SHIFTS THE RESPONSIBILITY

Russell Scores The Pen Board About John R's Report

WAS PROMISED IT AUGUST 4TH.

His Letter to Chairman Dockery Says: "Your Report Should Have Been in Before This."

Governor Russell refuses to longer share the responsibility with the ex-superintendent of the penitentiary, John R. Smith, and the board of directors of the state prison for the delay and willful refusal to make public the report of the prison for the year 1897.

Governor Russell has written a letter to the chairman of the directors of the penitentiary, Mr. Claude Dockery, in which he shifts any responsibility and makes demand that the report be made in compliance with the law. This letter was mailed to Mr. Dockery August 2, 1898.

August 4th Mr. Dockery directed a reply to the Governor. In this letter Mr. Dockery stated that report was typewritten and that it would certainly be sent His Excellency "inside of two or three days."

The "two or three days" passed August 6, 1898, and still the Governor had not received the report. August 15th has passed, and still the report has not been made to the Governor and there is no assurance that it will be made soon. As Governor Russell says he has been "informed from time to time that the report would soon be in," and this is the only assurance that we have on the subject.

Here is a letter the Governor wrote Mr. Claude Dockery, chairman of the penitentiary board, on August 2, 1898:

"State of North Carolina, "Executive Department, "Raleigh August 2nd 1898. "Claudius Dockery, Esq., Chairman Board of Directors of the State's Prison, Raleigh, N. C.: "Dear Sir—Chapter 219, entitled 'An Act for the Government of the Penitentiary,' ratified the 3rd day of March, 1897, provides in Section 9—that the Board of Directors shall make an annual report to the Governor, showing the financial condition of the institution by inventory and also the condition and residence of the convicts together with other requirements stated in said section.

"No such report has been received in this office from your Board. I have been informed from time to time that the report would soon be in. It looks like time enough, or more, has passed. I can see how it might require a considerable time for the Board to prepare the report after it received the reports and inventories from the superintendent, and I understand that under former administrations the report has come in several months after the end of the fiscal year, but I must say it seems to me that your report ought to have been in before this. You will please inform me when it will be delivered to the governor's office.

Very truly yours, "D. L. Russell, "Governor." Mr. Dockery made the following reply, two days later, after he returned to Rockingham:

"Rockingham, N. C., Aug. 4, 98. "Dear Sir: "Your favor of the 2d inst. to hand. At the last meeting of the directors, a report showing the condition, etc., of the penitentiary, as prescribed by law, was made by ex-Superintendent Smith. It was examined by the board and the clerk was ordered to have it typewritten for transmission to your office. The report is now in the hands of the clerk and ought to be ready by this time. At any rate I am sure it will be received at your office inside of two or three days.

Very truly yours, "Claudius Dockery, "Chairman. "To Governor D. L. Russell, Raleigh, N. C." At the executive office yesterday Private Secretary Cade was asked if the report had been received by the governor. He replied it had not. Mr. Cade further admitted that he had no idea as to when the report would be received.

On August 7, John R. Smith came "to town" and announced to The Post with great flourish that the report would be furnished this paper that night. When night came John R. told the city editor of this paper to call next day and he would certainly have the mysterious document. The next day came, and John R., when asked for his report, sent the reporter to Logue Harris. Logue told the reporter to chase Claude Dockery, stat-

ing, stating that the avarice report was in the chairman's hands. Dockery denied this and referred the reporter to John R., who again referred the reporter to Logue, and thus the reporter made the grand circuit through these three distinguished citizens. It was a case of hide and seek, and so well was that report shuffled about that the Post never laid eyes on it. John R. admitted that some "additions" had to be made to the document. The report was kept back with an object. It is now being held back for a purpose. Doctors John R. Smith, Logue Harris and Claude Dockery are working on it. They know the people are demanding to see it. They know that it is no condition to go before a scrutinizing public. It has got to be doctored.

Governor Russell has stated that the prison property was not only squandered during John R. Smith's administration, but that stealing was actually carried on. In his annual report for '97 John R. is expected to account for the "squandering and stealing of property," which the governor charges. If the report, when made, is correct and not doctored, and does not show the stealing charged by the governor, then the latter has slandered Smith and should apologize to him.

