

LOCAL AND GENERAL.

Fayetteville is to have a tobacco factory. A cotton compress is to be built at Wilson. Burglars have been at work in Wilmington. The hockey-pokey ice cream man is on our streets. The building boom still continues in Greensboro. Concord now has only one prisoner in the county jail. The old Moravian Cemetery at Salem is being enlarged. Crop reports are flattering from all parts of the country. The Central Hotel at Charlotte is listed at \$50,000 for taxation. There are 11 orphans at the Thompson Orphanage, at Charlotte. We have been having some very pleasant showers during the past week. Dr. W. J. Jones, a prominent physician of Goldsboro, had a slight stroke. The Southern Tobacco Journal has been removed from this city to Danville, Va. A young man named Morrison was drowned near Mooresville on the 17th inst. Capt. C. B. Derson, of Raleigh, will deliver an address at the Mt. Holly Encampment. The Craftsman, organ of the Knights of Labor, has been moved from Charlotte to this city. Mrs. George M. Adams died Sunday morning at her residence in this city, at 7:30 o'clock. The laying off of the streets and lots on the extension of North Elm street has been completed. The Christian denomination will erect a church at Durham. The lot has been purchased. An infant of Mr. Wm. Harris, of the firm of Harris & Flippen, this city, died Monday morning. The King's Mountain Military School Capt. W. T. Bell, principal, is to be moved to Shelby. The Guilford County Teacher's Institute opened Monday with the largest attendance it has ever had. Mr. John A. Lockfaw, a young mechanic of Wilmington, has invented a new rice cleaning machine. The revenue receipts at the Winston office for the week ending Tuesday, July 19th, amounted to \$11,708.58. The attendance at the five white State Normal Schools now in operation is reported as larger than ever before. A negro boy employed by the shuttle-block factory of Messrs. Huff & Warner, at Concord, had his hand completely cut off. Grace Alexander, infant daughter of Mr. and Mrs. A. V. Lloyd, of South Greensboro, died Monday evening at 5 o'clock. Alexander Hall, a venerable negro fisherman, was found dead on a rock in the Pee Dee River, in Rockingham county. There are over 600 people at the Atlantic hotel, Morehead, the largest number of regular guests that fine hotel has ever had. The citizens of Beaufort have subscribed \$1,000 for building an assembly room for the Teacher's Assembly if its sessions are held there. Lightning struck the stable of T. E. Powell, near Rocky Mount the past week. Two horses and an ox were killed. The stables caught on fire, but the rain put it out. Charlotte is having trouble with her fire departments. Three companies have disbanded and turned their property over to the city and a volunteer service has been enrolled. Mrs. M. M. Snell, a leader in the W. C. T. U. of Mississippi, has been chosen editor of the Sword and Shield, published at Jackson, in place of Roderick D. Stambrell, lately assassinated. The editor is slowly improving, we are in hopes that he will be able to take charge of the paper in a week or so. We have had greater difficulties this week in getting out the paper than ever. The confidence sharpers are practicing their game in different parts of the State. Our people should be on their guard and give the men who are trying to practice their dodge on them a wide berth. The Durham Recorder gives the following inventory of that city: Five hundred cats, two hundred dogs, three hundred babies, water works, two street cars, electric lights, factories and stores innumerable. The contract for the building of the new Graded School house has been let to Mr. Thomas Woodroffe, at a bid of \$11,700. Mr. Woodroffe is to take the old building at a price named by three disinterested parties. Mr. S. S. Jackson who has been in the employ of Mr. J. L. Stone of Raleigh, the well known dealer in Musical Instruments and Sewing Machines, is no longer with him. Mr. Stone desires to notify all parties that Mr. Jackson is not authorized to transact any business whatsoever for him. Two negro women, Jane Black and Lina McNeely, were fined at the Mayor's court, Monday evening, \$22.15 for selling liquor without license. The offense was detected by policeman Weatherly. Mr. Weatherly deserves much credit for his detecting and bringing the offenders of the law to justice. The Prohibitionists of Iredell county will hold a public meeting at Statesville, Friday, Aug. 5th. Speeches will be made by Rev. B. L. Abernethy, D. D., President of Rutherford College, Rev. W. T. Walker, editor of the PROHIBITIONIST, and others. Owing to the sickness of Mr. Walker it is doubtful whether he can attend.

This case was detected by Policeman Lyon who is proving himself to be a splendid officer. Millinery. Mrs. C. C. Gorrell has a full line of ladies and childrens hats, gloves, Ruching &c. &c., and the ladies will find it to their interest to see her stock before purchasing elsewhere. New goods will be received every few days. An Electric storm At Charlotte. Tuesday evening the heated term at Charlotte was rudely vexed by a terrible electric storm. The lightning struck in scores of places and did great damage. It wrecked two buildings, each occupied by negroes, and perhaps fatally shocked a woman in each. It set another house on fire. People in the streets were stunned. Altogether more than twenty people were more or less hurt. The temperature fell in a few hours from 102 to 68. Worth Your Attention. Cut this out and mail it to ALLEN & Co., Augusta Maine, who will send you free, something new, that just coins money for all workers. As wonderful as the electric light, as genuine as pure gold, it will prove of lifelong value and importance to you. Both sexes, all ages. ALLEN & Co., bear expense of starting you in business. It will bring you in more cash, right away than anything else in the world. Anyone anywhere can do the work, and live at home also. A railroad meeting was held a few days since at Madison, Rockingham county for the important purpose of raising money to build the Madison branch of the C. F. & Y. V. R. R. from Madison to Stokesdale, Stokes county. Huntsville and New Bethel were represented by persons who subscribed about four thousand dollars to the capital stock of the C. F. & Y. V. Railroad. A committee was appointed to raise the remaining amount necessary in Greensboro, and report raised without difficulty, to the very dollar. The distance is only eleven miles and the branch, if built will prove an excellent feeder to the Cape Fear & Y. V. Railroad—Winston Republican. REGULATIONS FOR THE CITY POLICE. This History is upon an entirely new and original plan, which makes it indispensable to every person, no matter how young or old, who wishes to know the history of our country. It is arranged chronologically by years, from 1482 to 1887. Every event is narrated in the order of its date. These are not confined, as in other works, to political events, but embrace every branch of human action. It describes under its proper date all important events; all discoveries in science and the use of art; the digging of canals and the building of railroads and telegraph lines, the founding of towns, and the erection of notable buildings and bridges; the first performances of plays and the first appearances of actors and actresses; the first appearances of nations, dynasties, epidemics, accidents and disasters on sea and land; revolutions and business failures; "corners" and "monopolies" in all markets; labor troubles, strikes and lockouts; hundreds of other matters never mentioned by any other history. Besides being a history in the ordinary sense, it is a condensed newspaper file for our hundred years. With the gift of the above History the North Carolina Prohibitionists and the weekly News & Work Week will be mailed to any subscriber for \$2 for one year.
