

Good for the Valley Mutual.

(Dr. Carter Berkeley, manager for the Valley Mutual Life Association of Virginia, paid last year to the widows and orphans of North Carolina over \$73,000 in cash, and to day paid into the State Treasury \$1,026.34 taxes.—*News and Observer*, April 10, 1887.

The Valley Mutual Life Association of Virginia offers life insurance pure and simple, and it is "insurance that insures." It is not encumbered and complicated with banking and endowment and surrender value features, and one thousand other schemes which, while they may be well enough in their respective lines, have no more to do with life insurance in its true object, than a pawnbroker shop has to do with a postoffice. It issues policies for stipulated amounts, payable at death, and at death only, at the lowest consistent with perfect security, as it is strikingly exemplified in the following:

Capt. J. C. Marquis, of Staunton, is the holder of policy No. 1, in the Valley Mutual. The policy, which is for \$1000, was issued September 23d, '78. Capt. M. was then 51 years of age. The total cost of this policy up to November 23d, 1886, eight years and two months, has been \$122.70, or an average of \$15.04 per year. The same amount of insurance, under the level-premium or old-line system, for the same time, non-participating policy, would have cost Capt. Marquis \$293.93, or \$41.99 per year, much more than double the cost of his policy in the Valley Mutual, which difference, invested annually at six per cent, would amount to \$239.71.

The Valley Mutual is one of the solidest institutions of its kind—an institution which, unlike the prophet, has great honor in its own country as well as abroad.—*Atlanta Avalanche*. Messrs. Berkeley & Arnall are the managers of the Southern Department. Offices, Raleigh, N. C., and 6½ Whitehall street, Atlanta, Ga.

Scrofula

Is one of the most fatal scourges which afflict mankind. It is often inherited, but may be the result of improper vaccination, mercurial poisoning, uncleanness, and various other causes. Chronic Sores, Ulcers, Abscesses, Cancerous Humors, and, in some cases, Emaciation, and Consumption, result from a scrofulous condition of the blood. This disease can be cured by the use of Ayer's Sarsaparilla.

I inherited a scrofulous condition of the blood, which caused a derangement of my whole system. After taking less than four bottles of Ayer's Sarsaparilla I am

Entirely Cured

and, for the past year, have not found it necessary to use any medicine whatever. I am now in better health, and stronger, than ever before.—O. A. Willard, 218 Tremont st., Boston, Mass.

I was troubled with Scrofulous Sores for five years; but, after using a few bottles of Ayer's Sarsaparilla, the sores healed, and I have now good health.—Elizabeth Warnock, 54 Appleton street, Lowell, Mass.

Some months ago I was troubled with Scrofulous Sores on my leg. The limb was badly swollen and inflamed, and the sores discharged large quantities of offensive matter. Every remedy failed, until I used Ayer's Sarsaparilla. By taking three bottles of this medicine the sores have been entirely healed, and my health is fully restored. I am grateful for the good this medicine has done me.—Mrs. Ann O'Brian, 158 Sullivan st., New York.

Ayer's Sarsaparilla, Prepared by Dr. J. C. Ayer & Co., Lowell, Mass. Sold by all Druggists. Price \$1; six bottles, \$5.
