"A SPLENDID TONIC"

Says Hisson Lady Who, On Doctor's Advice, Took Cardui And Is Now Well.

Hixson, Tenn.—"About 10 years ago I was..." says Mrs. J. B. Gadd, of this place. "I suffered with a pain in my left side, could not sleep at night with this pain, always in the left side..."

My doctor told me to use Cardui. I took one bottle, which helped me and after my baby came, I was stronger and better, but the pain was still there.

I at first let it go, but began to get weak and in a run-down condition, so I decided to try some more Cardui, which I did.

This last Cardui which I took made me much better, in fact, cured me. It has been a number of years, still I have no return of this trouble.

I feel it was Cardui that cured me, and I recommend it as a splendid female tonic.

Don't allow yourself to become weak and run-down from womanly troubles. Take Cardui. It should surely help you, as it has so many thousands of other women in the past 40 years. Headache, backache, sideache, nervousness, sleeplessness, tired-out feeling, are all signs of womanly trouble. Other women get relief by taking Cardui. Why not you? All druggists.

Telephone Troubles

Telephone employees are constantly trying to prevent trouble of any kind in the workings of the equipment, and to repair such troubles as soon as possible after they occur.

Subscribers are asked to report trouble immediately, and to exercise a reasonable patience while it is being cleared.

If you do not see a man actually working on your telephone, it does not mean that you are not receiving proper attention.

The difficulty may be at the switchboard, in the cable or at any one of several other places. Two or three men may be at work hunting it down.

It is always our first consideration to clear troubles promptly.
