Township Meetings.

The People's party meetings at various parts of the county Saturday to select delegates to its county convention next Saturday was well attended in some places in others not.

Whether this shows a falling off of populist sentiment, the ignorance of the place of meeting or a preference of farmers to plant corn at this most propitious season instead of politics, we leave to the wiseacres.

At Farmville the meeting was largely attended. A club of 40 being organized. All members present appointed delegates.

At Greenville about 40 members were present. The following were elected Executive committee for two years: A. A. Forbes, chairman, W. M. King, W. T. Godwin, W. H. Allen, S. H. Spain, J. A. Thigpen,

The delegates elected were W. H. Harrington, Henry Brown, Louis Allen, W. J. Fleming, J. B. McGowan, W. H. Allen, J. F. Boyd, Elinu Briley, Wm. Norcott, col., and Louis S. Forbes, col.

A. A. Forbes was chairman and L. F. Evans secretary.

The meeting at Stokes was very small only six being present.

E. R. Bullock after the business was transacted was called upon for a speech. He responded by giving democrats, populists, republicans and prohibitionists hail columbia to the consternation of some and the amusement of others.

At Falkland quite a full meeting was had.

Sheriff Tucker reports that he and Louis White held the meeting at Black Jack.

The meeting at Bethel and Belvoir was well attended. We did not get reports from the other townships. A large attendance is expected here Saturday.

We would be glad to have reports from all meetings and hope in future they will be sent in. People's Party Republicans and Democrats.
