ASTIGMATISM.

What It Is, and How Corrected.

Astigmatism or Irregular Vision is one of the most common of all the refractive errors. It is due to the irregular curvature of the film known as the Cornea. Of course no instrument is sufficient to correct it, but in the hands of a thoroughly efficient and competent Eye-specialist, the ophthalmometer reveals the exact condition of the eye in a way that nothing else can. If your eyes need attention, have DR. J. T. JOHNSON to put them under this wonderful instrument. Office hours 8:30 to 12:30; 2 to 6. 302 1/2 S. Elm St.

UNDER BEDS OF ROSES.
The Heroes of the Gray Are Fondly Remembered Yet.

Who, in this fair southland, the fairest of all fair lands, is so dead to patriotic impulses that he cannot sincerely applaud the motives and the efforts of the "Daughters of the Confederacy" in perpetuating the memory and honoring the names of the thousands of heroes of the lust cause who sleep beneath the sod? All honor and all praise to the true women of Greensboro who have re-established the memorial day celebration. In pursuance of a monument started by them, on yesterday afternoon a fitting ceremony was held in Greene Hill cemetery. Despite the unfavorable weather a large number of people turned out and through a mist of rain joined in a long procession to the "city of the dead," where numbers of the brave men who flowed the fortunes of war are sleeping in tents of earth awaiting the last long roll and bugle call.

Gathered around the speaker's stand with uncovered heads the large assemblage stood and listened to a fervent invocation of divine blessing by Rev. L. W. Crawford, after which the band played a dirge while fair young ladies decorated the graves with beautiful wreaths and bouquets of flowers. Next on the program was the recitation of a poem by Mrs. S. L. Alderman, written by Mrs. Hendley. Then a vocal quartette, "Tenting on the Old Camp Ground" by Messrs. Richard Crawford, Dr. J. H. Wheeler, S. L. and A. H. Alderman.

The speaker of the day, Hon. E. W. Pou, of Smithfield, was introduced by Mayor Taylor in a short speech abounding in beautiful sentiment and choice language. Mr. Pou showed why it was right to continue these celebrations in memory of our beloved dead. The speech throughout was a gem, though its full enjoyment was impaired by the weather conditions—rain falling during most of its delivery. Many sentiments uttered by the eloquent orator were reverently applauded. After the speaking "The Old North State" was sung and prayer and benediction was pronounced by Rev. J. D. Miller.

Again, we desire to commend Guilford Chapter, Daughters of the Confederacy, for reviving the custom of celebrating memorial day. It was entered into yesterday with earnestness and a sincere spirit of patriotism. It was a pretty sight—the long procession of carriages and young ladies and gentlemen on horseback. By we see each recurring 10th of May celebrated in a fitting manner, and while we do this let us all remember that a few flowers strewn in the pathway of the veterans who still live, (and who are no less heroes than those who laid down their lives) will brighten and cheer and comfort them as they descend the slope of eventide and pass beyond the sunset of this life.

A Card From the Daughters.
Mr. Editor: Through the columns of your paper the Guilford Chapter of the Daughters of the Confederacy wish to tender their sincere thanks to the following parties for their ready and efficient help in carrying out the details of the celebration of our memorial day:

To the mayor for his beautiful and orate speech of introduction to the speaker, and attention to same.
To the ministers for their fervent and appropriate prayers
To the band for their patriotic music and beautiful quartette.
To the young men who served as marshals—and the president wishes especially to thank Mr. McAdoo, a son of the Confederacy, for his hard work of two days. So perfectly was everything arranged that there was not a hitch in any way.
To the livermen for the use of the handsome turn-outs in their stables.
To the fire companies for their handsome addition to the procession.
To Prof. Grimsley for his hearty co-operation in having the graded schools out.

To all who stripped their yards bare of flowers to do honor to a holy cause; and to Mr. Lindley for an exquisite floral tribute.
To the young ladies, most of them Daughters, who added so much grace and beauty to the occasion; and to the merchants who closed their stores.
To both newspapers for so kindly publishing our various notices.

