The King did not answer at once, and his wife gradually became worried at his silence. He was jailed by the court, but released by a mob of sympathizers. If he had some North Carolina judges that we know of to deal with, he would go back to jail, if it took every low-abiding citizen in the county to put him there. Riddleberger, it is said, was drunk and mad, when he attempted to bully the court. -Ex-Governor Rufus Bullock, of Georgia, says the southern people are just discovering what the west learned a quarter of a century ago, that railroads must be the pioneers of development. If you don't believe it go to Birmingham, Anniston, Knoxville, Chattanooga, Kansas City, Atlanta, Charlotte, and scores of other industrial marts all animated by inherent and spontaneous forces instead of parasitically sucking their vitality from a Yankey Metropolis. -Nice Boarding House The McDonald House on McDonald street is the place to get nice Board and Lodging at living rates. "It Saved My Life"

Is a common expression, heard from those who have realized by personal use, the curative powers of Ayer's Cherry Pectoral. "I cannot say enough in praise of Ayer's Cherry Pectoral, believing as I do that, but for its use, I should long since have died from lung troubles. -E. Dragdon, Palestine, Tex. About six months ago I had a severe Hemorrhage of the Lungs, brought on by a distressing Cough, which deprived me of sleep and rest. I had used various cough balsams and expectorants, without obtaining relief. A friend advised me to try

Ayer's Cherry Pectoral. I did so, and am happy to say that it helped me as every other medicine. This medicine cured my cough, and I am satisfied, saved my life. -Mrs. E. Coburn, 18 Second St., Lowell, Mass.

I have used Ayer's Cherry Pectoral for over a year, and sincerely believe I should have been in my grave, had it not been for this medicine. It has cured me of a dangerous affection of the lungs, for which I had almost despaired of ever finding a remedy. -D. A. McMullen, Windsor, Province of Ontario.

Ayer's Cherry Pectoral saved my life. Two years ago I took a very severe cold which settled on my lungs. I consulted physicians, and took the remedies they prescribed, but failed to obtain relief until I began using Ayer's Cherry Pectoral. No Whiskey!

BROWN'S IRON BITTERS is one of the very few tonic medicines that are not composed mostly of alcohol or whiskey, thus becoming a fruitful source of intemperance by promoting a desire for rum.

BROWN'S IRON BITTERS is guaranteed to be a non-intoxicating stimulant, and it will, in nearly every case, take the place of all liquor, and at the same time absolutely kill the desire for whiskey and other intoxicating beverages.

Rev. G. W. Rice, editor of the American Christian Review, says of Brown's Iron Bitters: Clin. O., Nov. 16, 1881. Gents: -The foolish wasting of vital force in business, pleasure, and vicious indulgence of our people, makes your preparation a necessity; and if applied, will save hundreds who resort to saloons for temporary recuperation.

BROWN'S IRON BITTERS has been thoroughly tested for dyspepsia, indigestion, biliousness, weakness, debility, overwork, rheumatism, neuralgia, consumption, liver complaints, kidney troubles, &c., and it never fails to render speedy and permanent relief.
