

N. S. RAILROAD BUYS D. AND S. C.

The State Corporation Commission was advised by the president of the Norfolk Southern Railroad yesterday that his company had acquired the Durham and South Carolina Railroad, running from Durham, southwest to Ronsal, on the Seaboard Railway and connecting with the Norfolk Southern line to Charlotte at Duncan in the northern end of Harnett county. No details of the transfer were given in the telegram and no local representative of the company knew anything about it.

The acquisition of the line will give the Norfolk Southern a direct access from Norfolk to Durham and will probably be materially improved during the next few months. The line was built 15 years ago by the Chatham Lumber Co., and later sold to the Williams interests at Lynchburg. Recently it was bought by several of the stockholders of the American Tobacco Company, and much of the products of the company shipped from Durham over it. The line is capitalized at \$500,000 in addition to paid-in capital. It is 37.38 miles in length.

Bristol, Va.—The discovery of the body of a farmer, on the outer edge of North Holston woods, part of J. L. The coroner's verdict stated that he had died of heart failure.

One pint of gasoline is said to contain enough power to lift six tons 750 feet into the air. So maybe that's what's raising the price of the stuff.

You Feel That Way If Your Blood Is Starved for Red Cells

PEPTO-MANGAN MAKES RED BLOOD

Overcomes That Languid Feeling That Cheats You Out of Work and Fun

You say, "I wish I could go, but I don't feel able." Your friends say, "Are you ill?"
You are not exactly sick, you just feel unable to approach work or play in the old, vigorous spirit.
The high speed at which Americans live sometimes taxes their strength. The blood is weak, lacking in red cells. When this condition exists, Gude's Pepto-Mangan taken three times a day shows quick benefits. Pepto-Mangan is known to physicians as The Red Blood Builder. It increases the supply of rich, healthy blood and in the absence of deep-seated disease this means health and strength for men, or women or children.

Pepto-Mangan is put up in both liquid and tablet form. Both forms are exactly alike in medicinal qualities. When you order Pepto-Mangan, be sure to ask the druggist for "Gude's" and look for the name "Gude's" on the package. If "Gude's" is not there, it is not Pepto-Mangan.—Adv.

FLOCK OF MICE HAD NEST OF REAL MONEY

For some time Hugh Paul has been missing bills out of his cash drawer and, in spite of the fact that he kept careful watch, was unable to locate the robbers. It wasn't until yesterday morning, when he happened to be moving some boxes under the counter, that he came across a nest of small mice, who were curled up comfortably within a border of bills which totalled \$17.00. The father-mouse or mother-mouse had crawled into the cash drawer through a hole in the rear and had selected her "bedding" from the bills in the till.
"Even the mice had gotten wise to the high cost of living," says Mr. Paul.—Washington Daily News.

TEN COMMANDMENTS FOR MODERN WIVES

Los Angeles, Cal.—"How to Hold a Husband" is condensed into ten commandments for modern women by Rev. P. R. Knickerbocker, who recently gave to Los Angeles women the benefit of his experience in this dialogue.

- 1—Thou shalt have no other man except thy husband; neither shalt thou eye another.
- 2—Thou shalt not neglect thy home for a bargain sale or club or surrogate propaganda.
- 3—Thou shalt not be a peach on the street, a pippin in society and a lemon in the house.
- 4—Thou shalt not wear \$50 bonnets and imported lingerie when thy husband wears 5 cent socks and hand-me-down trousers.
- 5—Thou shalt not play bridge whist for gain, neither shalt thou sip the sparkling glass.
- 6—Thou shalt use the same blandishments on thy husband as thou diest use on thy sweetheart and he shall always be thy lover.
- 7—Thou shalt not nag thy husband nor thy son nor thy daughter nor thy servant.
- 8—Thou shalt suffer children to come, for thy greatest name is Mother.
- 9—Thou shalt not neglect to pray for thy children or to spank them.
- 10—Thou shalt not rear thy children by proxy, but thou thyself shalt be their mother.

GARDNER IS RUNNING STRONG IN HYDE CO.

"Max Gardner is unquestionably the big favorite in Hyde county and

will get a big majority of votes at the primary," said E. L. Stewart this morning, who has just returned from a speaking tour through that county.
"The people of Hyde admire Mr. Gardner for the stand he has taken on public questions" continued Mr. Stewart, "and they are very much interested in his candidacy. I talked with residents of practically every part of the county and the opinion was expressed by everyone that Gardner would lead in the primary."
"Next to Gardner, Page seems to be the favorite. There is very little Morrison sentiment."—Washington Daily News.

Gentlemen:

For nearly forty years New Hanover County and the Cape Fear Section have had no representation among our Democratic State Officials.

In presenting Senator W. B. Cooper for Lieutenant the Democratic ticket. We ask you to support him, and ant-Governor, we offer a man fully competent and qualified to fill the position, one who has always voted protect his interest at the polls on June 5th, especially since the good County of Pitt has furnished our very efficient Secretary of State for many years, and no opposition is offered in the present primary.

One State official from Pitt and one from New Hanover would seem reasonable.
