PENN. GOVERNOR DONT CARE FOR STAFF HE SAYS

(By Associated Press.)

Harrisburg, Pa.—Governor William
C. Sprout has decided not to avail him-
self of the time-honored privilege of
appointing a personal staff. He re-
flected at the thought of being followed
about by a retinue decked out in gold
braids, swords and military trappings.
He will struggle through his term as
governor without it.

"A SPLENDID TONIC"

**Says Hixson Lady Who, On Doc-
tor's Advice, Took Cardui
And Is Now Well.**

Hixson, Tenn.—"About 10 years ago
I was..." says Mrs. J. B. Gadd, of
this place. "I suffered with a pain in
my left side, could not sleep at night
with this pain, always in the left
side..."

My doctor told me to use Cardui. I
took one bottle, which helped me and
after my baby came, I was stronger
and better, but the pain was still
there.
I at first let it go, but began to get
weak and in a run-down condition,
so I decided to try some more Cardui,
which I did.

This last Cardui which I took made
me much better, in fact, cured me. It
has been a number of years, still I
have no return of this trouble.
I feel it was Cardui that cured me,
and I recommend it as a splendid fe-
male tonic.

Don't allow yourself to become
weak and run-down from womanly
troubles. Take Cardui. It should sur-
ely help you, as it has so many thou-
sands of other women in the past 40
years. Headache, backache, sideache,
nervousness, sleeplessness, tired-out
feeling, are all signs of womanly trou-
ble. Other women get relief by taking
Cardui. Why not you? All druggists.
