

J. R. ABEYOUNIS' GREAT CLOSING OUT

—SALE—

AT
The Busy Corner
FIVE POINTS

In announcing this great "CLOSING OUT" Sale, we take pride in offering to the general public a \$50,000 Stock of the Season's most desirable merchandise. Never before in the history of Greenville or surrounding country has such an immense stock been offered at such sacrifice prices. Mr. J. R. Abeyounis, owner and general manager has turned this enormous stock over to Barfield Brothers of the Barfield-Driver Salvage Co., of Wilson, North Carolina, with the understanding that every article is to be reduced to a sacrifice limit. The reason for this great Bargain Upheaval is not from the fact that Mr. Abeyounis needs money, or has a hard stock on hand, but it from the fact that is subject to draft in the Army, so therefore he is offering to you the Greatest Bargain Festival ever offered in this section of the State.
