HOT TIME IN OLD VIENNA

Students Following the Example of the Reichsrath

CLOSED THE LECTURE ROOMS

And Ran Off the Professors—All Because They Want to Wear German Badges.

By Cable to THE TELEGRAM. Vienna, Feb. 3.—Hundreds of students invaded the lecture rooms of the University of Vienna this morning and indulged in riotous demonstrations against the ordinance which forbids German students to wear badges at Prague. The rioters prevented the classes from pursuing their studies and compelled the professors to withdraw from the room. The polytechnic is closed for the week.

Had Never Changed Hands.

Two shares of stock in the North Carolina Railroad, issued August 4th, 1854, to James N. Millis, of this county, were today purchased by Mr. James H. Pou, of Raleigh, at \$1.20. This stock had never changed hands, and Mr. Pou showed a Telegram man the first and original certificates for these two shares, which have just come into his possession.

Mr. Pou's wife is a grand daughter of Mr. James N. Millis, to whom the certificate was issued. The estate of the old gentleman is just being wound up, and Mr. Pou being struck with the fact that this stock had remained in the same family since it was originally issued, purchased it just to keep it in the family.

It's Now Postmaster Glenn.

The Greensboro postoffice was formally turned over to the new postmaster, Tyre Glenn, this afternoon. The retiring postmaster, James W. Forbis, goes out with the knowledge that his administration has been acceptable.

He turns over the office to Mr. Glenn in good condition, and we hope that under his administration, the people will have no more cause for complaint than under that of the retiring postmaster. Mr. Forbis goes out with the praise of the community as having made an efficient, courteous and accommodating official. Mr. Glenn has the esteem of the people generally, and will make an acceptable postmaster.

The Band Concert.

The Veteran Corps Band and Orchestra, of Baltimore City, will arrive here from Wilmington tomorrow evening and this splendid company of 30 people, will give the people a chance to hear one of the most famous and popular music attraction in the United States. They delight the people wherever they go with their clean and popular music. If you fail to see Miss Daisy Ogden, the child cornetist that takes the people by storm wherever she goes, you will regret it when it is too late. The price is 25, 50 and 75cts. Tickets at Gardner's drugstore.

North Carolina Banks.

Col. Olds writes the Observer: The state treasurer this afternoon issued a bank report for North Carolina, covering 40 states, 16 private and 6 savings banks. It shows \$2,564,000 capital paid in, \$361,000 surplus, \$335,000 undivided profits, \$8,788,000 deposits subject to check, \$4,639,000 losses.

The treasurer also makes a report of the state debt, showing that it is \$3,366,000 in 4 per cents. and \$2,730,000 in 6 per cents.

Literature in the West.

Our valued contemporary, the Minneapolis Tribune, which attributes "Don Quixote" to Scott, continues its original and fascinating researches. It has discovered "Letitia Elizabeth London," "Mary Russell Melford," "William and Mary Howell," "Macaulay" and the "Hon. Mrs. Newton. We await with pleasant anticipations the discovery of Olivia Wendell Sherlock, Mary J. Holmes and Robert Byrnes.—N. Y. Sun.

Skaters Out.

All day parties of skaters have been making use of the brief opportunity for skating. The lake out at the water works was the scene of their festivities and the skating was reported to be excellent.

It is said that about 18,000 bunches of bananas are consumed in the United States annually. Now if some one would only figure out the number of coal holes in the sidewalks of the country.

NOTES FROM HIGH POINT.

The Local News from Our Neighbor Briefly Told.

TELEGRAM BUREAU, HIGH POINT, N. C., Feb. 3, '98.

The library of the Graded school is by no means dominant. It is active, it is growing; active in that a great number of books are being read by the students and their silently influencing their lives as well as storing away information; growing, in that occasionally donations are received. Twenty-seven volumes were added last week, a number of them were pedagogical books, thus making it a valuable contribution.

About the first of March some of the higher grades of the school will give a play in the opera-house for the benefit of the library. It is hoped that everybody will be interested in the exercises and help to make it a success. In the meantime any books or money will be gladly received.

The third grade class room of the Graded school has been adorned with pictures of Washington, Franklin, Penn and several landscape views. Miss Nettie Matton, the competent teacher, together with the scholars have taken great pride in beautifying the room.

Manager Hoffman of the telephone exchange is distributing handsome calendars today. Mr. Hoffman says that the work will commence on the telephone line between High Point and Greensboro as soon as the weather permits.

Messrs. D. N. Welborn and E. O. McMakin are visitors in the City of Flowers today.

A large crowd went out skating yesterday. Cy Wheeler and Marvin Jordap had the misfortune to break through.

A new coach has been added to the Asheboro road for the comfort of the traveling public.

Chief Bennett has sold out his beef market to Henry Bundy.

Walter Willey a former resident of High Point but now of Marion is here for a few days visit.

CAME BACK FROM HOOSIERDOM.

