First Casualties to American Soldiers Given by War Department

FIRST CASUALTY LIST OF DEAD AND WOUNDED OF AMERICANS RECEIVED WAR DEPARTMENT ISSUES HONOR ROLL

Three Reported Dead, Five Wounded and Twelve Captured as a Result of an Attack on the Part of Germans. War Department Cables for Details.

(By United Press)
WASHINGTON—The first casualty list, as a result of the land fighting between the Americans and Germans fighting in France, came back to the homes and hearts in this country today. The war department has given out those wounded and missing, as a result of the sudden thrust into the American training salient by the Germans on November 3.

Among the captured or missing is Sergeant Edward Holyburton, whose father is George H. Holyburton of Stone Point, North Carolina. WASHINGTON—Three American infantrymen dead, five wounded and twelve captured is the result of a sharp attack on the part of the German on the salient of the front line trenches held by General Pershing's men on November 3.

This is the brief report given out by the War Department, and brought home to America today the first casualties of the dead and captured resulting from the actual fighting between the "Sammies" and the "Huns". Attacking at daylight and being protected under a heavy barrage fire, the Germans apparently completed their operations before reinforcements could help. No word in General Pershing's statement indicates to what extent the Americans took part in the fighting. An ordinary trench salient holds between twenty-five and thirty men, so it would appear that the little force of "Sammies" were practically wiped out. The wounded Germans, captured, however shows that actual fighting occurred before the Americans yielded. The war department has cabled for full details.

GOV. COMMUTES DEATH SENTENCE

(By Edward L. Keen)
RALEIGH—Charlie Walker, of Caswell county, who is under death sentence for killing his sweetheart Florence Suggs, has received from Governor Bickett a commutation to life imprisonment. The grounds for the Governor's decision, was the youth of the prisoner and the previous good reputation. The killing of his wife was unpremeditated. The Governor says that a nineteen year old boy should suffer the extreme penalty under certain circumstances.

Mr. and Mrs. Oscar Green of Kinross spent the week end with his mother Mrs. M. Green on Third street.

PREMIERS VISIT ITALY CAPITAL

(By EDWARD L. KEEN)
(United Press Staff Correspondent)
LONDON—The arrival of Premier Lloyd George of England and Premier Poincare of France, arriving in Rome is taken here as evidence that the Italian situation is still serious. Preliminary reports however, indicate that the Italians have been successful and they have fully repulsed the first blow of the Germans in the Trentino. It is expected that the enemy offensive and also that of the Tagliamento line will be still help firm.

FRENCH FOREIGN LEGION AWARDED LEGION OF HONOR

(By HENRY WOOD)
(United Press Staff Correspondent)
WITH THE FRENCH ARMIES AFIELD—(By Mail)—The famous French Foreign Legion, in which a score of Americans, including Captain Sartoris, grandson of General Grant, are still fighting, has just been awarded by General Petain the supreme recompense of the Legion of Honor. It is the highest honor that a French regiment of division can obtain. In the case of the foreign Legion the distinction is all the more noteworthy owing to the fact that the Legion was won aloft the intervening grades and distinctions since the beginning of the war. Its banner has already been decorated with the Croix de Guerre. The members of the regiment have also won the honor of wearing the famous fourragere in the green and yellow colors of the Military Medal, while the regiment itself has won six citations to the order of the day.

With somewhere between fifty and six nationalities at all times represented in its ranks, the Foreign Legion has participated in every big offensive on the western front. With the outbreak of the hostilities over 800 Americans to show their sympathies with France enlisted in the Legion. Scores of these were killed later in the severe fighting that ensued. Many others were forced from service because of wounds. Still others were transferred to other branches of the army, notably the aviation, the LaFayette Squadron drawing many of its best pilots from the Legion. Still others withdrew their terms of enlistment expired.

LAW INVALID SAYS COURT

(By United Press)
WASHINGTON—The United States Supreme Court has held as unconstitutional the Louisville, Kentucky ordinance which sought to segregate the whites and negroes into different districts. A similar ordinance has been in effect in Baltimore, St. Louis, Richmond and other cities, all of which are affected. The court of Kentucky reversed the court and held it as invalid because it was a straight out arbitrary violation of certain rights of citizens. There exists a serious situation however which the law is powerless to remedy says the court.