We are fully alive to the fact that without these ready hearts and hands to help, there could have been no celebration yesterday in memory of our fallen heroes.
We the Guilford Daughters of the Confederacy, have to say to these kind friends, that we hold ourselves in readiness to serve them whenever occasion offers.
We were glad to see so many of the ex-confederates out.
The Daughters of the Confederacy have one sole object in view—to perpetuate the memory of "The Lost Cause" that they represent.

INSURGENTS DISINTEGRATION
Is Daily Manifested Says General Otis.

OTIS' GUNBOATS WELCOMED
By the Natives Who Have Been Oppressed by the Insurgents—Wounded Sent Home.

By Wire to the Telegram.

Washington, May 11—Several important dispatches were received at the war department from Otis this morning. One, in reply to Alger's inquiry, stated that the volunteers in the Philippines would not begin to depart for home until the latter part of the month when several regiments of regulars will have arrived to take their places. Otis says: "The first organization to return is now at Negros, forty miles from Manila. The volunteers at the front know they will begin to leave the latter part of the month. They realize the importance of their presence here now and accept its necessity as a sacrifice which the interest of the United States make imperative. Transports returning this week carry sick and wounded."

"The situation is as follows: The army gunboats have succeeded in passing up the Rio Grande to Calumpit. Railway communication to that point will be secured this week. The passage of the gunboats through the Macabebes country was hailed joyfully by the inhabitants. Temporary civil administration will be organized in the country passed over and our troops will protect the inhabitants against the insurgents' abuses. Signs of the Filipinos' disintegration are daily manifest."

DEMORALIZATION OF THE REBELS.
Manila, May 11—Manager Higgins, of the Manila-Dagupan Railroad, arrived from inside the rebel lines at San Fernando today. He corroborates the stories of the demoralization of the rebels and says they are looting all the natives' property. Higgins adds that now is the time for the Americans to strike hard.

WITHOUT MEDICAL TREATMENT.
Sister-in-Law of Former Vice-President Dies in Chicago.

By Wire to the Telegram.

Chicago, May 11—Mrs Adlai T. Ewing, sister-in-law of former Vice-President Stevenson, died here today, without medical treatment, under the Christian Science treatment, refusing to submit to an operation which the surgeons declare would have prolonged her life. The facts have only been revealed since her death and the cremation of the body Saturday.

Mrs. Ewing was a devoted member of the Christian Science Circle in this city, and had converted several members of her family. She had suffered from an insane disorder which the physicians said would prove fatal unless relieved.

KILLED BY A TRAIN
And His Body Hurled Forty Feet Through the Air.

By Wire to the Telegram.

Fishkill Landing, N. Y., May 11—An unknown man was struck by a N. Y. Central train at Duchess Junction last night and hurled with great force forty feet through the air. Peter Bembe was standing near the track at the time, and the swiftly moving body struck him and knocked him down, breaking his arm. The stranger was killed instantly.

EXTRA SESSION OF CONGRESS.
Will be Called by the President to Meet About October 20.

By Wire to the Telegram.

Washington, May 11—It is reasonably certain that an extra session of congress will be called. The date, it is thought, will be about October 20. The President wants the policy of the government in respect to the Philippines and our other possessions strongly defined, and the currency question disposed of, before the next presidential campaign opens.

VAN WYCK WON'T SIGN
The Rapid Transit Bill Passed by the New York Legislature.

By Wire to the Telegram.

New York, May 11—Mayor Van Wyck has refused to sign the rapid transit bill. The bill will now have to be passed by a two-thirds legislature.

Bryan's Regiment Mustered Out.
Augusta, Ga., May 11—The Third Nebraska, Bryan's regiment, was mustered out here today and started homeward on special trains.

Come and see the CLEVELAND exhibit at Temple's, 115 E. Market St. The CLEVELAND MAN is in town. Open until 10 p. m.

DAVID SCHENCK, JR., DEAD.
One of the Brightest Members of the Greensboro Bar.

For several days, as our readers have been informed, David Schenck, Jr., has been struggling with that peculiar disease, appendicitis. Two weeks ago he was in apparent perfect health. Today he is dead. The silent messenger called for him at 9:30 o'clock last night.