REV. JOHNSON DELIVERS AN ELOQUENT ADDRESS AT WINSTON

Pythians Will Celebrate—Filling Ice Houses.—Going to Indiana to Live Ice Three Inches Thick.

Special to THE TELEGRAM.

Winston, N. C., February 3.—The Christian Endeavorers celebrated the 17th anniversary of the National Union last night, at Calvary Chapel.

The celebration was most interesting. Rev. T. M. Johnson, of Greensboro, delivered the address, an exceedingly fine effort receiving close attention, and great appreciation from the audience of members and friends in attendance upon the meeting.

The Salem Lodge No. 56, and Damon Lodge No. 41, of the Knights of Pythias are making preliminary preparations to celebrate with the 19th anniversary of the order, on February 19. An interesting programme is being arranged.

Ice houses are being filled here with very fine ice, on account of the cold weather.

Two families and twenty-three children arrived here last night from Indianapolis, returning to Davie county. They left here six months ago with the intention of making Indiana their home. For some reason they returned to the Old North state, presumably because its the "Onest" state in the Union.

W. H. Morgan and wife left here this morning to make their home in Union City, Ind.

Captain Hawkins says all up the road they are digging holes in the ground and piling in ice three inches thick, and clear as crystal.

"A Bachelor's Wife."

Tonight the Lillian Tucker Co. will give you one of the most laudable comedies ever seen on a Greensboro stage—"A Bachelor's Wife." It is fun from start to finish, for all classes and for all ages. Don't fail to go to the Academy tonight. Remember it is the last chance until Saturday to see this splendid company, and the prices are only 10, 20 and 30 cents.

GIRL TORTURED BY ROBBERS

To-Make Her Reveal Hiding Place of Her Valuables.

TWELVE INJURED IN A WRECK.

The Striking Mill Operatives are Given Employment Undoing The Work of the Blizzard.

By Wire to THE TELEGRAM.

Delaware, O., Feb. 3.—Miss Nancy Fix is suffering from the brutal treatment to which she was subjected last night, at the hands of robbers who tortured her to make her reveal the hiding place of her valuables. She is wealthy. The robbers bound and gagged her. Unable to stand the torture, she disclosed the hiding place of her money and checks. The robbers secured \$900 in-certificates and checks, and \$300 in cash. She may not recover.

STRIKERS SHOVEL SNOW.

By Wire to THE TELEGRAM.

New Bedford, Mass., Feb. 3.—The strikers were more happy than was expected as the result of the blizzard. Most of them were given employment removing the snow from the streets, and repairing the damage done by the storm. They get fair wages for the work.

A RAILWAY SMASH.

By Wire to THE TELEGRAM.

A railway smash occurred on the Boston and Maine railroad, at Winter Hill this morning. Twelve persons were injured, one of whom will die.

BIG MONEY.

Eleven Thousand and Four Hundred Dollars in Purses.

The Newbern, Washington, Greenville and Rocky Mount Fair Associations have arranged a circuit of four weeks racing and offer the large sum of eleven thousand and four hundred dollars in purses.

The classes range from four minutes to a free for all and the purses range from \$100 to \$500 each. The races of this circuit commence at Newbern on March 1st; Washington March 9th; Greenville March 18th and Rocky Mount March 23rd. There will be four days racing at each place. The entries for the first two races close on Feb. 12th and the last two on March 1st.

Mr. George Green is the Secretary of the Newbern Fair and Mr. R. L. Davis, of Washington, acts for the other three places.—Washington, N. C. Progress.

Another Bad \$100 Bill.

J. C. Agens, expert-money counter at the Sub-Treasury, discovered another of the counterfeit \$100 silver certificates yesterday in a lot of currency received from the Garfield National Bank. The bill was an excellent specimen, and the important feature about it was that its numbering showed that a change has been made by the counterfeiter. In those of the counterfeits that had come to hand earlier the numbering began with "345" or "346." In the latest case it begins with "323." This is the fourth of the counterfeits to reach the Sub-Treasury in the course of ordinary business.

Butler's Fight on Ewart.

The Washington correspondent writes the Charlotte Observer: Senator Butler is quoted today as saying that he will appear before the Senate judiciary committee next Monday and make a personal fight against Judge Ewart. He declines to say what objections he will make, or what will be the line of his opposition. Speaking of the matter tonight, Judge Ewart said he was not in the least disturbed by Mr. Butler's opposition, and that he will be ready to meet it in whatever form it might appear.

We Will Talk to Winston.

The Winston Journal says: Mr. Miller also said that the Bell company had made preparations to begin work at an early date on their proposed line from Winston to Greensboro. The Danville exchange of the Bell company is now in connection with Reidsville and Wentworth and a line will be built from Wentworth to Madison which will connect with the two great tobacco markets of the world.

A BUN SHOW.

Robin Hood, Jr., the Worst Since "Fore de War."

