RESOLUTIONS.

Whereas, It has pleased the Great Head of the Church, to remove from the Church Militant, to the Church Triumphant, our esteemed brother, Joseph F. Watson, we, the West Washington Street Baptist church, offer the following resolutions, as testimony of the esteem, and affection, in which we held our brother. Resolved,

1st, That this Church feels sorely the bereavement sustained in the death of Brother Watson, who was ever faithful to every duty entailed upon him by the church, and was even—though young in years—much sought after for his sound advice and counsel.

2d, That not only in the Church proper, is Brother Watson's loss felt, but also in the B. Y. P. U., and Sunday school, will he be sadly missed, as he was actively identified with the work, in both of these branches, not only here but through the State at large.

3rd, That though this dispensation of providence is a shock to us, and we do sincerely mourn our brother, and shall miss him in all our counsels, yet our hearts go out in tenderest sympathy to his sisters and those relatives to whom he was dear, commending them to look to Christ, "The Man of Sorrows and acquainted with grief," for comfort and strength, in this, their hour of great trial and trouble.

4th, That while we cannot see now why this dear brother was called home in the full flower of his usefulness—yet "We shall know hereafter"—for our trust is stayed on Him, who doeth all things well.

5th, That a copy of these resolutions be spread—as a testimony of respect—upon the minutes of this church. That these resolutions be sent for publication to the Biblical Recorder, to Charity and Children, and our City daily papers.

Done by order, and in behalf, of the church in conference, this the 29th day of May, 1901.

HOWARD GARNER,
W. W. ROWE,
J. S. MOORE,

Actor Hern Dead.

New York, June 2.—James A. Herne, the actor, died at his home in this city this afternoon.

Mr. Herne was taken ill in Chicago while playing in "Sag Harbor," a play of his own composition. He came at once to his home, took to his bed and never arose. It had been supposed for some days that he was improving, but Saturday night there was a change for the worse, which resulted fatally. At his bedside when he passed away were Mrs. Herne, his three daughters and his five-year-old son.

Mr. Herne was born in Troy, N. Y., February 1, 1838. He had a beautiful home in this city and was accounted wealthy. The body will be cremated. It has not been determined when the funeral will be held.

Safe-Blowers Burn a Town.

Beaumont, Tex., June 2.—The little town of Jasper, county seat of Jasper county, was entirely wiped out this morning by fire. Seventeen houses, including every business house in the place, and a number of residences, were destroyed. The fire broke out about 3 o'clock, and in the absence of any fire department the town was at the mercy of the flames.

Previous to the fire the postoffice safe had been blown open and robbed. The safe of the county treasurer was also found to have been blown open and rifled of its contents. The conclusion of the people of Jasper is that the robbers blew open these safes and then set fire to the town to cover up their crime and create an excitement which would afford them an opportunity to escape. The loss is estimated at \$100,000 by the fire, but it is not yet learned what the thieves secured from the safes.

His Honeymoon in the Tombs

New York, June 2.—John McCullough, the young Savannah stenographer, who was arrested Thursday, on the steamer City of Augusta, while on his honeymoon, was again remanded to the Tombs today to await the issuance of extradition papers. Assistant Deputy Sheriff T. J. Sweeney, of Savannah, who arrived in New York Saturday afternoon, told Magistrate Flammer that after visiting Albany, tomorrow, to obtain signatures to the extradition papers, he would return and start for Savannah with McCullough on Thursday.

McCullough's lawyer said that if there was any longer delay in arranging the departure, he would obtain a writ for McCullough's release. When asked for a statement, Mrs. McCullough said: "John is all right and I will stand by him forever. If he did anything wrong it was for me and I will be loyal to him."

THE SCENERY SOLD.

The Last Show Has Appeared in the Academy of Music—The Building to be Sold.

The scenery at the Academy of Music was all taken out this morning, and carried to Danville, Va., where it will be used on the stage at the Reservoir Park. It was purchased by the Danville Railway and Electric Company, who also own the opera house at the Park. They have engaged a vaudeville show, who will give performance there during the hot weather. Danville Park is pretty, well kept, and is patronized by many of her citizens.

The last performance has been given in the Academy of Music, and Manager McAdoo says that he is going to sell the building. The property on which the building is located, is very desirable and is an excellent location for a residence.

