FOR ASTHMA, BRONCHITIS, CATARRH, COLDS, LA GRIPPE, ETC. CONSUMPTION PREVENTIVE—NOT A PATENT MEDICINE.

There are few diseases more prevalent than Asthma; few more distressing and painful and few more tenacious and dangerous. The several forms are known to medical science as Bronchial Asthma, Catarrhal Asthma, Hay Asthma (latter more commonly known as Hay Fever). Repeated attacks result in a chronic Asthmatic condition, the symptoms of which are a dilation of the lungs and bronchi, and tubercular formations. La Grippe and even the simple cold neglected often lead to fatal results. There is nothing more menacing to one's health than the ordinary cough or cold. THE EIKER HOPF REMEDY is a specific for all of the above troubles. It has helped and relieved thousands and will help you. THE EIKER HOPF REMEDY is in no sense a patent medicine, but is a legitimate prescription and the outcome of years of study, investigation and experiment by Prof. H. H. Eiker, one of the world's leading physicians. If your druggist does not keep it, upon receipt of \$1.00 either cash or money order, we will send a bottle with full directions to any part of the United States or Canada. Within the past ten years thousands of testimonials have come to us from sufferers cured of Asthma, Bronchitis, Catarrh and Hay Fever. Every home should have a bottle always on hand as a specific for the simple cold. See that the "Bull's Eye" trade mark is on every bottle. No other is genuine. WILLIAMS MEDICINE CO. 108 Fulton St., New York City.

**Sow Wood's Cow Peas**  
After Harvesting Grain Crops

Farmers should make every preparation to sow all the COW PEAS possible after harvesting grain crops this year, so as to increase the fertility and productivity of their lands for crops to follow.

**The Sowing of Cow Peas at the Last Working of Corn**  
is also to be strongly recommended. Farmers who have practiced this claim that the sowing of Cow Peas in corn increases the yield of corn, and at the same time it makes a most desirable soil-improving or forage crop.

Write for "WOOD'S CROP SPECIAL" giving prices and information about all Seasonable Seeds.

## GRAND JURY SCORES CAMP FOR CONVICTS

Says Ridgeway Prison Barracks Are Not in a Sanitary Condition

## STOP PATRONAGE

Judge Daniels Orders That No More Criminals Be Sent to Warren Roads to Be Quarantined at This Place

Warren county's convict camp near Ridgeway, where a number of prisoners from Vance county are doing their road sentences, was roundly denounced with regard to its sanitary condition by the grand jury sitting at this term of superior court in its report given to Judge Frank A. Daniels Wednesday. A committee of the grand jury investigated the camp during the week and found very undesirable conditions existing. Judge Daniels ordered that no more Vance county prisoners be sent there.

Several weeks ago Chief of Police J. M. Williams visited the camp and reported that conditions were satisfactory, his inspection being due to the fact that a number of offenders had been sent there from the Municipal Court. Judge John H. Kerr, of Warrenton, wrote Colonel Henry Perry, clerk of the court here, that the camp was one of the best he knew anything about, and that conditions were satisfactory. Colonel Perry himself visited the place several days ago, though not in an official capacity, and brought back virtually the same report as that made by the grand jury.

The jury also found that the prisoners in the county jail complained of insufficient food. The county home was declared to be in satisfactory condition.

## UNIVERSITY WILL BE A MILITARY SCHOOL

Matter Taken Up With War Department—Graduates in Military Training Will Be Qualified to Seek Commission.

Washington, June 20.—The Secretary of War advised Senator Overman that the University of North Carolina is to be recognized officially as an officers' reserve training school, thus putting it on a parity with the Universities of Virginia, South Carolina and other nearby states.

This means that graduates who receive military instruction at the institution will be facilitated in qualifying for entrance into the army camps for the intensive training of officers. The War Department will send an American officer to Chapel Hill to train students seeking education in military tactics. President E. K. Graham, of the University of North Carolina, came to Washington to urge official recognition of his institution as a military training school. While that institution has been conducting military training under the direction of a Canadian officer, it was not officially included in the War Department's list of colleges whose graduates would be eligible for entry into the officers training camp.

