The joint closing exercises of Prof Ragdale's and Mrs. Bernard's schools were held at the Academy lawn Friday night, there being an ice cream supper and other delightful past-times to while away the hours. It was a great success and most pleasant affair.

Mr. Ben Sheppard was telling of a lady, in Greene county, who last week found 4 of her turkeys dead. She picked all the feathers off them thinking to save that much, and had them carried to the woods. That evening she was astonished to see 4 featherless turkeys in the yard gobbling for grub. It was found that the turkeys had overturned a jar of brandy cherries that morning and had got dead drunk on them, and so lost their feathers and were lucky to save their necks.

Mr. John W. Crisp desires us to express his great thanks to those who so kindly aided him Monday to have an operation performed on the cancer that pained him so much. To W. H. Harrington he is especially grateful. He left Monday for Sevon Springs.

The Editor who for several days has been quite sick, managed to get on board the cars Tuesday morning for Morganton to the Press Convention. Unless he improves greatly, he will spend some time with his sister, in the mountains. He would greatly appreciate all reports of local news items by postal or at the INDEX office.

A young man in Greenville who had had a tiff with his sweetheart living in another town, to test her real sentiment got a friend to write her that he was dangerously sick. The answer came, "If he is suffering very much, I am sorry, if he is dead by this time, I cannot help it." He has quit playing sick and has looked up another dulcinea.

Mr. J. M. Blow and James Joyner are authorized to give receipts for subscriptions to the INDEX.

Our friends will accommodate us very much by paying what they can when they come to town. The office is very convenient, especially Saturdays. We hope to see a mountain of halves and quarters awaiting our return from the everlasting mountains.

Their was a destructive hail in a small part of the Farmville section and Greene county Wednesday. W. G. Lang was damaged a little, David Edwards considerably and Moses Turnage some. In Greene county, John Sullivan and Macon Dail are cutting down their tobacco so badly was it damaged. Tobacco was damaged most, and some completely ruined.

We thought to have something to say in regard to the scandalous political lies manufactured by a dead dog in Greenville and given currency by men who would have been above such had they not been ignorant of the real character of the liar. We have received so much encouragement and comfort, we are satisfied to let the future show our faith by our work.

The closing exercises of Miss Coghill's music school were held in the Opera House, Tuesday night. Want of space prevents merited mention of the participants. At the close Mr F C Harding, on behalf of the pupils presented her a handsome present as a testimonial of their esteem and appreciation. Miss Coghill returns to her home with the best wishes of her host of friends here, who regret that her anticipated new departure will necessitate her continued absence.

GREENVILLE, N. C., June 12, '94.

The Executive Committee of the Pitt county Confederate Veterans will meet in the Court House, on Saturday, June 23rd for the purpose of calling a meeting of the Pitt Co. Confederate Veterans. The committee is composed of Henry Harding, Chairman, H. A. Blow, E. A. Moye, W. W. Tacker, Henry Harris, B. F. Sugg, John Pearce.

E. A. Moye, Secretary. Henry Harding, Chairman.

Ayden is destined to be an important town. Situated in the heart of a fine farming community, in the midst of a well-to-do, intelligent people. There is a bright future before it. A new Rail Road will soon have its terminus there, to be built from Vanceboro via Haddocks X Roads to Ayden, where a large mill plant will be put down.

This road will be a regular narrow gauge road and will help wonderfully to develop the section through which it passes and add greatly to Ayden's prosperity.

Marriages for June.

WHITE.—J. S. Porter to Susan Walker, Thomas M. Flynn to Josephine Moye, J. R. Cory to Priscilla Allen.

COLORED.—Rufus Little and Anna Page, William Pitt to Laura Randall, Fred Hardison to Anna Cumming, David Blount to Mariah Blount, Robert Outley to Ida Albritton, Alex Selby to Lizzie Hardee, Geo. Bexton to Lizzie Willis, Sol Edwards to Lizzie Knight, Henry Nobles to Ella Turnage.

We are glad to learn from Mr. B. F. Sugg that while in Raleigh at the laying of the corner stone of the Confederate Monument, the 22nd of May, he succeeded in getting the Bryan Grimes Camp of Pitt county Confederate Veterans entered, as a member of the State Association of which Mr Sugg is President and Mr. E. A. Moye, Secretary. Mr. Sugg has been working hard for the last three years to get up interest, so as to bring this very important matter before the people. He tells us there are 350 members enrolled on the county association roll.

In an interview with Colonel E. D. Hall, who is commander of the State Association, he says it costs each veteran ten cents to become a member of the county association. There will be a meeting of the county association soon to arrange for the enrollment of veterans under the recent adopted rules for the government of the county and State Association. Every old Vet is earnestly requested to bestir himself to make the meeting one of interest to the association.
