No. 135

CITY COUNCIL IN SESSION.

The New Streets—Paving of South Elm—Bonds Ordered Printed—Liquor License Refused—New Ordinances Passed, &c., &c.

The Board of City Commissioners met in regular session on Friday night and transacted much important business. In the absence of Mayor King, Commissioner Dodson was called to the chair. All the members were present except Commissioners Bevil and Ellington.

The special Committee on widening Washington street made report. They reported that they had been unable to come to an agreement with Mr. A. Hagan for right of way through his property, and that Mr. Hagan declined to take less than \$35 per running foot for his land. Considerable discussion ensued when Commissioner Odell offered the following resolution which was adopted:

Resolved, That, as a final proposition to Mr. A. Hagan, the Board offer him \$30 per running foot on Davis Street, or \$50 for the twenty-six feet, and \$150 for moving his building.

Judge Schenck, from Committee on North Elm Street and its extension made the following report:

To the Honorable Board of Commissioners of Greensboro:

The Committee on North Elm and its intersecting streets respectfully reports that since the last meeting of the Board, it has extended North Elm Street, 66 feet wide, in a direct line to the Northern limits of the City. This street is now one mile long and perfectly straight, and will add greatly to the beauty and convenience of the City. That portion of the street in the rear of Judge Gilmer's residence will be opened at once, and is accessible from other streets. Judge Gilmer expects to remove his residence by the 1st of October, when the whole street will be opened to the public. The Committee also extended the intersecting street laid off last week from Greene Street to Church Street, 40 feet wide. This street is now one mile long and extends from Cedar to Church Streets, giving a long desired outlet across the Northern part of the City. Two parallel streets to North Elm, and on the West side of it, were also laid off through Capt. B. J. Fisher's land, and a street 66 feet wide was laid out along the whole Northern boundary of the City from East to West. It passes for 3/4 of a mile through beautiful groves of oak and other shade trees, and will be very desirable as a street for residences.

The Committee also laid out a street from Greene Street to the present extension of North Elm Street, which passes over Mrs. White's land, and ordered a street through the lands of Messrs. Robert Sloan and G. M. Alley 50 feet wide, which is an extension of Spring Street, to Greene Street on the Northern boundary of the City and extended Edgeworth Street to the Northern boundary of the City, also. A street was also laid out from Greene Street to the Northern boundary, over the land of Col. Thos. B. Keogh, 66 feet wide.

The Committee was much impressed with the desirableness of North Greensboro as a place of residence for our rapidly increasing population. It is high, comparatively level and easily drained.

The Committee respectfully recommends that the action of the Committee be adopted and confirmed, and that these streets be named so they can be designated on the plat of the City, and that a sufficient force be employed at once to open and grade them and make them ready for safe and easy travelling.

A map showing these new streets accompanies this report.

The culvert and ditch, so long needed, which carries off the stagnant water on West Greene Street, are completed and this unhealthy and marshy spot has been thoroughly drained and the road over it made dry and smooth.

The ditches, so long obstructed from Cedar Street, crossing Spring and Edgeworth Streets to Green Street, have been opened and cleaned out for half mile and living water now runs all the way through from Greene Street to North Buffalo creek, much to the comfort and health of the residents of that part of the City.

Rev. J. Henry Smith generously do-

nated that portion of the intersecting street from Church to North Elm Street and Col. Thos. B. Keogh the streets through his land, and Mrs. White had already opened nearly all the new street from Greene to North Elm Street.

The Committee recommends that the generosity of these public spirited citizens be recognized by a resolution of thanks on the part of the Board.

The Street committee submitted the following ordinance which was received and adopted:

Whereas, The reports at the last meeting of the Board, and at this meeting of the special Committee on the extension of North Elm Street to the Northern limit of the City, and the laying out and platting the intersecting streets having been received and adopted,

Be it ordained, That the Extension of North Elm Street and the location of the intersecting streets are approved and said extension and intersecting streets are declared to be streets of the City of Greensboro, in accordance with the diagrams accompanying the reports, and that said streets shall be opened and prepared at once for public use.

The streets above referred to, having been declared streets of the City of Greensboro, the board proceeded to name them as follows:

Street from Cedar to Church street, across the northern part of the city, is called "Schenck street."

From Greene to North Elm, over Mrs. White's property, "Price Street."

The street along the northern boundary, from east to west, "Fisher avenue."

First parallel street, west of North Elm, "Wainman street."

Second parallel street "Simpson street."

Third parallel street, over the Keogh property, "Keogh street."

After discussion of the matter, in which the views of each Commissioner were freely expressed, the following resolution, offered by Mr. Odell, was adopted:

Whereas, Hon. Jno. A. Gilmer has proposed to the Board to sell to the city the remaining portion of his land adjoining the Cemetery, about 29 acres, for the sum of \$2,500,

Resolved, That we accept the proposition and that Judge Gilmer be notified of the action of the Board.

The question of moving fences off the sidewalks on South Elm street being under consideration, it was ordered that Commissioners Scott, Odell and Coffin be a committee to confer with Miss Mendenhall and Mrs. Willis in regard to setting back their fences.

On motion, Friday night next was designated as the time for the election of teachers of the Colored Graded School—the clerk to give notice of the same through the daily papers.

The question of Water Works was brought up, but in the absence of the Mayor, who has been corresponding in regard to the matter, the consideration of the question was deferred to next meeting.

