## NOTES FROM HIGH POINT.

### The Local News From Our Neighbor Briefly Told.

TELEGRAM BUREAU.  
HIGH POINT, N. C. Nov. 15

Sombody cut a freight train in two here last night while it was standing on the siding. Gosh! he must'er had er big knife and bin mity strong.

Several weeks before the election the young ladies of this place organized a young Ladies Democratic Club, and of course as is always the case when ever an organization of any kind is started, some people objected on the grounds that it was wrong for the ladies to undertake a thing of this kind. We beg to ask those people what crime did they commit in this undertaking? On the other hand we ask them to read what Sheriff-elect Gilmer said in a card of thanks last week:

"I request the privilege for myself, and the democracy for Guilford county one of whose representatives, I am, of most heartily thanking the noble women of our county, for the modest but effective manner in which they aided in bringing about this unheard of change of votes in old Guilford. I appreciate their sympathy and aid more than I can find words to express." Also what all of the candidates who were elected and the chairman and secretary of the democratic executive committee said yesterday:

"We would especially thank the ladies of the county for their presence at our speaking and the encouragement and influence which they gave so unreservedly and yet in such a becoming and womanly way."

Don't forget the concert tomorrow night at the opera house by the Metropolitan Concert Co., which is by far the best concert company that has ever been through here. Every member is an artist.

The meeting at the Presbyterian church is being well attended both day and night. Mr. Black is one of the best preachers that has ever been in the county.

At a called meeting of the board last night Mr. W. T. Kirkman was appointed to succeed Mr. F. N. Tate as alderman from the fourth ward, and Mr. Chas. Ragan to succeed Mr. Tate as school committeeman. It will be remembered that Mr. Tate resigned last week to go to Charlotte.

The Eastern Field Trial Club that used to meet at this place began yesterday with the Derbies. The membership stakes closed Saturday, an account of which appeared in Sunday's Charlotte Observer.

Officer Bennett has a rather prominent cheek, though he has not been in a scrap. It seems that he did the work himself with his own "billy" accidentally.

Don't forget Woody Bros' concert tonight at the M. E. Church. Admission 15 cents. It will be several times the price of admission.

### The First and Only One.

The Metropolitan Concert Company is the only attraction of the kind booked for Greensboro this season. They appear at the Academy of Music tonight. Of the merits of this company the Danville Register has the following to say after their appearance in that city:

"The Metropolitan Concert Company, of New York, gave concert at the Academy of Music last night, with Julie Vallette as prima donna soprano. The star scored a decided hit with the local critics, and, in fact, the whole company was accorded generous recognition of their talents. Besides Miss Vallette, the company included Miss Jeanie Benson, violinist; Mr. Carl Rieck, tenor soloist; and Mr. Arthur Freeman, pianist."

### The Sans Souci Club.

Another brilliant reception is to be given in the Benbow parlors next Thursday evening. A most interesting program has been arranged and the event promises to be one of the best in the history of this well known club. Mr. J. T. Matthews, the genial president, says that at this meeting officers will be elected. Mr. Matthews through his untiring efforts has made a most splendid president.

## REFUGEES IN WASHINGTON.

### Wilmington Exiles Call On The Attorney General

### TO STRAIGHTEN MATTERS OUT.

### A Postoffice Inspector May Be Sent to South Carolina on an Investigating Tour—Other Matters.

Special to THE TELEGRAM.

Washington, Nov. 15—Quite a number of the Wilmington refugees are in Washington. Yesterday afternoon a delegation including Ex-chief of Police John R. Melton, R. H. Bunting, United States Commissioner, and a justice of the peace, and C. H. Gilbert, former Superintendent of City Courts, called at the department of justice and had an interview with the attorney general. The members of the delegation refused to speak in relation to the visit to the department, but it is understood from reliable authority that the attorney general repeated what has been said heretofore, that there is nothing upon which he can base action in the matter. With the single exception of Bunting, none of them can lay claims to being United States officials.

The South Carolina difficulty remains about as it has been. The two Tolberts who are in Washington, together with J. M. Collins, who is postmaster at a small post office known as No. 96, and R. L. Henderson, called at the post office department and made complaint that postmasters are not permitted to attend to their official duties. The postmaster general told them that if it can be substantiated that postmasters are being interfered with, that he will do all in his power to prevent it. It is believed that the post office department may send an inspector to the state to attempt to straighten matters out.

