Some Of City League Teams Are Already Training

ORGANIZATION TO BE HAD SATURDAY

Number of Problems Con. nected With Local Circuit To Be Settled

With chances of the city baseball league opening within the next tendays, some of the teams have already started training. A number of the hopefuls played the O'Neil Sluggers vesterday afternoon at the ball park

in just a practice tilt and were swamped 15-3 by that strong nine.

A complete organization of the league is yet to be done, but steps are going forward every day in assessmiling teams and players and other going forward every day in assem-bling teams and players, and other incidental work that must be carried out before regular play can be start-ed. It is thought that Saturday night's meeting will be the major step toward the real organizing of the loop, with the managers of the different teams. who are also directors of the league present, together with the other officers. This group is to formulate plans for the carrying on the loop through the summer, and will discuss the financing of the circuit, but this is thought to be a very small matter to handle in the face of some of the major obstacles that are looming at the present time that may require a good deal of work to get

No definite finanicial plan has been worked out just yet, but it was sug-
