BRUENING CABINET IN BERLIN RESIGNS AND LEAVES OFFICE

No Personal Differences With President Hindenburg, But At Odds on Certain Policies

SPLIT ON DIVIDING JUNKERS' ESTATES

Hindenburg Unwilling To Break Up Large Landed Estates Into Small Farms; Will Follow Usual Channels In Forming New Ministry To Serve

Berlin, May 30. (AP)—Chancellor Heinrich Bruening and the members of his cabinet resigned today, and the resignations were accepted by President Paul von Hindenburg.

For more than two years, two of the most critical years in Germany's history, Chancellor Bruening fought his way through a series of crises that would have unseated many another premier.

President von Hindenburg announced that he intended to follow regular parliamentary procedure in forming a new cabinet. This means that he will first summon Paul Loeb, speaker of the Reichstag, and then, in turn, the leaders of the various parties in the order of their present Reichstag strength.

It was semi-officially announced that no personal differences existed between the president and Dr. Bruening, and that the old field marshal would write the retiring chancellor a letter expressing his appreciation and affection.

During his stay in East Prussia, from which he just returned, the president was so beset by friends who supported him in 1925, and who objected to the cabinet plans for dividing Junkers' estates to make room for small farms, that he felt he could not sign emergency decrees making those plans effective.

It also was reported that he objected to provisions in proposed emergency decrees which would have provided for further sacrifices in the form of "tax on persons employed" on part of Germany's vast army of government job holders.

FOUR BOUND OVER IN BANK ROBBERY

Troy, May 30. (AP)—Four men charged with the daylight robbery of the Bank of Biocoe May 21 today waived preliminary hearings in recorder's court here and were bound over to superior court.

Recorder W. E. Cochrane set bond at \$5,000 each. The next term of criminal court for Montgomery county convenes July 11.

BROWN UNABLE TO GET INTO THE AIR

Seattle-Tokyo Flier Halted Second Time; Bromley Flying U. S.

Seattle, Wash., May 30. (AP)—Nat C. Browne, New York aviator, started to take off here today to refuel in the air for a projected non-stop flight to Tokyo, but stopped in front of the administration building.

(By the Associated Press.) The solitary skies smiled a dare to today to two trusted rangers of the air.

Nat Browne, Texas cowboy turned flier, had an eye on the prize money that will go to the man who makes a successful flight from America to Japan before June 1. He started yesterday from Seattle, but was forced to turn back when his oil line went bad. He was in the air about seven and one-half hours.

Harold Bromley, another Texan with long distance flying ambitions, had a long day's transcontinental flight ahead of him from New York City to Burbank, Cal. He took off in his oil burning orange-winged plane at 4:01 a. m., EST, from Floyd Bennett field, Brooklyn.

BORAH AND HOOVER ARGUE DRY PLANK BUT KEEP SILENT

Any Way, Borah Is Still Determined Not To Attend Republican Convention In June

HAS DRAFTED OWN PROHIBITION PLANK

But Closely Guards It From Public Gaze; He Wrote Enforcement Pledge In 1928; Senator Breakfasts With Hoover And They Talk Sales Tax

Washington, May 30. (AP)—For the second time in ten days President Hoover and Senator Borah, of Idaho, dry champion, today discussed the subject of a prohibition plank in the Republican platform, but whether they came any closer to an agreement was not made known.

The impending sales tax dispute in the Senate also was given some attention at a White House breakfast conference between the president and his leading campaigner in 1928.

Senator Borah indicated afterwards that he had not changed his plan to remain away from the Chicago convention.

The senator has drafted his own prohibition plank, but is closely guarding its text. He shaped the rigid enforcement plank of 1928 and is known to hold the view that the only true referendum on prohibition or any other subject is by the election of members of Congress to carry out the will of the electorate.

Death Penalty Is Drawn From Kidnap Bill In Congress

Washington, May 30. (AP)—The Senate Judiciary Committee agreed today to report favorably on the bill of Senator Patterson, Republican, Missouri, for Federal punishment of kidnapers, removing its optional penalty of the death sentence. It provides imprisonment for any term the court desires upon defendants convicted of transporting a kidnaped person from one state to another.

51 ARE SIGNED AGAINST SALES TAX IN SENATE

Washington, May 30. (AP)—Fifty-one senators, a majority of the Senate's 96 members, were described today as having signed a pledge to vote against a sales tax. Senators LaFollette, Republican, Wisconsin, and Harrison, Democrat, Mississippi, who circulated the petitions, made the announcements off the floor, while the Senate was driving toward a vote on a proposal to substitute the general sales tax for some of the ex-

cise levies in the bill. Senator LaFollette said 16 Republicans signed his petition, while Harrison reported 35 Democrats pledged in opposition.

A little earlier the Senate had rejected a House tax of one-fourth of one percent on stock transfers. This leaves a four cents per share stock tax on such sales, however, in the bill.

President Hoover was ready to send a message on the bill to the Senate, but withheld it.