Why the absurdity presented at the opera house last night should be called "Robin Hood, Jr.," is a problem. It might just as well have been called "Wang," "Mikado," "Pinafore" or any other name that could not be associated with it at all. There wasn't the most remote connection between Robin Hood—the pretty little opera—and the wretched hotch-potch that disgraced the boards last night. The only feature of the whole business to be admired was the immense amount of nerve the management and players had to come before a civilized community with such a show.

"Modern Beauty Show!"—that's a joke. The whole thing was rotten from first to last. It was flat, stale and unprofitable. Not unfrequently were the "bright (?) sallies," the "clever (?) burlesque," the "side-splitting hilarity" (?) "well-voiced" (?) artists (?) met with hisses.

At the end of the first act every lady in the house left. It was a show for men only, but even they did not enjoy it.

Everybody was on a big disgust at first, but seeing that all were in the same boat, they began to treat the matter as a huge joke, and general abandon prevailed in the theatre after the ladies left. The women talked over the footlights to the men in the audience; played baseball with one or two and generally exceeded anything that has been seen here lately.

If the company would play to a free house tonight, it couldn't get a corporal's guard, except, possibly, of gallery gods. But even they were on a disgust last night.

The worst calamity that could befall the town would be for such an aggregation to get stranded here. Tell them that Charlotte has the smallpox, elephants' itch—anything to get them out of town, quick.—Charlotte Observer.

THE INVESTIGATION FARCE.

FRIENDS OF SENATOR HANNA WILL NOW TAKE A HAND.

List of Witnesses Made Out and Leaders of the Opposition Will Be Summoned to Appear.

By Wire to THE TELEGRAM.

Columbus, O. Feb. 3.—The Senate committee investigating the alleged charges of attempted bribery in the recent Senatorial contest held a short session last night and examined John D. Taylor of this city. The testimony was unimportant. The friends of Senator Hanna are considering the matter of taking a hand in the investigation and may subpoena some witnesses including the leaders of the anti-Hanna movement and others who may have information that it is desired to bring out.

The list of possible witnesses is said to have been prepared. There will be no further meeting of the committee this week.

Another Friendly Call.

The secretary of the navy has selected another warship to make a "friendly visit" to Cuba. This is the cruiser Montgomery, now at Key West. Under recent orders from the department she will start tomorrow on a cruise in Cuban waters, stopping first at Matanzas, on the north coast of the island, near Havana, where she will remain a few days to exchange courtesies with the port officials, after which she will proceed around the east end of the island and visit the port of Santiago, on the southern coast of Cuba.—Washington Star.

Another World's Fair.

By Wire to THE TELEGRAM. Albany, N. Y., Feb. 3.—Senator McNulty introduced a bill today providing for a world's fair at New York in 1901. It provides for the issuance of municipal stock to the amount of \$2,000,000.

The Jury Completed.

By Wire to THE TELEGRAM. Wilkesbarre, Pa., Feb. 3.—The jury in the Martin case has been completed and the trial is going on in earnest today.

Senator Mills a Candidate.

By Wire to THE TELEGRAM. Houston, Tex., Feb. 3.—Senator Mills announces himself a candidate for re-election to the United States Senate.

GATHERING UP SQUADRONS.

Is England Preparing To Give Battle?

JAPS TO GO UP THE RIVER.

Murderer of the German (Sentinel at Kia Chou Executed Under Sentence of Chinese Court.

By Cable to THE TELEGRAM.

London, Feb. 3.—A dispatch from Shanghai says that the China Gazette asserts that Great Britain's Indian squadron has been ordered to be in readiness to reinforce her fleet in Chinese waters. The dispatch also says that if Russia hoists her flag over the forts at Port Arthur, England will host hers at Chusan. The Japanese fleet will ascend the Yang Tse Kiang river as soon as the river rises.

THE SENTRY AVENGED.

By Cable to THE TELEGRAM.

Berlin, Feb. 3.—It is announced here in a dispatch from Kiao Chou that the murderer of Schultz, the German Sentry who was killed while on duty at Tsimo, was executed after trial by a court.

The Anti-Scalping Bill.

By Wire to THE TELEGRAM.

Washington, Feb. 3.—The senate committee today favorably reported the anti-scalping bill.

More Accurate Service in Greensboro Than Baltimore

Mr. C. M. Vanstory had his little girl's eyes examined in Baltimore last year and went with the prescription to one of the largest and best-known optical houses there to have the glasses made up. FORTUNATELY one of the lenses got broken recently and was carried to the Greensboro Eye Specialist to be replaced. He saw at a glance that neither lens accorded with the prescription, and so changed them both. Mr. Vanstory sent the old lenses with an explanation to the oculist who had given the prescription and in reply received the following: DR. HARRY FRIEDENWALD, 122 MADISON AVE. Hours, 9 a. m. to 1 p. m. BALTIMORE, Jan 31st, '98.

DEAR SIR:—Yours of the 29th to hand. Dr. Johnson is Perfectly Right. The glasses you sent are not those ordered. I cannot understand how such a mistake occurred. Very truly yours, H. FRIEDENWALD.
