock, of Sioux City, Ia., we recognize the red hand of in-iquity which this unholy alliance is ever ready to reach forth for the destruction of all who oppose the onward march of intemperance, well assured that, if it dared, it would smite each man of us as it smote our brother Haddock; therefore, be it

Resolved, That while we extend our tenderest sympathies to the afflicted family, we also pledge ourselves that ASHEVILLE, N. C., April 27.-This so long as we hold sacred the marmorning the body of an infant was found buried in a box in the woods every legitimate weapon for the extermination of this monstrous crime of crimes, the saloon system.
