to complete your academic training, you should be able to command the best churches among us, and then an eighteen hundred salary will look very small to you."

The services held in the main auditorium yesterday morning were enjoyable from start to finish. The music was high class and rendered in a way to please and attract. The discourse of the pastor was in keeping with the occasion. Many attended these enjoyable and delightful services.

The church has the following auxiliaries: Church Board, Ladies Aid Society, Graded Sunday School, Christian Woman's Board of Missions, Mission Band, Christian Endeavor and Senior and Junior choir.

White's Theatre On January 2nd.

At the White Theatre on Wednesday January 2 "The Beauty Shop" that successful musical comedy the book and lyrics of which were written by Channing Pollock and Remond Wolf, and the music composed by Charles J. Gebel will open an engagement and from present indications, capacity houses will greet the large and excellent company throughout the engagement.

It will be remembered that this is the attraction that for a long run played to enormous business at the Astor Theatre in New York, after which it repeated its success in Boston, Philadelphia and Chicago.

The play which deals with the trials of one Dr. Arbutus Budd, a beauty specialist to the ultra fashionable set, is brim full of wit, humor, ludicrous situations and catchy song hits, is a worthy successor to those delightful predecessors by the same authors. "The

Red Widow" and "My Best Girl." Here are some of the songs they sing: "In A Beauty Shop," "I want To Look Like Lillian Russell," "Come Along Little Girl, Come Along," "Saturday Afternoon on Broadway," "All Dressed Up And No Place To Go," "When The Creditor Comes To Call," "Poor Uncle Gazzarus," in "The Beauty Shop," "My Lady Fair" and "We Will Sail Back Home."

As the action of the play takes place in a beauty parlor on Fifth Avenue in New York City and two sea on the Isle of Corsica, Napoleon's native birth it can really be imagined that the scenic presentation will be of the highest order and the costumes, sets, and lighting will be of the most elaborate. The company which now comprises a large number of people well known in the theatrical world, will be mostly made up of the best talent of the Broadway district.

A Merry Christmas to You

A lot of men in this town will have their Christmas made more joyful by the receipt of gifts bought at this store. In that way we are contributors to the Christmas cheer of these men; and that's naturally a cause for pleasure to us, even if they don't count us in on it.

But beyond that we want to extend our greetings and good wishes to all our customers when ever and whatever they have bought, and to all the men and women of Pitt County, whether they buy anything here or not.

We wish you all a Merry Christmas; we hope the day will be wholly happy; that you'll get what you want, or want what you get.
