BASIS FOR GENERAL PEACE

BY JOHN H. HEARLY,

(United Press Staff Correspondent)

His Holiness, Pope Benedict believes may form

the basis of a world's peace, have been forwarded

Th ePope, in outlining these conditions make a new general appeal for the restoration of peace,

and addresses them to neutrals as well as belli-

gerents. They are understood to be somewhat.

the groundwork for a more detailed discussion.

The appeal of the Pope, together with the con-

to the rulers of all the warring nations.

a one-cent stamp on this notice, hand ditions which he presents for the consideration

ROME.-Specific, concrete conditions, which

Pope's Peace Note

(United Press) WASHINGTON .- The State Department has learned from confiden-

3371 Thos. Washington, Grifton, dwc. peace offer, but it must insure the

dignitaries who were shortly afterwards closeted with the German Chancellor in Vienna. The Allied diplomats here believe that the war is destined to last at least another year. It is stated that the Pope's effort is last night. They executed many of the

and will prove merely another step and extended order drill without a forward in eventually concluding the hitch. In fact, all of the maneuvers great struggle.

LONDON .- The Executive Committee of the Labor Party has decided not to change its attitude toward the Socialist Conference to be held at Stockholm

Martial Law in Spain, is Report

(By United Press)

MADRID .- Martial law will be pro claimed throughout Spain as a result of renewed strikes and disorders, which will assume serious proportions today. In a number of conflicts in Madrid between strikers and soldiers many have been wounded.

The Pope Renews

His Peace Offer (By United Projes) ROME — His Holiness Pope Benedict U. S. BIRTHRATE IS LIKELY TO has renewed his formal proposal of peace.

general in form, but of such a nature as to form War Worries are Worn Well

tional Guard; the Engineers' train will be the Engineer Corps of the North Carolina National Guard.

Major Douglas MacArthur of the engineering corps, formerly press censor, will be chief of staff of the "Rainbow Division." The commander of the Virginia Coast Artillery will be Lieutenant-Colonel Fairfax Ayers of Fort Monroe.

Brigadier General W. A. Mann, Chief of the Military Bureau, was selected as Divisional Commander.

Appeal for Aid

The Pitt County Home Guards had a very interesting drill on Main street like that of the European Socialists, complicated movements of both close

were executed with a smoothness that would do credit to older and more experienced troops.

Those who belong to the Guards are making sacrifices either in a business Favors Meeting or social way by drilling this hot weather an hour and a half two nights every week. They now need

guns and have needed them for some time.

The public knows the purpose of the organization. The question is, Will the public help equip the company? At present the essential equipment is guns, a kettle drum and a bugle. ed and they will call on the people were saved.

of Greenville and Pitt county for subscriptions in a few days. If you want to maintain the com-

pany show it by making a liberal contribution. If you don't want the company you can show that also by withholding your support.

The names of the committee will be published in tomorrow's papers.

by everyone will be published and Indications point to a speedy entrance every penny contributed will be ac- of these two nations into the conflict counted for and its expenditure shown that is rapidly drawing every nation to the public.

WASHINGTON. -- Two hunderd thousand physically perfect men will be ready for the first mobilization on September 5th. The contingent could move tomorrow if the transportation facilities were available, according to the Provost Marshal General's office.
