The Barfield Sales Promoters

The Messrs. Barfield of Wilson, who are conducting Special Sales in Greenville this fall are pulling much business for their clients and are incidentally making themselves a reputation as "crowd getters." Mr. Charles Barfield is one of the cleverest outdoor sign painters on the road, he having been connected once with the "Hero" Cola people of Columbus, Ga. "Home-Run" Barfield, as his friends call him, has a varied line of make-ups which he puts to use in drawing customers. His imitation on a "rube" is one of the best yet. In addition to being a sales promoter, his is said to be one of the best auctioneers in the South. They are conducting for Mr. N. G. Saad on Dickinson avenue a "Scandalous Sale," which is proving successful from every standpoint.
