The Hamilton Harp or Musical Gem is made of the best material, it s thirty inches high, fifteen inches wide, two and a half inches deep, stands erect on two feet, the steel wire strings run up and down on the inside; secured near the top with screw eyes by which it is set in tune. To each of these strings is fixed a wire key projeccts out in front. There are fifteen in number, making two octaves (three C's in the natural scale,) above these keys is fixed a board containg the shaped notes so when you tap a key
V. it gives you the sound of that note,
thus when Do Ra Me, just tap the We Propose to do thorough work key under these shaped notes and it will play Do Ra Me.

The Gem is of a beautiful cherry 20 students. A Literary society color trimmed in green and yellow, will be organized next term. Es weighs about seven pounds, makes Saddles, over Houston & Bro's ship and a Business department will be annexed.
