Wrinkles

Around the Eyes

Are usually caused by defective sight. Many women, and likewise men, look prematurely old from these wrinkles. The wrinkles in many cases can be removed by wearing correctly fitted glasses. To fit glasses correctly demands a thorough knowledge of refraction and the necessary instruments. We have both; hundreds of satisfied customers will say so.

THE COUNTY CANDIDATES.

The Opening Day of the Canvass at Hodgins' Store.

On yesterday we drove out to Hodgins' Store, in Sumner township, to attend the opening of the political ball in this county. Sumner is a strong republican precinct, but there was a very small attendance at the speaking yesterday.

The candidates for county offices merely announced themselves. They were allowed five minutes each, but none of them consumed the time. Mr. Stratford, the fusion candidate for register of deeds, asked to be allowed more than five minutes in order to make a few statements in regard to his candidacy. He was granted the privilege, and when he finished he had been speaking just four minutes and thirty seconds. But he got in his statements, which were to the effect that he believed all republicans were going to vote for him and that the populists were going to support the republicans. In other words, he believes fusion will fuse.

When the turn of the legislative candidates came around Mr. Bradshaw, republican candidate for the senate made the first speech. He dwelt at considerable length upon his gold bug career and boasted of the fact that he remained a gold-bug when the democratic party deserted, as he claimed, those principles. We asked Mr. Stratford how he liked that and he said: "Oh, that's all right." We take that to mean that Mr. Stratford, as the head of the populist party, thinks more of a gold-bug republican than he does of a free silver democrat.

Mr. Wilson, the democratic candidate for the senate followed in a vigorous speech of thirty minutes in which he showed that he is more than a match for Mr. Bradshaw. The rejoinders of the two men were more spirited and in a few more days the joint discussion promises to become more intensely interesting.

Then followed Messrs. Kennett and Douglas, both making half hour speeches and ten minute rejoinders. Kennett makes a splendid speech and talks in an earnest straightforward manner, calculated to win votes. Douglas come out stronger than any other republican speaker. He ridiculed the democratic cry of negro domination and said that the democrats appointed 107 negro magistrates several years ago, but he did not tell the people that it was done through republican treachery and that it was done by republican members of the legislature whom the democrats allowed to name men in their own counties. He did not tell the people that the democrats thought they were white men, and that when the democrats found out that they had been tricked it was never done again. Douglas vehemently declared he was in favor of white supremacy and that he was opposed to negroes holding office. There were only two or three negroes present. We challenge Mr. Douglas to make that identical speech before a republican audience in Greensboro.

By this time it was getting late and Capt. Bunch and Capt. Forbis only made short speeches. Today the candidates spoke at Pleasant Garden.

THE LARGEST YET.

Mrs. Sol. Weill to Erect a Building For Merchants Grocery Co.

Mrs. Sol. Weill has decided upon the plan of the building she will erect by the side of the one being built for the Simpson-Shields Shoe Co., and it will be a credit to the city. It will be the largest business house in Greensboro being 150 feet long by 31 feet wide and five stories high, with a cellar in the rear, making this part six stories. The building has already been leased for a term of five years to the Merchants' Grocery Company who will move into it as soon as completed. This building is to be fifty feet longer and six feet wider than the Simpson Shields Shoe Company's, though otherwise the plans of the building will be the same. The front of both will be entirely of granite cut in different shapes making a lovely front. The Merchants' Grocery Co., and the Simpson-Shields Shoe Co., are two of our largest and busiest wholesale houses and have come to stay and grow. We congratulate both of them together with Mrs. Weill.

The Central Land Company through their agents return thanks to the citizens of Greensboro who attended the Lot Sale yesterday. Prices were low, but the land is for sale.

WILL NOT ASSUME DEBT.

Demands Presented in Threatening Words.

CRISIS ABOUT TO BE REACHED.

Judge Day Instructed to Demand The Entire Surrender of Porto Rico Today.

London, Oct. 18.—A dispatch to a London newspaper agency from Paris says:

"Today, (Monday), the conference reached a crisis for the first time. Judge Day presented the demands of the Americans in threatening words. He said that delay was the only possible object attainable by the persistent efforts of the Spanish commissioners to saddle the United States with the Cuban debt, and it would be tolerated no longer, while the United States would neither assume nor guarantee any part of the debt.