Ehringhaus As Governor And Morrison As Senator Expected To Be In Lead

Mayor's Brother

Advance Forecast Gives Ehringhaus 135,000, Fountain 115,000 and Maxwell 100,000

RESULT PREDICTED COUNTY BY COUNTY

Vance Conceded to Ehringhaus, With Warren Probably to Fountain; Contest Apparently Is Becoming Increasingly Close In Many Parts of the State

Daily Dispatch Bureau, in the Sir Walter Hotel, by J. C. BASKERVILLE.

Raleigh, May 30.—J. C. E. Ehringhaus will be high man in the contest for the Democratic nomination for governor in the primary Saturday, June 4, with R. T. Fountain probably second and A. J. Maxwell third, according to the opinion of almost all of those who have been studying the political situation over the State recently, and based on reports of impartial observers.

In the contest for the nomination for the United States Senate, the bulk of opinion is that Senator Cameron Morrison may be able to get a lead from 10,000 to 15,000 over Robert R. Reynolds in Saturday's primary, although most of these who think Morrison may lead admit that at present Reynolds seems to have a better chance to be high man than Morrison. Frank D. Grist is generally conceded

\$75,000 IS ASKED FROM GOVERNMENT TO CARE FOR MEN

Colorado Senator Offers Bill For Federal Appropriation To Feed Marchers In Capital

DISTRICT RELIEF FUND BEING USED

But Group Is Told It Must Leave In 48 Hours For Sum Will Be Exhausted; Others on the March from Louisiana To Join Comrades in Capital

Washington, May 30 (AP)—A weapons army camped on Washington today determined to stay here until Congress surrenders to its uncompromising demands.

The army was made up of men who fought in the World War, 1,300 or more of them, beseeching at this difficult pass in the nation's plight that their service bonus be paid in full immediately.

Sixteen truckloads of them, gathered from across the broad sweep of the country, entered the capital from Maryland yesterday, weary and stained with the grime of haphazard travel.

Others already had filtered in, a few at the time, and more were expected. They were fed and housed in a vacant building, under arrangements made personally by a former brigadier-general of war days, police superintendent Glassford. He told them they would have to leave in 48 hours to save the local relief funds for such destitution that Washington's own destitute would be forced to go hungry.

But the leader of the most organized contingent, 330 men from the Pacific coast—replied they would stay, till the bonus is paid.

COLORADO SENATOR ASKS FUND TO FEED MARCHERS Washington, May 30 (AP)—A \$75,000 Federal appropriation to care for the war veterans who have converged on Washington to demand immediate payment of the soldiers bonus was proposed in a bill introduced today by Senator Costigan, Democrat, Colorado.

300 MORE ON THE WAY FROM LOUISIANA TOWN

Bay St. Louis, Miss., May 30 (AP)—Three hundred World War veterans en route from New Orleans to Washington to insist on bonus legislation arrived here today with tired and aching feet because of having walked 50 miles from Louisiana.

They camped there yesterday to await freight trains, but none passed so they continued the journey afoot.

The brigade made camp in a park on the outskirts of Bay St. Louis to await any mode of transportation offering itself.

Six Pilots Ready To Start Balloon Contest at Omaha

Omaha, Neb., May 30. (AP)—Undaunted by unfavorable weather, six veteran pilots inflated their balloons today for the national championship tests.

A heavy rain caused officials to debate the advisability of postponing the entire closing day's program, but whipping winds blew the rain away and Manager Phil Henderson announced the entire program would be run.

House Is Ready To Quit, Garner Says

Washington, May 30. (AP)—The "guess" that Congress will be in session until July 1 was made today by Speaker Garner at a conference with newspapermen.

"It's all up to the Senate. The House can get ready to quit by June 15," he said.

"BUSINESS" WANTS CONGRESS TO QUIT

"Waves" of Letters And Telegrams To That Effect Reach Capital

RECOVERY IS DELAYED

Demand Is That Congress Balance the Budget and Go Home, and Many Would Like It To Stay There Long While

By CHARLES F. STEWART, Central Press Staff Writer

Washington, May 30. Few things are clearer than that "business" desires Congress to balance the budget and go to the conventions or the ball game or anywhere else, away from the Capitol buildings, and stay away until December 5, when it is due to meet again under the constitution—although the impression I get is that "business" would be glad if an amendment could be put through in the meantime, staying off another session.

Speedway, Indianapolis, Ind., May 30. (AP)—At 275 miles in the 500-mile automobile race today, Ira Hall, Terre Haute, Ind., had moved into the lead, with Howard Wilcox, Indianapolis, second, and Louie Schneider, also of Indianapolis, third.

Hall covered the 275 miles in 23:7:04.89, averaging 105.041 miles an hour. Billy Arnold, 57-year-old Chicagoan, winner of the 1930 classic, smashed into a retaining wall while leading the race, but was not seriously hurt. Fifteen of the 40 entries had dropped out.
