White's Theatre Tonight

George Beban in "The Cook of Canyon Camp" will be the attraction at White's tonight. In this story, Mr. Beban is shown as a French-Canadian cook in a lumber camp near Quebec.

By his wonderful sympathy and tenderness he reunites a family and after so doing he receives reward enough to marry the girl of his heart.

"Patria," featuring Mrs. Vernon Castle, will be another feature of the evening.

Notice to Red Cross Knitters.

Now that the cold weather has come all of us at home are beginning to feel the need of warm clothes. Our boys in the training camps and at the front need them much worse. Unless we send them knitted articles some of them will go cold. At present we have nine sets completed. By the end of the week we should like to have 25 sets finished so that we may send them off.

If you have any work started please try to finish it by the end of the week and send it to Mrs. Barden. You can get needles at the work rooms at 25c a pair.