It is known that for the present none of the North and South Carolina refugees will return, but will remain in Washington until after the assembling of Congress. When congress meets it is likely that an attempt will be made to secure a congressional investigation of the troubles at Wilmington, and at Phoenix, South Carolina.

United States Marshal Melton, of Charleston, South Carolina, is in Washington for the purpose, it is understood, of receiving definite instructions from the department of justice as to what course he is to pursue in regard to the South Carolina difficulties.

Senator Daniels, of Virginia, came over to Washington Sunday night from Lynchburg. The Senator was seen at the Shoreham hotel. He is naturally pleased at the outcome of the election in Virginia, although he says he never doubted the election of a solid democratic delegation from the state.

Senator Daniel took a leading part in the North Carolina campaign and is greatly rejoiced that the state has succeeded in limiting, at least, the power of the present regime. He says that the people of North Carolina are much in earnest.

In speaking of the work of the coming session of congress Senator Daniel is of the opinion that not much will be done aside from the passage of the general appropriation bills, and some routine matters. He does not believe that the treaty with Spain will be ready to be transmitted to the senate during the present session of congress. The Southern railroad will offer a very low rate for the round trip between Washington and Atlanta during the celebration of peace jubilee week. It is expected that a very large delegation of government officials will accompany President McKinley to Atlanta.

In addition to President McKinley, among those who will take part in the Atlanta celebration are Generals Fitzhugh Lee and Joe Wheeler. Representative Howard, of Alabama, populist, who was defeated for reelection last Tuesday, has arrived in Washington. The Congressman intimated yesterday that he would enter a contest for the seat against his democratic opponent.

General Ames, who has had charge of the winter camps at Summerfield, S. C., has arrived in Washington. It is rumored that Gen. Ames will shortly be transferred to some other post of duty.

Senator Mills, of Texas, was at the White House yesterday afternoon. The Senator has no business with the president, and merely called to pay his respects.

Among North Carolina people in the city, are E. V. VanMetee, and John R. Collins.  
Star Service changes have been or-

dered in North Carolina as follows: Raeford to Red Springs. From Nov. 23rd, 1898, curtail service to begin at Vollers, omitting Raeford, and decreasing distance 3 miles.

Raeford to Red Springs. From Nov. 16th, curtail service to begin at Antioch, omitting Raeford and Follers, decreasing distance 10 miles.

Special service change has been ordered in North Carolina as follows: Prong, Columbus county. From Nov. 12th, change base of supply of Prong from Whitesville to Abbottsburg.

The Comp troller of Currency has approved the Corn Exchange National Bank, Philadelphia as reserve agents for the Charlotte National Bank, of Charlotte, N. C.

## COOLING DOWN BY DEGREES.

### Several Shooting Scrapes in South Carolina Yesterday.

Charleston, S. C., November 14—A special to the News and Courier from Greenwood, S. C., says:

A telephone message was received here this morning that a negro woman was shot, probably fatally, near Piney Grove church by a party of white men who were on their way here. No particulars were obtainable except that her house was fired into by a passing crowd and one ball struck her in the abdomen.

About the same time a message was received from Troy that Mr. Kennedy McCastan and a negro on his place, in Abbeville county, had a personal difficulty in which the negro, whose name could not be learned, shot McCastan in the face with a shot gun and fled in the direction of Abbeville.

A little later the news came from Verdery that John Fell, had shot a negro near that place, in Abbeville county while engaged in a personal difficulty.

As in the case of the woman, no particulars beyond the main facts can be obtained. It is known, however, that none of the lawlessness reported today except the shooting of the woman has the remotest connection with the Phoenix riot.

A despatch from Abbeville says that the negro who shot McCastan was pursued to the courthouse square in Abbeville, where he was caught and committed to jail. There is no fear of his being lynched.

## STILL TESTIFYING.

### General Breckinridge Before the Board Today.

By Wire to THE TELEGRAM.  
Washington, Nov. 15—Gen. Breckinridge continued his testimony today before the war investigating board, dealing with the transportation of troops. He said he had gone to Cuba as inspector general, arriving at Tampa, June 1. He had observed, casually, that the preparations for disembarkation of the troops before the expedition left were quite inadequate.