The people are going to see John R. Smith's report or know the reason why. They are going to find out whether Governor Russell told the truth when he said the state's property was being squandered and stolen. Turn the light on Governor Russell appears to be anxious as any one else to see the report. He has started in to get it. It is in his power to compel its production.—Morning Post.

NOTES FROM HIGH POINT.

The Local News From Our Neighbor Briefly Told.

TELEGRAM BUREAU. HIGH POINT, N. C., Aug. 16, '98.

The reception tendered our visitors last night in the opera house was an exceedingly pleasant event. About 50 young people were present. Refreshments, games, "chin" and instrumental music, the latter by Professor Peterson's orchestra, were the main features.

The yearly meetings closed last night with a temperance lecture by William G. Hubbard.

C. A. Barbee's fine bird dog died yesterday of dumb rabies, a disease that is almost an epidemic among the canine family.

Harry Edwards was the most unlucky young man in town Sunday. He received some slight bruises in the face while talking to some young ladies. Harry fainted away.

R. K. Harris, of Hickory, who has been in the city for a week placing monuments over several graves in the cemetery, went down to Randleman yesterday to erect some monuments there.

City Engineer W. R. Richardson, of Greensboro, came up last night and returned this morning.

Miss Emma Malone, of Cleveland, O., who has been attending the yearly meeting, left night for Washington.

Mrs. A. V. Sapp and children went to Greensboro last night to visit relatives.

About a dozen people left this morning for Greensboro to join the excursion for Norfolk.

Mrs. R. J. Lindsay and Mr. and Mrs. H. E. Seago went on the excursion from Greensboro to Wilmington yesterday.

Miss Annie Armitage, the lady evangelist of the Friends church, left last night for Raleigh.

Miss Delia Fister, the missionary to India, left last night for Washington.

Wm. G. Hubbard, one of the prominent ministers of the Yearly Meeting, left this morning for Wilmington, Del., to attend the Yearly Meeting there.

Last week's Enterprise contained a short article headed "A Complaint, from one of the Board of Health," calling the attention of the board of aldermen to the importance of having the sanitary committee look after all water tanks and barrels under drips from houses, factories, etc. In connection with that, we beg to inform the sanitary officer that the croaking of a "natural born croaker" is often heard in the back lots above this office.

Whether he roosts on Johnson's board fence, the cross of St. Mary's church, or sits on the bank of a pool of water (as is generally the case) we don't know. The sanitary officer should get his force and run him down. Smoke "Sweet Violet," 5c each, 85 per hundred, \$50 per thousand, at Lindau's.

ONLY FIFTEEN MILLIONS

Required to Pay Off the Cuban Soldiers.

UNITED STATES TO PAY THE BILL.

The Result of a Secret Meeting Held Last Night Between American and Cuban Commanders.

By Cable THE TELEGRAM.

Santiago, Aug. 16.—A secret meeting was held last night between the commanding officers of the American army and Cuban leaders. The strictest secrecy is maintained. The meeting lasted nearly two hours. General Garcia was present and the information obtained is to the effect that the Cuban situation was thoroughly reviewed and a resolution made to dissolve the Cuban army; also that the United States should pay off the men. This will involve the expenditure of fifteen millions, but it is of the utmost importance to the islands whose wealth is entirely agricultural, to stop the raiding and burning by the insurgents.

MEMBERS OF COMMISSION.

Washington, Aug. 16.—A semi-official list, which was given out this morning, contains the following names for the peace commission: Cuban commission, Generals Wade and Butler and Admiral Sampson. Porto Rico commission, Generals Brooke and Schwan and Admiral Schley.

General Lee was not named in the Cuban commission, as he will be appointed head of the army corps to occupy the island.

PEACE NEWS IN HAVANA.

Havana, Aug. 16.—The reports put into circulation with respect to the progress of the peace negotiations between Spain and the United States have the effect to stimulate orders sent from Europe and other countries by cable to buy Cuba's public stock. The news that General Blanco had received despatches from M. Jules Cambon, definitely declaring that the peace preliminaries were settled, soon spread with lightning rapidity throughout the city.

