SHUTTING DOWN.

We hear that nearly all the large lumber mills in the east are shutting down. The drop in prices of lumber is the cause and lots of hands are being thrown out of employment. It is said to be very hard on many hands with families to support, as they can't get other work just now.

DOES IT PAY TO BUY CHEAP.

A Cheap remedy for coughs and colds is all right, but you want some thing that will cure the more severe and dangerous results of throat and lung troubles. What shall you do? Go to a warmer and more regular climate? Yes, if possible; if not possible for you, then in either case take the only remedy that has been introduced in all civilized countries with success in severe throat and lung troubles, "Boschee's German Syrup." It not only heals and stimulates the tissues to destroy the germ disease, but allays inflammation causes easy expectoration gives a good night's rest, and cures the patient. Try one bottle. Recommended many years by all druggists in the world. For sale by J. L. Wooten

PECULIAR ACCIDENTS.

A distracting accident occurred at Faison Monday morning. Mr. Emmet Herring, while shooting a mad dog in the street accidentally shot a twelve-year-old boy and he may die. The ball passed through the dog and glancing off its course, struck the boy in the right breast.

We learn that Mr. John Stanly stepped on a live rattlesnake near Tull's mill, Trent township, last Friday. Mr. Stanly jumped off the snake before he was bitten. The snake was killed and found to have sixteen rattles and was nearly six feet long.—Kinston Free Press.

ROBBERY.

Tuesday morning when the clerk for W. J. Manning & Co., at the Cross roads over the river, went to open the store he found the store had been entered the night before. The side door had been broken open. Nothing much was taken. It is reported a strange negro asked the clerk the evening before about who slept in the store. There is no other clue.