Mr. Bishop's will be located on what is known as the Fisher property, adjoining the property of Mrs. Nancy Brown and Capt. J. W. Fry. He will build a handsome brick residence upon the lot. The residence will cost in the neighborhood of ten thousand dollars.

At West Market Yesterday.

Yesterday being the first Sunday in the month, no preaching service was held in West Market church, but instead the Sacrament of the Lord's Supper was administered. At the night service a strong sermon was preached by the pastor, Dr. S. B. Turrentine. Good congregations attended both services. The music was especially good, the offertory in the morning being a solo by Mrs. C. W. Banner. At night the offertory was a quartette by Misses Lola Carraway and Nan Wood, and Messrs. R. M. Crawford and Will Hill.

Richardson Drug Company, and whose resignation was handed in some time ago, is representing a company who examine fire insurance policies, and if there is a flaw in them, so report to the holder of the policy, enabling him to have his policy made legally perfect, in order that it may be incontestable in case his property is destroyed by fire. Mr. Heims has in his territory North Carolina, South Carolina and Virginia.

BOWIE REVEALS HIS IDENTITY.

HE IS NONE OTHER THAN ELIJAH THE PROPHET.

Comes to Earth for the Third Time as the Restorer of All Things, as Prophet, Priest and Ruler Over All Men.

Chicago, June 2.—I am Elijah, the prophet, who appeared first as Elijah himself, second as John the Baptist, and who now comes in as the restorer of all things. Elijah was a prophet, John was a preacher, but I combine in myself the attributes of prophet, priest and ruler over men. Gaze on me then; I say it fearlessly. Make the most of it, you wretches in ecclesiastical garb. I am he that is the living, physical and spiritual embodiment of Elijah and my coming to earth a third time has been prophesied by Malachi, by God Himself, by His son, Jesus, by Peter and three thousand years ago by Moses. All who believe me to be in very truth all of this will stand up.

And over 3,000 people rose to their feet and greeted the declaration with cheers and handclapping. John Alexander Dowie, true to his promises, made this statement from the platform of the auditorium tonight, in the presence of 5,000 people. It was the culmination of a frenzied speech, in which he denounced everybody and everything in Zion, cursed the Pope and the Roman Catholic church, spat literary at Masonry, the newspapers and bankers of Chicago, and raged and tore up and down the stage like a mad man.

"Understand well what I mean," he continued. "I will take no counsel in my methods of government. I have come to proclaim theocracy, pure and simple, the government of God, by God and for God, and I will never rest till all other forms of government have been driven from the earth.

"You talk about your democracy. Bah! Bah! I tell you democracy has been tried in the balance and has failed. The government of the people by the people and for the people is twaddle. I stand loyal to the flag and countenance no revolution, but I demand here and now that the name of God must be placed foremost in the constitution of the United States and the supreme authority of God over all things must be recognized.

"Listen to the first message of the prophet," he demanded. "You must pay your tithes and offerings into the storehouse of God. Accursed be ye of ye would seek to rob His house of its fulness by not obeying this, His will, sent through Elijah."

RETURNED HIS RINGS.

The Interesting Situation of a Young Man at Burlington.

Burlington Messenger.
She was standing in the waiting room at the depot one evening this week, listlessly gazing upon the open stretch of track that leads towards the sunset, when suddenly within her ken there appeared another young lady, walking rapidly toward the station. The face of the first lady mentioned flushed as the second party drew near, and it was noticed that the greeting was exceedingly frigid when the second young lady entered the waiting room. They evidently knew each other—in fact knew each other too well—and a young man, who later appeared upon the scene, knew the one entirely too well to please the other. And thus the trouble brewed. Lady No. 1, with features indicating firmness, and a determination to accomplish her purpose, quietly removed a ring from a finger of her left hand and tossed it toward the young man in her presence. Not a word was uttered, but one could read volumes in the countenances of the two. Lady No. 2 was quick to grasp the situation and likewise removed a ring from a corresponding finger of the left hand and returned it to the donor, who now stood aghast, nervously handling the rings. With a confiding glance the ladies left the young man in the waiting room, and repaired to a safe distance to compare notes. If any of our readers are confronted with a dilemma of this character, seek solace by reading Proverbs 20:19.
