WANTED.

We would like to ask, through the columns of your paper, if there is any person who has used Green's August Flower for the cure of Indigestion, Dyspepsia, and Liver troubles that has not been cured—and we also mean their results, such as sour stomach, fermentation of food, habitual costiveness, nervous dyspepsia, headaches, despondent feelings, sleeplessness—in fact, any trouble connected with the stomach or liver? This medicine has been sold for many years in all civilized countries, and we wish to correspond with you and send you one of our books free of cost. If you never tried August Flower, try one bottle first. We have never known of its failing. If so something more serious is the matter with you. Ask your oldest druggist.

G. Cox, of Winterville. W J Little of Falkland got one vote of the three for second prize.

Several very valuable and interesting papers were read and ably discoursed.

There was a large attendance and much interest manifested.

A WIDOWED BRIDE.

John McCormick Gibson died at the Battery Park hotel Asheville at 11 o'clock, Saturday. Gibson went to Asheville three or four months ago in an effort to stay the advance of consumption. Going to the Winyah Sanatorium and later to the Battery Park. Last Saturday night he was married to Miss Henrietta Wolfe, as he thought on his death bed. Almost immediately after the marriage Gibson showed signs of improvement, growing stronger every day until last night, when a change for the worse took place and he breathed his last shortly before noon. The bride of one week is given by Gibson's will, it is said upon good authority, property valued at over \$1,000,000.

OYSTER HOUSE.

Not a boat but a house, at the boat landing in Greenville. You can get good oysters anytime in the day, every day, just from the oyster beds.

L. T. McGowan has two good boats running direct to and from the oyster beds and stowing oysters in his oyster house at the Greenville boat landing, so farmers, restaurants and everybody can get fresh oysters every day, at his house, in the shell or open. Come and see the new industry and get your oysters cheap.

THE BEST REMEDY FOR CROUP.

This is the season when the woman who knows the best remedies for croup is in demand in every neighborhood. One of the most terrible things in the world is to be awakened in the middle of the night by a whoop from one of the children. The croup remedies are almost as sure to be lost, in case of croup, as a revolver is sure to be lost in case of burglars. There used to be an old-fashioned remedy for croup, known as hive syrup and tolu, but some modern mothers say that Chamberlain's Cough Remedy is better, and does not cost so much. It causes the patient to "throw up the phlegm" quicker, and gives relief in a shorter time. Give this remedy as soon as the croupy cough appears and it will prevent the attack. It never fails and is pleasant and safe to take. For sale by Jno. Wooten Drug Store.
