ANOTHER KNOTTY PROBLEM FACING GOVT. HOLLAND

Has Received a Demand From the Belgian Government for Extradition Prof. de Vreeze.

THE HAGUE, Nov. 2.—Holland, which refused to surrender the former German Emperor to the Allies for trial has another knotty problem in a demand from the Belgian government for the extradition of Professor de Vreeze, formerly librarian of Ghent university, a political refugee and now librarian at Rotterdam.

Professor de Vreeze is one of the Flemish Belgians who during the German occupation of their country sought with German aid, to separate Flanders, the Dutch-speaking part of Belgium, from the French speaking part. Many of them, when the armistice showed that Germany was beaten, fled to Holland. In their absence, they were convicted of treason and some of them are under sentence of death. Professor de Vreeze is accused as a leading "activist" in the Flemish separatist movement. Considering this a political offense and therefore not extraditable, the Dutch government would not give him up.

Now, at a time when relations between Holland and Belgium are strained because of commercial treaty complications and the renewed efforts of Belgium-Flemish activities toward the separatist movement, Belgium has demanded the extradition of De Vreeze, this time on grounds, which, if proved, Holland might consider, while it would not consider a political offense.

Grow Your Hair FREE RECIPE

Or testing box of the preparation, Kotako, will be mailed with recipe if you send 10 cts., stamps or silver. His address is John H. Brittain, DT-301, Station F, New York, N. Y.

PERCHED ON A HIGH STOOL IN AN OFFICE

Many a Brain is Trying to Work With Weak, Thin Blood

MORE RICH, RED BLOOD NEEDED

Pepto-Mangan Gives You the Health To Tackle Your Daily Work With Vigor

If you sit at a desk all day in an office, whether you are perched on a high stool or seated in an upholstered chair, your body is inactive. You can't get much fresh air and outdoor exercise. Your blood becomes weak. You look pale and feel weak.

The great tonic, Pepto-Mangan, is what you need for awhile. It makes rich, red blood. It restores your vital energy. Your color comes back.

When your blood is good, full of red corpuscles, you have better able to resist disease. You go about your daily work with the optimism of good health.

Try Pepto-Mangan and notice how you improve.

Pepto-Mangan is sold in both liquid and tablet form. Take either kind you prefer. Both have the same medicinal value. Be sure you get the genuine Pepto-Mangan—"Gule's." The full name, "Gule's Pepto-Mangan" should be on the package.—Adv.
