### OUR AIM AND PURPOSE.

It is, has been, and will continue to be, the aim of this store to serve its public fair and faithfully. No time is a better time than now to emphasize the straightforwardness of our policy. The merchandising methods of a quarter of a century ago has been totally revolutionized. The "Sand in the Sugar" shrewdness of the old time shop keeping would be stamped as roguery by the intelligence of today. Much outfitting money is being spent these days. Good thing to know where you can spend it with confidence and safety. Just at this season of the year we can stretch your dollars. We will soon be making purchases for fall and our policy is, NEVER CARRY OVER, and now our greatest aim is to close out all summer goods. Every department has suffered the severest cuts. Below we give you a few prices by which you may judge all.

### WEEKLY FASHION HINTS.

#### NEW FEATURES IN TAYLOR-MADE GOWNS.

The material for this handsome street costume is a fancy suiting, but it will also be quite chic if developed of smooth finished cloth. Some of the newest features in tailor-mades, the basque or skirt as well as the broad shoulder effect are com-

lined in this smart gown. The long rolling collar and the straps over the shoulder and around the bottom of the skirt are of moire. The revers and the extension vest are of white moire stitched with several rows of Coccicelli silk; small buttons are set down the center of the vest as well as on the fronts, and clusters of buttons are placed on the shoulder straps and sleeves. The latter are quite novel, the fitted undersleeves flaring at the bottom. The skirt is laid in wide tucks and spreads out into a very full flare at the hem.

As the season advances the preference for mixed and fancy suitings becomes more and more distinct and it seems almost as if the latter would in a very short time be used entirely instead of the smooth-finished cloths; although the cloth is by far the most dressy in appearance. It is of more compact and closer weave than the mixed suitings and homespun, which together with Scotch tweed and covert cloth are in the lead at present.

### SCHOOL ELECTIONS.

Petitions from Bethel and Farmville were before the county commissioners Monday asking for elections for schools. They want to vote on the question of taxation for high grade public or graded schools.

Bethel has consolidated three townships and nearly one half the free holders asked for the election.

All of Farmville township joined in asking for the election, more than the necessary one-fourth of the free holders signed the petition.

Good Neighbors. Vote it quickly and largely. It is the right thing to do.

### PLEASE

REMEMBER your name must be published to your communication, recommending your man for office. Cash or two cent stamps, at the rate of one half a cent a word, must come with it or it will not be published at all.

### TO THE PUBLIC.

I announce myself a candidate for the office of Register of Deeds of Pitt county, subject to the Democratic convention. J. C. Lanier.

### TO THE DEMOCRATIC VOTERS OF PITT COUNTY.

I take this method of announcing my candidacy for the nomination for Register of Deeds of Pitt county subject of course to the action of the County Convention when it meets. I have been a voter since 1871 and have always tried to do my whole duty as a good and loyal democrat and if nominated and elected I will try to perform the duties of the office to the utmost of my ability.

Thanking my friends in advance for their support and awaiting the action of the Convention, I am for the best interest of the democratic party. Very truly

JESSE L. LUGG.

### TO THE DEMOCRATIC PARTY OF PITT COUNTY.

"There is a tear for all who die. A moan over the humblest grave. But nations swell the funeral cry, and triumph weeps above the grave."

Is the language of one of the best poets that ever drank from poesies full stream. How fitly too might it apply to him who escaped death in his countries cause, but not his limb. That old confederate veteran now calls upon the Democratic party of Pitt county to honor him with the nomination for Register of Deeds of Pitt county, feeling that every able-bodied aspirant will willingly waive his cause and say nominate the old hero by acclamation.

D. H. JAMES.