MRS. BECKWITH ON "LAW OF LOVE"

The "Law of Love" was the subject taken by Mrs. K. R. Beckwith at the Y. W. C. A. services at the Training School last evening. The scripture reading was taken from the thirteenth chapter of First Corinthians. In this connection she read a very impressive sermon by the Rev. Charles Wood D. D., pastor of the church of the Convent, Washington, D. C. From this sermon her listeners were able to grasp in a very clear and beautiful way, the "Law of Love" and the "Love of Law". The music of the evening, which was very much enjoyed, consisted of three special numbers; a piano solo, by Miss Bess Tillett a vocal solo, by Miss Sue Best Morrill, and a selection by Paderewski, was played on the victrola.

LIBERTY WAREHOUSE

Another great week was pulled off at the Liberty Warehouse last week and as usual the farmers were delighted with the prices they received for their produce. Prices are going up all the while at the Liberty and the consequences is that the sales there are increasing. The Liberty bears a most enviable reputation for fair dealing and honest treatment. It has always stood the test and will ever strive so to do, in the future. Mr. Hooker the manager, was delighted with last week's sales and says that he is looking for greater things to happen this week. Farmers coming to Greenville to sell their tobacco should remember that the Liberty is first always, both as to price and treatment. Give the Liberty a trial and see.

FRENCH MOTHER REPLAYS SOLDIERS OLD CLOTHES

(By HENRY WOOD)
(United Press Staff Correspondent)
WITH THE FRENCH ARMIES AFIELD—(By Mail)—This is the story of the "mother" of the French Army—the "Mother" who darns the socks, washes the linen, and mends the clothing of the millions of "poilus" of the French military family. When America finally has a big army on the western front, she will be obliged to establish a "Mother" of her own to perform precisely the same duties as the French one. If, with all the genius of the American race for organization she succeeds in establishing a more practical and a more efficient "Mother" than has France, she will have performed a Twentieth century miracle.

BRITISH "TANK" CAPTURED BOSHCHIE

(By United Press)
LONDON—(By Mail)—This is the way a British tank crew took a prisoner. "Our tank mired down in the mud between the lines" said the Lieutenant "and we skipped out into a nearby abandoned trench. We saw a Fritz wandering around all alone, apparently dazed, and yelled to him to come in. There was such a row of the guns he couldn't hear so one of the men went out to bring him in out of danger. He was in an awful state—trembling all over—but we gave him some cigarettes and he bucked up."

SAMMIES ARE GETTING THE BEST TREAT

"SOLDIERS HEART" NEWEST MALADY

(By United Press)
LONDON—(By Mail)—"Soldiers heart," the newest malady of the trenches, is caused partly by excessive smoking of cigarettes. After a careful inquiry into the subject the Medical Research Committee has reported the cigarettes are a "contributory factor" to the disease. Examination of scores of soldiers suffering from "soldier heart" convinced the investigators that heavy smoking superinduces it. The malady is characterized by abnormal blood pressure and pulse rate. The nervous tension of men in the trenches is another factor, the investigators found.

A Good Reason.

"Does your wife begin complaining about your coming home late?"
"My wife never begins complaining about anything I do."
"You are fortunate."
"Not at all. She doesn't begin complaining because she's never stopped."
—Baltimore American.

All the Same.

In the Stocks.

POPULAR LADY DIED YESTERDAY

After a lingering illness of over a year, but during it all without murmur or complaint, the spirit of May Winnifred Kittrell, aged thirty three entered God's chariot Sunday morning at 4 o'clock and under the escort of Angels, went to meet her Lord. All that was mortal of this Trail tenant of clay was committed to earth Sunday afternoon at 4 o'clock in Cherry Hill Cemetery, the services being conducted by the Rev. J. J. Walker, pastor of the Christian church. The deceased was born October 23, 1884 in this county, and was the daughter of Mr. and Mrs. J. H. Kittrell. She has resided in Greenville practically all of her life, and when death called her resided on Cotanch street. When only two years of age she was afflicted with infantile paralysis, and since that time has practically been an invalid, but was able to get about until a year ago. For eighteen years she has been a consistent member of the Christian Church and did what she could for those less fortunate than she. She had no fear of meeting her Lord and there was no moaning of the bar when she put out to sea. Besides a heart-broken father and mother, she leaves one sister, Mrs. Corlas Harris, to mourn her loss. The funeral services was largely attended, showing the high esteem in which the deceased was held. The following acted as pallbearers: J. H. Starkey, W. T. Forrest, E. H. Evans, J. G. Conington, J. R. Moyer, J. G. Moyer, Fab. Haskins, W. C. Vincent, C. H. Forbes, D. C. Beach and Thomas Beach.
