## A MUNICIPAL INSTITUTION.

### Some Resolutions Passed at Last Night's Mass Meeting.

## THE DISPENSARY LAW AS PASSED

### The Untiring Efforts of the Central Committee and the Loyalty of Our Representatives Commended.

The time for speech-making being over, the victory won, and all present at the court house last night were evidently satisfied with the result, there was no exultation or unseemly show of rejoicing. The meeting was called to pass some resolutions, to hear the dispensary law read and to wind up some business affairs connected with the central committee's work. Mr. W. E. Beville was chosen as chairman and Mr. A. W. McAllister made a few remarks and read the following resolutions, which were unanimously adopted:

Whereas, the contest for the establishment of a dispensary in Greensboro has been brought to a successful issue, be it resolved,

1st. That it is the sense of this meeting, that it is the duty of all good citizens to ally as much as possible any ill feeling that may have been engendered in the heat of the contest.

2nd. That now that the dispensary has become a municipal institution, it behooves all citizens for the good of public morals, and for the good name and reputation of our progressive city to give their influence to the success of the dispensary and to frown upon any attempt to hinder its successful workings, to degrade it or to bring it into disrepute.

3rd. That all our citizens should forget past differences of opinion, and should remember that we are all friends and neighbors, and have a common interest in the advancement of the city's progress, and that we should exert our energies and influence to the upbuilding of the city.

Mr. R. W. Brooks then offered the following resolution, which was also unanimously adopted:

"Be it resolved, that we extend our thanks to our senator and representatives in the general assembly for their loyal support in securing the passage of the dispensary bill, and that we commend them for the equitable plan which they adopted for ascertaining the will of the white voters of Greensboro; and we also desire to express our appreciation of the assistance given by senators and representatives from other counties in making the dispensary bill a law."

The following paper was read by Mr. C. H. Dorsett, and unanimously adopted:

"Resolved that it is the sense of this meeting that special recognition is due the Greensboro Evening Telegram for its staunch advocacy of the dispensary and the very valuable service rendered; and that we are also grateful to the Daily Record for the generous use we have been allowed to make of its columns."

The committee appointed to audit the accounts of the central committee made a report, to which they appended the following paragraph, which was unanimously concurred in by the meeting:

"We also find that the central committee have borne all their individual expenses themselves in their several trips to Raleigh, &c. In view of the time and attention these gentlemen have devoted to this matter we think and would recommend that all their expenses be paid; and that they are due the sincere and hearty thanks of all friends of this dispensary movement for their untiring and efficient efforts."

The members of the central committee being present generously and unselfishly declined to accept the provisions of the above recommendation so far as it relates to their expenses.

Hon. A. M. Scales read the dispensary law as passed, and said when he reached that part of the bill providing for "the mile limit," that he regretted to say anything that might have the appearance of being controversial, but he felt constrained to take this opportunity to positively deny the statement which has been circulated on the streets within the last few days to the effect that "the mile limit" was secured by bad faith and that there was an agreement with the opposition in reference to it. He recited the colloquy before the joint legislative committee between members of the dispensary delegation and Senator Wilson, explained that in a subsequent interview with Senator Wilson it was arranged upon certain conditions not to disturb "the mile limit" clause in the bill. He called attention to the fact that at the last two legislative hearings, the opposition had claimed that they had not been consulted and had had no part in what had been done, and contrasted this with the recent trumped up charge of an agreement with them as to "the mile limit."

He stated that the bill as enacted into law was identical with the bill as published before and as voted upon at the primary with the exception of the sin-

gle change as to the publicity of the dispensary register, which was made at the earnest solicitation of our senator and representatives. He concluded by saying that the charge of the opposition that there was an agreement with them of any kind or any bad faith was ridiculous and absolutely unfounded and that none were better aware of this than those who are responsible for it.

### THE DISPENSARY LAW.

The General Assembly of North Carolina do enact:

Section 1. That it shall be unlawful for any person, firm or corporation to sell, barter or exchange any spirituous, vinous, malt or intoxicating liquors, of any kind, in the city of Greensboro or within one mile of the city limits, except as hereinafter provided; and anyone violating this section shall be guilty of a misdemeanor, and upon conviction, shall be fined a sum not less than one hundred dollars, or imprisoned, not less than six months, or both.

