TO CLOSE AT NOON.

Greensboro Banks Will Not Keep Open After Dinner on Saturdays.

Hereafter the banks of the city will close on Saturday at 12 o'clock. Everyone who intends getting money from the banks on Saturdays will do well to bear this fact in mind. The reason for this change in the hour lies in the fact that Saturday is a legal holiday, and drafts cannot be legally protested on that day. The banks in large cities close at 12 o'clock on Saturdays, and Greensboro, now a large city, will do likewise. This change in the hour does not affect the People's Bank, which will keep its customary hours.

MOB ATTACK BY STRIKERS.

RAILROAD EMPLOYEES DRIVEN OFF AFTER BEING SHOT AT.

Men of the Southern System Stormed in a Car at Columbia, S. C.—Tied Non-Union up and Drove Them Out of Town—Four of the Mob Wounded.

Columbia, S. C., June 24.—The first blood shed in a strike riot in South Carolina was spilled this morning at 4 o'clock in the Southern Railway shops in this city. These are large shops and the striking machinist have made strong efforts to keep them idle. It became known yesterday that there were forty men at work in the shops. Many brought from other places had been induced to desert the company. Several days ago Supt. Welles applied to the Mayor for policemen to protect the company's property. This was refused, as the Mayor declared there was no danger. One policeman is on that beat.

Just before daylight this morning about one hundred men with faces blackened or wearing black masks, attacked the north fence of the yards which comprize twenty acres, quickly made a break and marched in. There were forty-two men in the yards, sleeping in two cars. One of the cars during the night was switched to a remote corner and escaped detection. The strikers advanced on the other car in which twenty men were asleep. There was one guard, a man named Meyers, walking by this car. He saw the column advancing and ordered the men to halt, and tell their business.

A spokesman said they had come to release men being held against their will. Twice the guard ordered a halt, and when the leaders were within thirty yards he fired both barrels of a shotgun at the mob. At the same moment a pistol ball struck Myers in the forehead, but glanced around the bone. He got behind cover and used his revolver.

The strikers attacked the car and called on the men to come out. There was no response, and the rioters opened fire. The car looks as if it had run the gauntlet of sharpshooters. There are 200 bullet holes in it. The occupants escaped by throwing themselves on the floor. Finally all crawled out and were tied up by the strikers who marched then north, by the Southern's track for two miles, beating everyone along the way with sticks and pistol barrels. The non-unionists were all badly cut up. The one policeman begged the strikers to be merciful.

Two hours later an engine with the master mechanic and yardmaster went up the road and between the three and seven-mile post picked up nineteen of the beaten men. Only one refused to come back.

A half hour after the attack two physicians received hurry calls. They reported attending four men wounded in thigh, abdomen and head. If they know the names of the wounded men they will not give them.

On application, Mayor Earle detailed a squad of policemen to guard the shop. They are now on duty. He would not allow them within the yards. It is believed at least a half dozen strikers were wounded by Guard Myers.

TO CIRCULATE A PETITION.

Walker Avenue Residents Want Their Street Straightened Out.

A petition will be put in circulation tomorrow among the people residing on or owning property along Walker avenue. The object of the petition will be to get the board of aldermen to have Buchanan street straightened into Walker avenue. Such a step will improve wonderfully the appearance of the city in that section.

U. S. DEPUTIES DRIVEN AWAY.

MANY SHOTS WERE FIRED AT THEM BY THE STRIKERS.

A Posse of Officers Who Were Endeavoring to Serve Judge Jackson's Injunction on the Striking Miners in West Virginia Made to Seek Safety in Flight.

Huntington, W. Va., June 24.—Today a posse of United States deputy marshals, led by A. C. Hufford, of Bluefield, were fired on by the strikers and forced to flee from the coal fields at Mattewan. Yesterday afternoon the marshals, set out from Bluefield to reach the scene of the miners' riots. Within 20 miles of Thacker they found that they could proceed no further by rail on account of the flood. They struck out across the mountains encountering almost unsurmountable difficulties and late Sunday afternoon reached the end of their journey. Proceeding to work, they began serving notices of the injunction which had been issued by Judge Jackson.

A mob of strikers followed armed to the teeth with firearms. On all sides could be heard the cry, "down with government by injunction!" Men threatened them with their weapons, women called down the vengeance of heaven upon them and children hurled stones. When nightfall came notice had been served on the strikers of all the coal companies, but one and that was to be served at Lick Fork Coal and Coke Company, at Thacker. Fearing an ambush they waited until morning and early today set out for Thacker. Some time before noon they attempted to serve the injunction papers at the above named colliery. A mob followed, enraged to desperation at the sweeping character of the injunction. One reckless fellow fired the first shot and quick as lightning the mountain sides echoed and re-echoed with resounding reports that followed the crack of 20 or 30 rifles. The deputies were forced to take refuge in flight and then barely escaped with their lives.

The strike situation is assuming a dangerous stage. Sheriff Hatfield has withdrawn all his deputies because it is said he does not believe in the policy being used to put down the strike. The United States marshals have been left alone and after being chased from the fields today it is believed that they will be strongly reinforced and ready to fight when they again appear to enforce the injunction.

Famous Blind Tom.
Cleveland Plain Dealer.

The Star Theatre was filled last evening, when the famous negro wonder, Blind Tom, accomplished many things in the way of piano playing. While Tom did many things that were remarkable, the most wonderful was his playing of an air that he could not have heard before. He invited any man in the audience to step on the stage and play any selection he chose and he would repeat it right after him. Mr. Wilson G. Smith, the composer, accepted the invitation and played one of his own compositions as yet unpublished, and of so recent a date that it has had no public performance anywhere. The blind negro sat down on the stool as Mr. Smith had left it, and repeated it, every note being true and correct. He also played Gottschalk's "Last Hope" Rossini's "Moses of Egypt," and several other numbers. He also repeated a speech he had heard in 1860 delivered by Stephen A. Douglas.

Church music is an acquired taste. The fellow who woos sometimes feels woozy.
