## STAR WAREHOUSE

Greenville, N. C.

### MINSTREL SHOW LAST NIGHT WAS ONLY FAIR

Vogel's minstrels played to a large house at White's theatre last night. In some respects the show was disappointing. The costumes looked the worse for wear and the orchestra was not what it should have been. The solo work of Elliott and Samson and the yodeling medley by Al Tint and the specialties by Harley Morton and the great Knetzger, master of the rolling hoops, etc., were decided features of the show. Some of the jokes were new while others have been heard often before. There have been better shows in Greenville and there have been worse.

Mr. F. M. Kilpatrick of Ayden was a business visitor in the city yesterday.

### BIG PICTURE LOCAL THEATRE FOR THURSDAY

Lucy Cotton, who has the chief feminine role in "The Miracle of Love" the picture at White's Theatre tomorrow, matinee and night, is a Texas girl who has sprung into much prominence recently for her fine work on the stage and screen. Miss Cotton started her dramatic career in "The Quaker Girl," playing second understudy to the star until a fortunate (for Lucy) accident gave her the opportunity to appear in the lead and attract the attention of the manager and the public. That was the beginning of a speedy rise to fame via "Little Women," "Turn to the Right," and "Up in Mabel's Room."

#### NOT SO WELL

The condition of the son of Supt. S. B. Underwood, who has undergone two operations in the Moore-Herring Hospital in Wilson, is reported to be not so well today. It is said that complications have arisen which are giving the surgeons much concern.

Cardui, the woman's tonic, helped Mrs. William Eversole, of Hazel Patch, Ky. Read what she writes: "I had a general breaking-down of my health. I was in bed for weeks, unable to get up. I had such a weakness and dizziness, . . . and the pains were very severe. A friend told me I had tried everything else, why not Cardui? . . . I did, and soon saw it was helping me. . . . After 12 bottles, I am strong and well."