"The Spaniards replied that this placed Spain in a position of repudiating or of reducing the face value of the Cuban bonds from 60 to 50 per cent, paying only half the stipulated interest on the reduced value. Before they would adopt either alternative they would surrender to the United States the entire Philippines.

"Judge Day responded that the surrender of the Philippines would probably be demanded irrespective of the Cuban or any other debt.

This, to the Spaniards the first intimation of the intentions of the United States as to the Philippines, resulted in a whispered conference, followed by a request for an adjournment in order to communicate with Madrid. Judge Day said that President McKinley had instructed him to demand the entire surrender of Porto Rico to-morrow (Tuesday), and the delivery of every town to the United States officers before midnight, together with the evacuation of Havana, on or before November 1st, when the United States would be at the gates of the city, ready to take possession.

"There was no alternative offered in the case of either of these demands, and the session consequently was very brief. The American commissioners have received dispatches from Washington, indicating that the administration is irritated and indignant over the delay of the Spanish commissioners."

The Paris correspondent of the Times says: "At the sitting of the peace commission this (Monday) afternoon the American commissioners officially—and it would seem definitely—rejected the idea of accepting sovereignty over Cuba for the United States."

Have you seen those leather-lined thick soled box calf and vicci Men's Shoes that are becoming so popular? You can see nearly a dozen different styles of them in black and winter tans at Thacker & Brockman's; most of the new shapes being made over the new London and English lasts. Prices are extremely low when the quality and style of these shoes is taken in consideration. \$2.50 and \$3.00 pays for a prime Goodyear, and they are selling two excellent lines of McKay sewed, leather-lined shoes at \$2.25.

NOTES FROM HIGH POINT.

The Local News From Our Neighbor Briefly Told.

TELEGRAM BUREAU.
HIGH POINT, N. C., Oct. 18, '98.

Don't fail to hear Mr. Yonan, a native Persian, tomorrow night at the Presbyterian church, on the people and customs of his native land.

Prof. Gentry's famous Dog and Pony show gave two splendid exhibitions here yesterday afternoon and night. The show was everything it was advertised. It was clean in every respect. There was no gambling games connected with it. Should they ever show here again, their tent would not hold the people. They left last night for Winston.

Our Second regiment boys who are here on furloughs which would have expired tomorrow, are pleased at the orders from headquarters, that their furloughs have been indefinitely extended.

The negro Robert Morton, who knocked Officer Burns down yesterday while he had another negro, Fred Adams under arrest, was carried to jail last night by Chief of Police Bennett after a preliminary hearing by Mayor Bradshaw. Adams was fined and discharged. Willis Burns and "Spiky" Cosby, the barbers, who had a scrap yesterday afternoon were tried before the mayor and fined.

The second meeting of the Democratic Club of High Point Township was held last night in the Masonic Hall. After the meeting was called to order by President Domesade, the "Old North State" was sung by the club, and the minutes of the last meeting were read by the secretary and approved. At the first meeting of the club every member was requested to respond to his name last night with at least one new member, and every member that was present brought from one to six new members. Of course, several members who attended the show in the afternoon were absent, but every man that was absent sent word to the club that he would not fail to be present at the next meeting. The roll was increased to 223. Many short and interesting speeches were made by the members: among the number was Lewis Harris, the obliging little Jew, who said: "Senz I lef de ole countries an' bene made a setzzen of dese countries it hez been enjoyment to me to be mit so many goot peoples. I esse glad to be a member of dis democratic club." (Great applause.)

Two of the best talks made were by men who were rocked in republican cradles and who have now seen the error of their way. The father of one of these men has been a republican office holder for a number of years, but he said he could no longer support him. There were three of these converts and not one of them could be called a turncoat, for they are not seeking offices. The club appointed five men for each precinct as challenge committees. It was also decided that the entire club go in a body to the big barbeque at Thomasville next Saturday and to secure the High Point band to go with them. They will meet again on Thursday or Friday night to decide more definitely on the club attending the big barbeque. The club will go in two squads, one a horse, the other a wheel.