Will Correct Situation. Senator Overman and President Graham visited the War Department and presented the matter to the Secretary of War. Following this conference the Secretary of War promised official recognition of the University and North Carolina boy's ambitions for army service as officers will be given their initial training at Chapel Hill. It has not been decided what army officer will be assigned from here to the University.

"The Secretary of War," said Senator Overman, "has just promised to correct the situation and officially recognize the University as a reserve officers' training school. When the oversight was called to his attention and the facilities of the school explained, he agreed to send an officer to Chapel Hill and to recognize its military graduates as the graduates of various other states universities and national colleges are recognized in the process of obtaining officers for our army."

## FULCHER SEDUCTION CASE GOES TO JURY

Occupied Time of Court Wednesday Afternoon and Thursday Morning

## GEHRING CASE UP

Assault Charges Being Heard in Afternoon—Vance Harris Is Given Year on Roads For Retailing.

The case in which Starkey Fulcher is charged with seduction, went to the jury in superior court just before the court adjourned for the noon recess Thursday, after all of Wednesday afternoon and Thursday morning had been occupied in taking testimony and the argument of counsel. Judge Frank Daniels delivered his charge to the jury just before the noon recess.

Immediately upon the reassembling of the court in the afternoon J. E. Gehring, a white man, was to go on trial charged with committing a criminal assault upon a young white girl, a deaf mute. A special venire had been called from which to pick the jury. It was expected that the case would occupy all of the afternoon.

Vance Harris was found guilty Wednesday afternoon of retailing liquor, and was sentenced to twelve months on the county roads.

Please Falkner was acquitted of the accusation of disorderly conduct. Two divorces were granted Thursday, one to white people and one to a colored couple.

## RALLIES IN COTTON NOTED AT OPENING

Market Steady At Outset With General Increases In The Prices

(By the Associated Press.)  
New York, June 20.—There was a steady tone in the cotton market early today which seemed to reflect apprehension of less favorable crop reports from Texas, should hot weather continue, and the encouraging war news. The opening was steady at a decline of 5 points on July but generally 1 to 6 points higher, and the active months sold 15 to 23 points above last night's closing during the early trading. After selling at 26.20 on the call, July rallied to 26.40, while October sold up from 24.45 to 24.68. Cotton futures opened steady: July 26.20; October 24.45; December 24.08; January 23.97; March 23.95.

## SPECIALTIES LIST FEATURES STOCKS

Whole List Reflects Further Favorable War News From Europe

(By the Associated Press)  
New York, June 20.—Specialties were the chief features of the strong opening of today's stock market, although the whole list reflected the further favorable war news. Tobacco issues, notably United Cigars and Sumatra, rose 1 to 2 1-2 points. Industrials of the war class were less active, but equipments, shippings and oils made irregular gains. Brooklyn Transit was the only heavy stock, losing 1 1-4 points. Rails lagged, except Reading and secondary coalers. Liberty Bonds were steady.

## HOTEL PORTER OF ROME DIDN'T RECOGNIZE KING

Monarch of Montenegro Called, But Hotel Employee Tried to Be Smart Toward Him.

(Correspondence Associated Press.)  
Rome, May 21.—One haughty hotel porter of Rome was humbled on the occasion of the recent visit of King Nicholas of Montenegro to his daughter, Queen Helena of Italy. "Uncle Nicholas," as he likes to be called by the people of Rome, came incognito and wore a plain business suit, instead of his national costume. Calling at one of the leading hotels, the King asked the porter to take him to the Baron Romano Avezzano, formerly Italian Minister to Montenegro.

"Who shall I say wants to see the Baron?" casually inquired the porter, looking at the white-haired old King with the haughty stare of porters who are trying to protect distinguished persons. "The King of Montenegro," answered the old gentleman, smiling good-naturedly.
