NEWS OF THE TAR HEEL STATE.

Tarboro sold yesterday 50,000 pounds of tobacco.

Keeper Burns was acquitted of the charge of assault with deadly weapon.

Mr. Yezoze, of Yokohama, will come to this country to attend the A. and M. college.

Race purses will be given at the Rocky Mount fair aggregating \$4000 this year.

The building will be a handsome one and the sanitarium will be conducted on high principles.—Salisbury Sun.

The Superintendent of Public Instruction is in favor of requiring that every voter shall be able to at least read and write.

Drs. Whitehead and Long are at work today getting up the plans for their proposed sanitarium to be conducted in this city.

M. H. H. Caldwell, chairman of the Populist executive committee of Curabus county, gives out that the Populists won't fuse with the Republicans any more.

John Laws, of Hillsboro, is now serving his twenty-third term as register of deeds in Orange county. His father was clerk of the court for forty years and his son treasurer for twelve years.

Frank Scott, a colored driver of Raleigh, drove two deputy collectors out to New Light township, in Franklin county, and while the men were gone the moonshiners held up the driver, looted the carriage and made the negro drive back to Raleigh and leave the raiders to walk.

The "Lynchites," or Sanctified band, seem to have settled down at Southport. Lynch himself and three families are in one two-roomed cottage. The rooms are small, but it is just the sort of promiscuous living to which it is charged this much-condemned sect has been accustomed.

Mr. George Sigmon, of Catawba county, were informed, last week refused an offer of \$1,000 for 1,000 bushels of wheat. Mr. Sigmon refused the offer because he could not spare the time from his fall plowing to haul the wheat. He is said to have 3,000 bushels on hand.—Lincolnton Journal.

The State Superintendent of Public Instruction says that last February he was informed that in one county where one negro child was unable to read and write, two or three white children were unable to do so. He was asked what was the county, but declined to say. He said this was the cause of his writing the letter urging that ability to read and write be a prerequisite of citizenship.

A special to the News and Observer says: The barn of Hon. Thomas M. Cheek, of Orange county, near Mebane, was destroyed by fire last night. The fire was discovered by the family at 8 o'clock, and by 9 o'clock the building was consumed. All the horses were saved but one, by the sons of Mr. Cheek, who took the animals out while the building was falling in. Nothing else was saved. Loss probably \$1000 to \$1200.

Otho Wilson says he told the Treasurer that having no means of his own he could not go to Wilmington next week to the hearing before Judge Simonton of the injunction case of the Western Union Telegraph Company against the 15 cents rate on messages. The State Treasurer refuses to pay his expenses. Otho says he doesn't want the impression to go out that he will not do the State's business. He may be able to borrow the money necessary. If so, he will go. It is probable that he will go.

Reflections of a Bachelor.

An engaged girl may feel awfully sure of everything, but she doesn't eat many onions till after she gets married.

After a girl has once decided that she won't have a man if he asks her, she will never forgive him for not asking her.

No man ever respected a girl much till he made her lose her temper.

When a rich girl's hair looks like streaked molasses candy, it is said to be of the color of spun gold.

Down at the bottom of every woman's prayer is a reminder to the Lord that he knows she has to put up with so much from her husband.

Hens had teeth till they took to eating gravel, so they could crow like roosters did.—N. Y. Press.

The True Remedy.

W. M. Repine, editor Tiskilwa, Ill., "Chief," says: "We won't keep house without Dr. King's New Discovery for Consumption, coughs and colds. Experimented with many others, but never got the true remedy until we used Dr. King's New Discovery. No other remedy can take its place in our home as in it we have a certain and sure cure for coughs, colds, whooping cough, etc." It is idle to experiment with other remedies, even if they are urged on you as just as good as Dr. King's New Discovery. They are not as good, because this remedy has a record of cures and besides is guaranteed. It never fails to satisfy. Trial bottles free at C. E. Holton's drug store.

Will Expel Jose Ventre.

WASHINGTON, D. C., Sept. 29.—It is probable that Jose Ventre, the anarchist recently expelled from France, will be sent back to that country by the Mexican authorities. Every effort to get Ventre into the United States so far has failed, and it is believed that the Mexican officials will no longer tolerate Ventre's presence in that country.