A special committee consisting of Messrs. Price, Turner, Nelson, and White was appointed to consider and report at the next meeting, upon the paving and McAdamizing of South Elm street from the court house to the Richmond & Danville depot.

On motion of Commissioner Nelson it was decided that the White Graded School shall not be opened until the new building is completed and ready for occupation.

On motion of Commissioner Scott the committee on Bonds was authorized to close a contract with the St. Louis Bank Note Co., and have them prepare the bonds at once, at price named in their proposition, namely \$1,000.00.

On motion of Commissioner Price it was decided that the election of Superintendent and teachers of the White Graded School shall be held on the first Friday night in July, and that notice thereof be published in the city papers by the Clerk.

Mr. J. W. Hammill made application for license to sell spirituous liquor at the Hoskins building, on Davis street, in the neighborhood of the depot. After a brief discussion the Board declined to grant the license.

On a proposition of Commission-

er Scott, the board decided to meet two nights in the week hereafter—Tuesday and Friday—until the great amount of work before the Board is disposed of.

The following appropriate and well considered preamble and ordinance regulating brass bands, street parades, etc., offered by Commissioner Schenck, were adopted without a dissenting voice:

Whereas, the loud noises made by brass bands, composed of drums and horns, are calculated to frighten, and do often frighten, horses, on the public streets and thereby endanger human life and interfere with trades and whereas the sick are sometime, disturbed by said noises in the night time, and whereas it is thought that the parades of such bands should be restricted and regulated by law to avoid the consequences above named, and at the same time not to interfere with the enjoyment of music by our citizens,

Be it ordained, that no brass band with horns, drums, or like instruments shall parade on foot or in vehicles on the streets of Greensboro without first obtaining a written permission from the Mayor to make said parade; that all persons proposing to make said parade, shall apply in writing to the Mayor, stating the time, place and purpose of the same and the Mayor may, if he thinks proper, give a written permission to make the parade, stating the time and place thereof and how long it is to continue; and no permission shall be given to parade later than 10 o'clock p. m., unless on extraordinary occasions of public interest, and that parades in day time shall not be permitted on the principal business streets except on like extraordinary occasions.

Provided, that this shall not apply to any band marching to any designated spot in the city without playing on their instruments, or to any band practicing at their usual place in the city.

That any violation of this ordinance shall subject the offender or offenders to a fine of five dollars (\$5).

That it shall be the special duty of the police or constables to enforce this ordinance, and if on any occasion they discover that horses are being frightened, to compel the music to stop temporarily until the danger is past, and any neglect of duty in this respect shall subject the police or constable to a fine of five dollars.

Complaint having been made as to the irregular lighting of street lamps, breakage of glass shades, &c., the Street Light Committee was instructed to look into and correct such evils at once.

Commissioner Odell having suggested the importance of looking into the matter, the chief of Police was directed to send two gallons of water to be taken from the Graded School well to Dr. Dabney, State chemist, for analysis, and to report the result to the Board.

Mrs. McLean's application for pay for side walk way was referred to the Street committee.

A bill from Mr. M. T. Hughes for 965 pounds of hay, amounting to \$5.65, and a bill of \$6.00 to pay the hands employed by Col. Fry in surveying and laying off the new streets, were ordered paid.

After empowering the Street committee to dig a well south of the C. F. & V. V. Railway, near the depot, on South Elm street, the Board, after a laborious session of four hours, held in an intensely warm room, adjourned to meet again on Tuesday night, the 21st inst., at 8 o'clock.

Mr. W. B. Overby, at the City market, keeps always on hand the finest beef and mutton. It is nicely butchered and neatly handled. See it and be convinced.

Flour.

A Big Lot! We have all grades of Flour. Our "White Pearl" and "Silver Crown" Flours cannot be beaten. Try a sack. Also, Meal, Shipstuf, Corn, &c. ap22d. HOUSTON BROS.

THE LATEST NEWS.

The Ohio Notion.

COLUMBUS, June 18.—Gov. Foraker says that no rebel flags shall leave the State House of Ohio while he is Governor. He and other leading Republicans telegraphed Gen. H. V. Boynton, at Washington, yesterday, to get the best advice as to whether the return of the flags could be legally enjoined. The Governor also telegraphed President Cleveland, saying: "I most earnestly protest against the action. The patriotic people of this State are shocked and indignant beyond anything I can express, and I earnestly request you to revoke the order that has given such an unqualified offense."

Mrs. Lincke Committed to Jail.

AURORA, June 13.—Mrs. Lincke, wife of Paul Lincke, who was murdered here a few days ago, was arrested this morning and committed to jail as being accessory to the crime.

She made a statement to the court in which she admitted that she had lain across the bed with Mr. Potts, the supposed murderer, and that he had lain across her bed, but that was when she and he were sick and nursing each other. She also admitted that he had kissed her, but it was in presence of her husband. She also stated that she was on the bed asleep with her husband when he was shot, but when awakened by the report of the pistol could not tell whether it was in the house or out of doors. Mrs. Lincke seems to be very cool and collected.

Our community is very much shocked and indignation is high. It is to be hoped that good order will prevail, and that the perpetrators of so foul and cowardly crime will be brought to justice.

Ex-Union Soldiers "Agitate."

CINCINNATI, June 18.—The Commercial Gazette has a page of interviews with Ex-Union soldiers of Ohio deprecating in strong language the proposed return of Confederate flags.

What She Is.