Sec. 2. That the board of aldermen of the city of Greensboro shall on the second Friday of April 1899, elect five good and true men who shall constitute the dispensary board for the city of Greensboro, whose term of office shall begin on the first day of May 1899; the term of the first one named shall expire in two years from the said date; the second, four years; and so on in the order named, the term of one expiring every two years; and vacancies occurring by the expiration of the term, as aforesaid, shall be filled by the said board of aldermen, who shall elect for a term running two years before the longest existing term of the said commissioners, and any vacancy occurring in any other way, shall be filled by the said dispensary board for the remainder of the unexpired term. The said dispensary commissioners before the entering upon the duties of their office, shall make oath that they will well and truly carry out to the best of their ability all of the provisions of this act; and the resident judge of the district may remove any of said commissioners when it shall be made to appear that he has violated his oath or been guilty of malfeasance; and the said dispensary commissioners shall serve without pay or remuneration of any kind: Provided, the said board shall elect one of its members as chairman and one as treasurer, and may allow the treasurer such compensation as they may see fit, and said treasurer shall give bond, payable to the city of Greensboro, conditioned upon a proper accounting for the moneys that may come into his hands as such treasurer, in a sum not less than five thousand dollars, to be fixed by said dispensary board: Provided, said bond shall never be less than the amount of money in the hands of the treasurer: Provided further, that said treasurer may give bond with some safe bonding or trust company as surety and charge the expense of giving such bond as an expense of said dispensary.

Sec. 3. The said dispensary board, on the first day of July, 1899, or as soon thereafter as possible, shall establish one dispensary in said city, to be located on one of the principal streets for the sale of spirituous, vinous and malt liquors, and there shall be no prosecution under this act for the sale of liquor until said dispensary shall be opened. The said dispensary board shall elect a manager, for said dispensary, who shall be a man of good character and sobriety, who shall have charge of the same under the supervision of said board, and who shall hold said position of manager at the pleasure of said dispensary board, subject to be discharged without notice. The said dispensary board may appoint such assistants, or clerks as they may deem necessary, and may discharge them, at pleasure, without notice. The said manager shall be required to give bond, payable to the city of Greensboro, in such sum as the dispensary board may determine, not less than one thousand dollars, conditioned upon the proper accounting for all the moneys that may come into his hands as such manager and for the faithful performance of the duties of his office as manager, as prescribed in this act and in the rules and regulations of said dispensary board, and the said manager shall receive such salary or compensation as may be fixed by said dispensary board, which, however, shall never depend upon the amount of sales. The said board may likewise require bonds, payable as aforesaid, and in such amounts as they may deem proper, from such clerks or assistants as they may employ.

Sec. 4. The said dispensary board shall have power to employ attorneys, agents and detectives to assist in the detection and prosecution of persons, firms or corporations violating this act, and for other purposes; may employ chemists or other competent persons to test liquors; may borrow money, and shall have power to do all other proper things not contrary to law to carry out the true intent of this act.

Sec. 5. For the purpose of procuring the necessary funds for the establishment of said dispensary, the board of aldermen of the city of Greensboro shall appropriate such an amount, not

exceeding two thousand dollars, as may be demanded by said dispensary board, and said amount shall be repaid out of the profits arising from said dispensary: Provided, said dispensary board may establish said dispensary without receiving said appropriation. The manager of said dispensary shall on Monday of each week pay to the treasurer of said dispensary board all moneys which he may hold as said manager, and shall keep a strict account of all liquors received by him, the amount sold and the amount on hand, and the said treasurer shall hold and disburse all the funds belonging to said dispensary and after paying expenses and after reserving such a sum as the dispensary board may deem necessary to carry on the dispensary, shall, on the first day of January and on the first day of July of each and every year pay over twenty per cent. of the profits of the said dispensary to the treasurer of Guilford county and eighty per cent. of said profits to the treasurer of the city of Greensboro.

Sec. 6. The manager of said dispensary shall, under the supervision of said dispensary board, purchase all liquors necessary and proper for said dispensary, and may purchase such pure liquors as may be in the hands of the liquor dealers in the city of Greensboro: Provided, said dispensary board shall refuse to pay for all liquor found to be pure.

Sec. 7. No liquor of any kind shall be sold in said dispensary on Sunday or election days, and said dispensary shall never be open, or liquors sold therein, before sunrise nor after sunset on any day. The prices at which said liquor shall be sold shall be fixed by said dispensary board: Provided, all sales shall be for cash and at a profit not exceeding eighty per cent. of the cost thereof. No liquors shall be sold in said dispensary except in unbroken packages, or bottles, which shall contain not less than one-half pint and not more than one quart; and it shall be unlawful for said manager, or any other person, to open any such package or bottle on the premises, and the said manager shall not allow loading or loitering or drinking on the premises, and any person drinking liquors on the said premises, and any person refusing or failing to leave the said premises after being ordered to do so by the said manager, shall be guilty of a misdemeanor and fined not more than fifty dollars or imprisoned not more than thirty days.

Sec. 8. Before selling or delivering any intoxicating liquors to any person, an application must be presented to the manager, or his clerk or assistant, printed or written in ink, stating the kind, quantity and price of liquor wanted, dated of the true date and with his or her true name signed thereto, and the manager shall keep a book for this purpose: Provided, that said book shall be open only to the inspection of the dispensary board and its employees, and the contents thereof shall not be published. If any person shall make any false or fictitious signature, or sign any name other than his own to any application or make any false statement on any request or application he shall be guilty of a misdemeanor. No intoxicating liquors shall be sold to any minor, intoxicated person or habitual drunkard, and the dispensary board shall make such rules and regulations, not inconsistent with this act, as may be proper for the management of the dispensary.