On Tuesday Dr. J. B. S. Holmes, of Atlanta, arrived in response to a message, and performed on Mr. Schenck in the hope of saving his life. He was assisted in the operation by Dr. Robertson, of Danville, and Dr. Beall and Wilson, of this city. Mr. Schenck stood the operation well, but relief came too late, and while his friends clung to the idea that as long as there is life there is hope, medical skill could not save him and today his home is shrouded in the sorrow of death.

David Schenck, Jr., was the son of Judge D. Schenck, and was one of the brightest lawyers of the Greensboro bar. He had handled some very difficult cases and always acquitted himself with credit, winning high praise from his brethren in the profession. He was educated at Bingham School and Chapel Hill, studied law under Capt. Price in Salisbury and received his license to practice his chosen profession about nine years ago. About five years ago he was united in marriage to Miss Lula Peyton, of this city, and two bright little boys have blessed this union. He was 29 years of age. He has been a resident of this city since 1882, coming here in that year with his father's family from Lincoln, their former home.

The funeral services will be conducted from the residence tomorrow morning at 11 o'clock, by Rev. Dr. E. W. Smith, of the Presbyterian church and Rev. Horace Weeks Jones, of the Episcopal church. The following have been selected as pall-bearers: Messrs. J. J. Nelson, J. S. Michaux, C. G. Wright, D. G. Dervenish, S. L. Gilmer and J. F. Jordan. Interment will be made in Greene Hill cemetery.

THE AMERICAN DELEGATES
To the Peace Conference Left London Today For Holland.

By Cable to the Telegram.

London, May 11—The American delegation to the international peace conference left this morning for Holland. It is stated that they are instructed to press the principle of international arbitration upon the conference.

Four Killed.
New Castle, Pa., May 11—A construction train on the Pittsburg and Western railroad went through a trestle near here this morning killing four men and injuring a number of others. The train plunged through the trestle, falling seventy feet into Spangler's Run. Five injured may die.

Sailed For Guam.
New York, May 11—The transport Yosemite started this morning for Guam, having aboard Capt. Leary, the newly appointed governor of Guam, and a garrison of marines for Guam, together with a quantity of provisions and stores.

Encouraging Dispatch From Otis.
Washington, May 11—Otis cables the war department today concerning the situation in the Philippines. The very encouraging tone of the dispatch leads the officials here to believe that the end of the Philippine insurrection is near at hand.

The Industrial Commission.
Washington, May 11—The Industrial Commission begins its investigations today. The sugar trust, the Standard Oil Co., and the whiskey trust will be inquired into. Among the witnesses to be examined are H. O. Havemeyer and J. D. Rockefeller.

Notice.
Regular monthly meeting of the West End Hose company will be held at Gray Bros. store Friday night at 8 o'clock. Let all members be present as we will adopt uniform for tournament. By order of president, J. E. Gray, Sec'y.

Come and see the CLEVELAND exhibit at Temple's, 115 E. Market street. The CLEVELAND MAN is in town. Open until 10 p. m.

For Sale—That desirable building lot adjoining Mrs. Omohundra's new residence on Lithia street, near State Normal College. Apply to J. L. Brookman at Thacker and Brookman's store.

WINSTON-SALEM POSTOFFICE
The Matter Has Finally Been Amicably Settled.

RALEIGH'S FEDERAL PRISONERS.
Have Sent in a Complaint of Ill Treatment to the Washington Department of Justice.

Special to the Telegram.

Washington, D. C., May 11—The Postmaster General has finally settled the controversy between the postoffice at Winston and Salem, North Carolina. Although at first there was great opposition to the discontinuance of the postoffice at Salem by the residents of that town, the matter was brought to a focus, as announced some time ago, and a reconciliation between the two towns was effected. By the settlement of the difficulty, the name adopted for the new postoffice will hereafter be known as "Winston-Salem," which has long been virtually the name of the city. The order of the Postmaster General consolidating the two post-offices will go into effect on July 1st, or at the beginning of the next fiscal year. This postoffice will be the only one with a hyphenated name in the country.