He made no report of this, however, he said, because General Miles was there and could observe for himself. He said there was no preparation to land in the face of the enemy other than that which the navy might furnish. So far as he observed there were only two lighters and two scows, secured in behalf of the army before it left Tampa. His understanding was that the army and navy were co-operating in this expedition.

### As to Meteoric Showers.

By Wire to THE TELEGRAM.  
San Francisco, Nov. 15—The expectations of observers of the observatory of Mount Hamilton, concerning the result to be obtained by the observations of meteoric showers this month have not been realized. The "shower" Saturday morning was disappointing, but scientists hope for a display after midnight next Saturday and Sunday.

### They Have Arrived.

By Cable to THE TELEGRAM.

## EIGHT PASSENGERS KILLED

### In a Collision on the Grand Trunk Railway.

### An Express Train From Montreal to Toronto Crashed Into a Freight Early This Morning.

By Wire to THE TELEGRAM.  
Kingston, Ont., Nov. 15—The Grand Trunk railway express train from Montreal to Toronto collided with a freight train near Murray Hill early this morning. The accident occurred at 2:30. Eight passengers were killed and many persons are reported injured.

### THE KILLED AND INJURED.

Three passengers, unknown, are fatally injured. Twenty others, and most of the occupants of the Pullman cars are more or less seriously hurt. Ten of the wounded are in Belleville Hospital.

Kingston, Nov. 15—The accident which resulted so fatally this morning occurred at a place called Diamond Crossing. The express ran into an open switch colliding with the freight.

## THE DREYFUS CASE.

### Dreyfus To Be Informed By Wire of The Proceedings.

By Cable to THE TELEGRAM.  
Paris, Nov. 15—The Court of Cassation has informed the minister of colonies, Guillon, that it is decided that Dreyfus be informed by telegraph when revision proceedings are commenced, that he may prepare his defense.

The ministry of colonies has received a cable despatch saying that Captain Dreyfus is in good health. The decision of the court to inform the prisoner to prepare his defense is very significant, as it has hitherto been generally admitted that no innovation should be introduced into the proceedings. The questions will now be drafted and posted to Dreyfus, who will formulate his replies.

## GEN. GREENE IN WASHINGTON.

### He Will Go to Havana to Prepare Camps for Gen. Lee.

By Wire to THE TELEGRAM.  
Washington, Nov. 15—Arriving from Savannah last night Mayor General Greene reported at the war department this morning. He goes to Havana for the purpose of preparing camps for the reception of the Seventh army corps under General Lee. As senior officer of that part of the island outside of the evacuation committee, General Greene will have full supervision of all preparations.

### Want The Boys Sent Home.

By Wire to THE TELEGRAM.  
Washington, Nov. 15—Great pressure is being brought upon the administration to have the volunteers in the Philippines returned to this country. Nearly every state has asked through its governor or its representatives in congress, that the troops be sent home. The war department says there is no way of relieving these troops.

### Indians Going to Washington.

By Wire to THE TELEGRAM.  
Washington, Nov. 15—Two delegations of Chippewa Indians from Minnesota are expected to be here in time for the opening of congress to be heard with reference to the logging problem in their reservation. They represent opposing factions.

### Turkish Flag Lowered.

## PEARSON WILL CONTEST.

### He Files a Notice at Washington to That Effect.

Washington, Nov. 14—Richmond Pearson, the present congressman from the 9th district, will contest the seat of W. T. Crawford, the democratic congressman-elect, and has already filed notice with the clerk of the house here to that effect. The majority of Crawford is less than 100, according to republican estimates, and one of the grounds of contest will be the alleged purchase of votes by democrats in that district.

The Post, in a resume of members-elect to the next congress, says in this connection:

One of the former democratic representatives to come back to the house is William Thomas Crawford, of Waynesville, in the Ninth North Carolina district. This district has been fighting ground for many years, and the representatives have been in turn democrats and republicans. Mr. Crawford defeated Hamilton G. Ewart, now serving as a federal judge in North Carolina under a recent appointment, for the Fifty-second Congress, and two years later he defeated Jeter C. Pritchard, now United States Senator. For the fifty-fourth congress Mr. Crawford was defeated by representative Richmond Pearson, whom he now defeats for the fifty-sixth congress. Mr. Pearson, however, who is a member of the house committee on foreign affairs, has already made known his intention to contest the seat and the controversy will, without doubt be taken before the house.
