

WICK A DOG

With a dog and he bites you. He bites you and you kick him. The more you kick the more he bites and the more he bites the more you kick. Each makes the other worse.

A thin body makes thin blood. Thin blood makes a thin body. Each makes the other worse. If there is going to be a change the help must come from outside.

Scott's Emulsion is the right help. It breaks up such a combination. It sets the stomach right. Then it enriches the blood. That strengthens the body and it begins to grow new flesh.

A strong body makes rich blood and rich blood makes a strong body. Each makes the other better. This is the way Scott's Emulsion puts the thin body on its feet. Now it can get along by itself. No need of medicine.

This picture represents the Trade Mark of Scott's Emulsion and is on the wrapper of every bottle. Send for free sample. SCOTT & BOWNE, 409 Pearl St., New York. 50c. and \$1. all druggists.

SAVED AT GRAVE'S BRINK.

"I know I would have long ago have been in my grave," writes Mrs. S. H. Newsom, of Decatur, Ala., "if it had not been for Electric Bitters. For three years I suffered untold agony from the worst forms of indigestion, Waterbrash, Stomach and Bowel Dyspepsia. But this excellent medicine did me a world of good. Since using it I can eat heartily and have gained 35 pounds." For Indigestion, Loss of Appetite, Stomach, Liver and Kidney troubles Electric Bitters are a positive, guaranteed cure. Only 50c at J. L. Wooten's drug store.

Smallpox is raging in several points in the State. At Moore'sville, in Forsyth county there are now 20 well developed cases. No effort should be spared to prevent a spread of this loathsome contagion and some activity is necessary as the cooler weather is a dangerous condition to contend with.

A GOOD COUGH MEDICINE.

(From the Gazette, Toowoomba, Australia.)

I find Chamberlain's Cough Remedy is an excellent medicine. I have been suffering from a severe cough for the last two months, and it has effected a cure. I have great pleasure. — W. C. Wockner. This is the opinion of one of our oldest and most respected residents, and has been voluntarily given in good faith that others may try the remedy and be benefited, as was Mr. Wockner. This remedy is sold by J. L. Wooten

Communications, news or topical matters are solicited but the WEEKLY'S columns are closed to youthful and bombastic effusions.

Obituaries, angelic and transporting must come from friends or relatives and not exceed ten lines to be inserted gratis

Advertisements in these expressions of the Weekly are earnestly requested to kick vigorously and often.

All entertainments for reveaux are expected to contribute liberally for notices wanted.

The editor writes the editorials and is not responsible for expressions by correspondents.

To avoid risk, subscribers should remit by money order or registered letter. Deadbeats and pauper advertising offers should always include postal for rejection.

Anonymous publication constitutes waste basket material.

Advertising rates furnished on application.

A. J. Snell wanted to attend a party, but was afraid to do so on account of pains in his stomach, which he feared would grow worse. He says, "I was telling my troubles to a lady friend, who said: 'Chamberlain's Colic, Cholera and Diarrhoea Remedy will put you in condition for the party.' I bought a bottle and take pleasure in stating that two doses cured me and enabled me to have a good time at the party." Mr. Snell is a resident of Summer Hill, N. Y. This remedy is for sale by J. L. Wooten.

GONE DRY?

Vanceboro has passed an ordinance that it be a violation of the town law, for any steam boat, or mail carrier, or any other transportation company, to bring a d deliver any spirits or fermented liquor into the city, all the commissioners voting for same, which went into effect from and after its ratification.

The Commissioners had a time of it too. The New Bern Journal correspondent said:

"After all other business was finished Messrs. J. R. M. and B. P. Warren presented an application for license to retail liquor in town, then came the fun, everybody got up to speak at once, some were talking as loud as possible, others praying and crying, some behind the door taking a drink and most all there were some wishing they had something to drink. We expected to see someone get their faces slapped by the ladies but they were afraid to start anything for fear the commissioners might pass a law for them to work the public roads, as they are trying to get into other public business".
