

TO AILING WOMEN.

A Little Sound Advice Will Help Many a Sufferer in Greensboro.

No woman can be healthy and well if the kidneys are sick. Poisons that pass off in the urine when the kidneys are well are retained in the body when the kidneys are sick.

When suffering so, try Doan's Kidney Pills, the remedy that cures sick kidneys. You will get better as the kidneys get better, and health will return when the kidneys are well.

Mrs. Ella J. Hughes, Dixie St., Burlington, N. C., says: "I have used Doan's Kidney Pills at different times for several years and they have never failed to give me prompt relief."

CIRCUS TRAIN ONE MILE LONG

Ringling Brothers Have Wonderful Traveling Circus Equipment.

A train one mile in length is required to haul the great Ringling Brothers' Circus from city to city. It travels in five sections. It has eighty-five double-length cars. It is the home of 1,280 men, women and children.

The first section of the train carries the commissary department. This section leaves town every night for the next day's stand just as soon as possible, so that there may be no delay in getting breakfast in the morning.

On the second section comes the menagerie and more horses. On the third train are the parade equipment and the bulk of the draft horses. On the fourth section are the fourteen acres of canvas, the hundreds of ring properties, rigging, poles, seats shops and other paraphernalia.

And the cooks and chefs have had a big job. But they are used to it. They know how to handle three big banquets every day, because they are artists. They have prepared for this one breakfast 5,000 pancakes, 600 pounds of pork chops, fifteen bushels of potatoes, 150 gallons of coffee and many other things in like amounts.

This is only one of the institutions found in the city of "Ringlingville."

There is also a postoffice. Mail is received there from every quarter of the globe. And there is a dynamo plant, which furnishes power for 6,000 electric globes, are lights and beacons. And there are all kinds of shops in Ringlingville.

In the zoo there are 1,000 animals. In the stables there are 650 horses. In the dressing-rooms there are 375 performers. There is no other city like this one on earth. When it annexes itself to Greensboro on Monday, October 24 it will be the capital of interest for this section of the country.

A VACATION THAT PAID.

How a Young Man Swung Around the Circle This Summer.

"I am a young man who has had few advantages and when I was granted a month's vacation I decided to visit various parts of the country by the cheapest possible way and learn how all the people live—in city or on farm—and what they thought and how they looked."

"My starting point was New York city. I had \$150, but I didn't intend to spend a cent more than was necessary. I went by trolley to Connecticut and Massachusetts. I didn't dress very well, so was conspicuous, and I stopped at many kinds of village inns, second rate boarding places, etc."

"A constant panorama of new things opened up before me (most of my life had been spent in New York city) and in Massachusetts I left the beaten track and went into the country. I worked two days on a farm for board, lodging and \$3 besides and I came very near giving up my plan and staying there for my whole time."

"Arriving at Chicago I had spent \$28 and had been on the road nine days. After Chicago I rode by train to Kansas at reduced rates. I wanted to see the prairies and the prosperous Middle West. By trolley, etc. I spent five days in the rural districts and then came back to the Mississippi and went down to New Orleans."

After two days there (perhaps the most interesting of all my trip) I got a job as freight clerk on a steamer running to Savannah. That trip was mighty interesting and actually earned me money. After Savannah I spent three days in Washington and then I went to Gettysburg and from there to Pennsylvania's anthracite coal regions, went down a mine and made the acquaintance of a mining engineer and learned many things and then back to New York."

"Now I am a different man because of that trip. I made it a point to speak to everybody and keep eyes and ears open and I learned how to handle myself among men. I know something of our country now—I can shut my eyes and see negroes on cotton wharves, farmers sitting on reapers, out on huge Kansas wheat fields, clean Massachusetts farmers' wives making butter, black coal miners and steamboat hands playing cards with their greasy pasteboards on the hot freight decks."

"I took my opportunity—I saw the country and I think it's the finest vacation I ever had—and the cheapest, for I came back with \$78."

Two Short Words, "The best," well describes the satisfaction every user feels when he tries Vick's Croup and Pneumonia Salve for his head or chest cold, or his croupy child. It is a comfort, a cure and a joy. Try a jar and get your money back if not pleased.

A Generous and Charitable Wish.

"I wish all might know of the benefit I received from your Foley's Kidney Remedy," says I. N. Regan, Farmer, Mo. His kidneys and bladder gave him so much pain, misery and annoyance, he could not work nor sleep. He says Foley's Kidney Remedy completely cured him. Sold by Howard Gardner.
