JAPS HAVE A BIG BILL AGAINST GERMANY

Tokio (By Mail)—Japanese ship-owners, whose ships were sunk by the Germans are considering the question of compensation to be exacted from Germany. Representatives of several of the largest concerns held a meeting of the Kobe Chamber of Commerce recently to discuss this question. According to statements made at the meeting, 32 Japanese ships were lost, totaling 132,384 tons.

A committee of 3 owners was chosen at the meeting to determine the cost of the ships, the amount of money they would have earned had they not been destroyed, the total of the relief funds paid out to the families of the ships' lost crews and the like. It is roughly estimated that the amount of compensation to be demanded from Germany will be about \$100,000,000. Mr. Tamemitsu Ishibashi of the Suzuki Shoten, Kobe, has arrived in Tokyo to take the matter up with the department of communications.

Referring to this matter, Chief Wakanoya of the mercantile marine bureau said:

"It is quite proper that the owners of those ships which were victims of

German lawlessness should demand compensation. It would, however, be a very difficult matter to arrive at a proper estimate of the loss caused by German barbarity. The total tonnage lost in the war on account of submarine warfare is put at 4,000,000 tons, and the survivors of Great Britain and allied countries, whose property has suffered, are considering ways in which compensation is to be exacted. It will be interesting to know the way in which Germany will be induced to pay such compensation."

LA FOLLETTE CLEARED OF DISLOYALTY CHARGE

Washington—By a vote of 50 to 21 the senate today amended a resolution by a majority of the privileges and election committee discharging disloyalty charges brought against Senator La Follette of Wisconsin, by the Minnesota Public Safety commission, because of his speech on the war delivered before the non-partisan league at St. Paul, Minn., September 20, 1917. The resolution said the speech did not justify any action by the senate.

On the vote which was preceded by a vote arraignment of Senator La Follette by Senator Williams of Missis-

suppi, 23 Republican senators and 17 Democrats supported the resolution, while 20 Democrats and one Republican, Senator Smith of Maryland, voted against it. Among those voting in the affirmative were Senators Martin, the Democratic leader, Senator Lodge, the Republican leader, and the two Minnesota senators, Kellie and Nelson. Those opposing the resolution included Chairman Pomeroy of the privileges and elections committee and Senator Saulsbury of Delaware, president pro tem of the senate.

only the Minnesota Safety commission. The senate's action disposes of not only the proceedings which have been pending for more than a year, but, in effect, also of numerous petitions to the senate asking for Senator La Follette's expulsion.

ENORMOUS AMOUNT OF SUPPLIES SENT BY Y. M. C. A.

Cost of Sweets and Smokes for One Month Reaches Staggering Figure—Armistice Didn't End Smoking on Any Front

New York, Jan. 1.—Almost \$4,000,000 worth of smokes, sweets, sporting goods, chewing gum and other commodities was shipped to France during the month of November by the Army and Navy Y. M. C. A. for the use of the American Expeditionary Forces. A statement to this effect has just been issued by the National War Council and tends to demonstrate that the demand for supplies of this character has not been reduced by the fact that hostilities have ceased.

In exact figures the value of the supplies shipped to France was \$3,895,908 and each month's quota will approximate this total until the forces overseas have been materially reduced by demobilization.

The demand for tobacco, cigars and cigarettes has not diminished since the armistice was signed, as witness the fact that \$1,351,000 of the total amount went for the purchase of the weed in some form. In the shipments were 464,911 pounds of tobacco, 198,065,320 cigarettes and 99,700 cigars. As for confectionery, there were 213,800 pounds of hard candy, 175,918 pounds of chocolates and 329,280 packages of cough drops, not to mention 537,600 tins of jams and 6,541,300 pounds of sugar. The chewing gum consignments totaled 6,100,000 packages—enough to load every slot machine in the United States.

PERSHING SENDS MOTT NEW YEAR GREETINGS

Paris, Dec. 26.—Many times during the past year General Pershing has taken occasion to commend the work of the Y. M. C. A. for the soldiers of the A. E. F. and to express his keenest appreciation for the many good deeds done by the "Y" in this country.

On Christmas Day the commander of the American Expeditionary Force sent the following cablegram to Dr. John R. Mott, head of the National War Work Council:

"With a deep feeling of gratitude to the enormous contribution which the Army Young Men's Christian Association has made to the moral and physical welfare of the American Army, I rank first in sending you Christmas greetings and cordial best wishes for the New Year."