Sec. 9. If the manager or clerks shall procure any intoxicating liquor from any person other than those that the dispensary board shall direct, and offer the same for sale, or shall adulterate or cause to be adulterated any intoxicating, spirituous, vinous or malt liquors by mixing with coloring matter or any drug or ingredient whatever, or shall mix the same with water or with other liquors of different kind or quality, or shall make a false entry in any book or return required by this act, he shall be guilty of a misdemeanor.

Sec. 10. Every person who shall, directly or indirectly, keep or maintain by himself or by associating or combining with others, or who shall in any manner aid, assist or abet in keeping or maintaining any club room or other place in which intoxicating liquors are received or kept for barter or for distribution or for division among the members of any club or association by any means whatever, shall be guilty of a misdemeanor.

Sec. 11. All books required to be kept by the manager of said dispensary, except the one provided for in section eight, shall be open to the inspection of the public, and any person, firm or corporation violating any of the provisions of this act shall be guilty of a misdemeanor, and upon conviction shall be fined in a sum not less than one hundred dollars and imprisoned not less than three months, or both, except where penalty is otherwise provided.

Sec. 12. That all laws and clauses of laws in conflict with the provisions of this act are hereby repealed: Provided, that this act shall not be construed so as to repeal any prohibitory laws already in force and section 8, 11 of The Code shall not apply to this act.

Sec. 13. That this act shall be in force from and after its ratification. In the general assembly read three times and ratified this 27th day of February, A. D., 1899.

## FIFTY-FIFTH CONGRESS ENDS

### After a Chaotic and Continuous All-Night Session.

## PRESIDENT VISITS THE HOUSE

### The Congress Just Closed Passed a Larger Number of Bills Than Any Preceding Term.

By Wire to THE TELEGRAM.

Washington, Mar. 4.—The fifty-fifth congress came to an end at noon after a chaotic all-night session. When day broke tired and haggard faces were seen in both houses. Few members had had any sleep. At ten o'clock today the president went to the capitol and saw the last house legislative session through. The present house passed 1,635 bills and resolutions, 1,200 in the 54th; 951 in the 53rd and 892 in the 52nd.

The house adjourned—actual time—at 12:25. The members joined in singing "My Country" before they adjourned. The senate adjourned at 12:08.

### A HORRIBLE DEATH.

#### Cyrus Young Instantly Killed By No. 36 Today.

Cyrus Young, a colored man 38 years old was killed by number 36 of the northbound fast mail on the southern, which came in at 12:15 o'clock today. When the accident happened Young was walking across the trestle, where the Southern passes over the Atlantic & Yadkin. A train was passing under him on the A. & Y., and he was looking down at this. No. 36 was seven minutes late and was running at a good speed when it struck Young. He was knocked off the trestle and fell to the ground fully seventy-five feet away, dead. Almost every bone in his body was broken; both legs were snapped just above the ankles and his right side and shoulder on which he fell, were crushed. His head was also badly bruised.

Coroner Turner was summoned and reached the scene about 1 o'clock; he ordered the body removed to the station where an inquest was held.

Peter Seeroy, colored, was walking a few yards away and saw the train strike Young. He says that neither bell nor whistle gave the alarm, but thinks this is due to the fact that Young was rendered invisible by steam from a train on the A. & Y. Both engineer and fireman of 36 were unaware of the accident, and when told, at the station that the train had killed a man, they were sadly surprised.

The dead man leaves a wife and several children. His wife says that she is positive he was not drinking, as he had been at home all day. He had started up town and was but a short distance from home when killed.

### The News Today.

We yield much of our news space today to the report of last night's meeting, and the dispensary law. There was only one or two slight alterations in the bill as last printed, but it is due the public that they be allowed to read the law as it stands. Much of our telegraphic news is therefore crowded out.

### Attractive Advertisement.

Quite a novel and attractive advertisement is on exhibition at Mr. Howard Gardner's drug store, on the corner opposite the postoffice. It advertises Gardner's Extract Sarsaparilla. A pyramid is built of packages of the medicine, and on the top is a beam, on which is painted in gold letters: "Worth its weight in gold." From each end of the beam swings a balance. One contains a bottle of the sarsaparilla and the other one, four large nuggets, which exactly balance the bottle. Everybody should call at the drug store and see this attraction, and if their blood is impure, they should use some of Gardner's Extract Sarsaparilla.

Joe Jackson sold his fifteen ounce dog yesterday for \$10.00 to Capt. East on the local freight. Joe has one more.

Owing to the heavy rains that prevailed here yesterday afternoon, the Murray-Hart company was not greeted by as large an audience as on the previous night, but it was not because they did not deserve it.