A general feeling of relief is evident at the prospect of peace that would put an end to the spilling of blood and the long era of desolation and ruin from which the island has suffered as there is scarcely any family, either Spanish or Cuban which has not felt the terrible depression of the war.

Murder in Hotel Grand.

By Wire THE TELEGRAM.

New York, Aug. 16.—A richly dressed young woman was found murdered in Hotel Grand this morning, her head being crushed to a pulp by a gaspiper. It is the most mysterious crime of the day.

A DESPERATE COMBAT.

Attempt to Arrest a Negro Desperado Results in Two Deaths.

Jackson, Miss., Aug. 15.—A dispatch just received from Yazoo City gives an account of a desperate combat between eight deputy sheriffs and a negro convict named Ed. Crandiston, in which two of the deputy sheriffs, Wm. Everetts and Stonestreet, were killed, and another, Wm. Ward seriously injured. The deputies surrounded a cabin in which the negro had taken refuge. He answered their call to surrender with a load of buckshot. After firing several more shots he made his escape. A mob is now in pursuit with a pack of blood-hounds. The negro will undoubtedly be lynched if caught. He is one of the most desperate characters in the state.

GENERAL LEE FOR SENATOR.

He Will Enter The Senatorial Race in Virginia.

Washington, Aug. 15.—The Post tomorrow will say: "General Fitzhugh Lee will enter the senatorial race in Virginia. This announcement can be made without any qualification. It is authorized by General Lee himself, who last night directed the following statement to a representative of the Post.

"Upon being asked the question as to his future intentions and appreciating the interest felt in the matter throughout Virginia, General Lee said: "I shall be a candidate for the United States Senate."

The German Emperor has devised a new scheme for the encouragement of vocal music in the German empire. It will be put into operation in 1899, and it consists of a singing competition to be held in a different town every year. Casel has been selected for the first competition, the chief condition of which is that each choir taking part receive an unpublished musical composition about an hour before the contest takes place. There will be no accompaniment. The Kaiser's prize is a valuable jewel, and the president of the winning choir will be allowed to wear it for a year, the name of each singer being engraved upon it.

Lisbon, Aug. 16.—The ministry has resigned and Senor Jose Luciano has been charged with the task of forming a new cabinet.

THE LAST FIGHT AT MANILA

She Wouldn't Surrender And Dewey Went At It.

EIGHT INCH SHELLS DO THE WORK

Various and Sundry Items of News Which May Be Termed Echoes of War and Notes of Peace.

By Cable THE TELEGRAM.

Hong Kong, Aug. 16.—The reports of the capitulation of Manila have been confirmed by the German counsel who says that at ten o'clock on Saturday morning Admiral Dewey advanced on the city with his warships, having previously received a refusal of his demand to surrender.

The flagship Olympia again signalled the city to surrender and the Spaniards still refusing to capitulate the Olympia commenced the bombardment of the forts with eight-inch shells and simultaneously with the bombardment the land forces marched on the city.

The battle lasted about two hours when the white flag was hoisted over the forts which had been almost destroyed. Augusti and his family were taken aboard the German cruiser Kaiser at dusk for Hong Kong.

Admiral Dewey is expected to send a fast cruiser with the news to this port soon.

AWAITING THE NEWS.

Washington, Aug. 16.—The president is profoundly interested in the news coming from Consul Wildman, that Augusti, who arrived on the German cruiser and reported the surrender of Manila. Officials are inclined to credit the report. The President had expected such news and is now anxiously awaiting a message from Admiral Dewey telling of the incidents connected with the fall of the city.

Although not officially admitted many of the administration officials are much concerned over the fall and continued indications of Germany's desire to interfere in the matter of the Philippines. There is some reason to believe that the German cruiser went to Manila for the express purpose of conveying the fleeing Spanish general to Spain.

There are many other reasons for uneasiness, not to say anxiety, on the part of the administration over Germany's attitude. It is believed, however, that Dewey can be depended upon to hold Germany in check.