When the matter of the consolidation of the two towns into one post-office was first broached, there was intense opposition from the people of Salem, who have for many years been gradually losing their identity as a separate town, while Winston, on the other hand has been steadily forging ahead, as the town itself. Salem people did not wish to completely lose the identity which they have enjoyed, in fact longer than Winston, which is a town comparatively new. By the use of the hyphenated name, Salem will still retain its ancient identity. The postoffice at Salem will, of course, be abolished, but a sub-station will be established. The postmaster at Winston will be commissioned as postmaster of the consolidated office, and it is said at the postoffice department that the present incumbent of the post-office at Salem will be placed in charge of the Salem sub-station, or else offered a clerkship in the main post-office.

Members of the District of Columbia Post, Confederate Veterans are much interested in the efforts which are to be made during the Charleston reunion, to raise a fund for the purpose of rebuilding the home of General Wade Hampton. The general from his long residence in Washington city is personally known to nearly every one of the members of the local Confederate organization, and they are anxious to do their part towards subscribing to the fund. A member of the local camp stated Wednesday that he thought that the district members would take a hearty part in this work.

The delegates who went to Charleston to attend the reunion from this city and Alexandria are expected to return on Saturday. They will come back home on the same special trains which carried them to Charleston.

On account of the numerous complaints which have been received at the department of justice from the federal prisoners confined at the Raleigh penitentiary, the attorney general has decided to send a special examiner to Raleigh, to investigate into the grounds for the charges. While the complaints have been very numerous, it is said at the department of justice that the charges of cruel treatment of the federal prisoners is absolutely denied by the authorities of the penitentiary. Similar complaints have also been received from federal prisoners in Ohio, and other penitentiaries.

A number of Southern people, particularly from North Carolina, have passed through Washington since Monday, enroute for New York to attend the triennial meeting of the society of Cincinnati. This organization was started May 13th, 1783, at Fish Kill, New York, by General Washington and others, the first meeting being held at that place. The society disbanded in most of the states, soon after its organization, but it has been revived. At the present triennial convention, delegates are expected to attend from Vermont, New Hampshire and Georgia. The society was revived in 1896, and now exists in all of the thirteen original states, and also in France.

At the Postal Telegraph Company's office in this city, it is stated that the company will shortly extend its lines in several of the southern states, including South Carolina, and Georgia. This has been contemplated for some time, and the management hopes to begin work within a short time.

Senator Martin, some time ago made application for the pardon, as announced, of Thomas W. Lacey, post-office clerk at Richmond, charged with robbing the mails. Senator Martin and Col. Lamb, congressman from the Richmond district are both convinced of Lacey's entire innocence. He is confined at the North Carolina penitentiary, and the superintendent of the penitentiary in an endorsement of the

application for pardon says that he does not believe Lacey guilty, and that every action on his part goes to prove that he is an innocent man. President McKinley has promised to consider the matter, but it is not thought he will reach a determination before his return from Hot Springs. The matter is now before the department of justice.

Dr. R. N. Harper, president of the Virginia democratic association, is among the delegates to the Richmond conference, representing Loudoun county.

NEW ENGINE HAS COME.
Furnace Now Turning Out Number 1 Foundry Iron.

The new one thousand horse power engine for the Empire Steel and Iron furnace has arrived and it is a monster. As stated some time ago it will be placed beside the engine now used and together the mighty machines will furnish nineteen hundred horse power. New boilers will also be put in soon. The furnace is now making number 1 and number 2 foundry iron, the former the finest grade of pig iron manufactured. Four blasts were made yesterday and Manager Noble expects to make that number daily from now on. The new furnace will be constructed and put in blast in about four months.

Thought the City on Fire.
A gentleman of South Greensboro awoke this morning about 3:30 o'clock and thought the whole city was on fire. On the northern heavens was painted a lurid glare from the great roaring, sizzling, seething iron and steel furnace a mile north of Greensboro. He describes it as something grand. You ought to get up and see it.

At the Market.
Another nice lot of fresh shad expected at stall No. 1, city market, Friday night for Saturday's trade. Spring lamb, veal, mutton and pork. Delicious Hamburg steak, and some of the largest and nicest beef ever sold in this market.

J. W. White, Mgr.
Jas. W. Forbis, Prop.
