U. S.--British Complications Feared In Lindbergh Probe Suicide

cratic Holiday

ENGLAND AROUSED IN GIRL'S SUICIDE

Poor English Waitress Made
Goat of Chagrin of Officers
In Their Inability To
Solve Mystery, London
Paper Says; Talked In
Parliament Also

London, June 13. (AP)—The suicide
of Violet Sharpe, English waitress in
the home of Mrs. Dwight W. Morrow,
in Englewood, N. J., may become an
international affair.

Labor members of the British Par-
liament have signified their intention
of asking the British government to
make representations to the govern-
ment of the United States over the
suicide.

They planned to make the request
during a general questioning on the
matter in the course of today's session.
London newspapers express indigna-
tion against the New Jersey police.
Some accused the officers of driving
the girl to suicide by their question-
ing in connection with the Lindbergh
case. The Daily Herald, Labor organ,
accused them of "venting their char-
ge on their failure in the Lindbergh
case on a poor English servant girl."

Trenton, N. J., June 13. (AP)—
Senator Emerson L. Richards, Repub-
lican leader, today asserted an in-
vestigation of the entire police handling
of the Lindbergh kidnapping case was
virtually a certainty.

"The Lindbergh case," the Senator
declared, "has been slaughtered to
make a Democratic holiday."

Commenting on the suicide of Violet
Sharpe, waitress in the Englewood
home of Mrs. Dwight W. Morrow,
grandmother of the murdered baby,
after police questioning, the Senator
said five major blunders had been
made by the State police and de-
tectives.

The blunders he listed were the de-
tention of "Red" Johnson, Betty Gow's
sweetheart, the futile payment of \$50,-
000 ransom money by Dr. John F.
Condon, aged Bronx intermediary;
John H. Curtis, head of Colonel Lind-
bergh and the police; the finding of
the baby's body five miles from the
Lindbergh estate at Hopewell, and,
finally the suicide of the Morrow
waitress.

dam Coal Company

Norton, Va., June 13. (AP)—Seven
men were reported to have been
caught today behind an explosion in
the Splashdam Coal Corporation mine,
about 35 miles from here.

Measure news of the explosion and
a call for help came to the office of
the Virginia Coal Corporation this
morning. A group of official and re-
scue workers left here for the scene.
Telephone connection could not be
made immediately, and no other de-
tails were given in calling for a rescue
squad.

MORRISON SHAKES HIS COCKSURENESS

Rolling Up His Sleeves To
Go To Work, Recogniz-
ing His Plight

HE AWOKE TOO LATE

Same Attitude Two Months Ago Might
Have Spared Him Necessity of
Second Primary for Sen-
atorial Nomination

Daily Dispatch Bureau,
In the Sir Walter Hotel,
BY J. C. BARKER.

Raleigh, June 13. If external ap-
pearances count for anything and
have any significance, Senator Cam-
eron Morrison really meant what he
said a few days ago, when it was
finally determined that Robert R.
Reynolds had a lead of about 15,000
votes over him in the first primary
for the Senatorial nomination, when
he said "I have just begun to fight."
There is no doubt that Morrison is
now making up for lost time and is
bending every effort to get a strong
campaign organization perfected as
soon as possible, since the second pri-
mary is to be held July 2. It is ap-
parent that Morrison is going into
this second primary campaign with
the determination to win. The spank-
ing he was given in the first primary

Gross Incompetence Is
Charged by Rainey, Ma-
jority Leader In The
Lower House

ADDITIONAL TAXES
MAY BE NECESSARY

Crisp Says, However, He
Does Not Think More Are
Needed; Estimate Bills
Just Passed 150 to 200 Mil-
lion Dollars Short of Re-
quirements

Washington, June 13. (AP)—A
statement by administration leaders
that the new revenue and economy
bill would lack \$150,000,000 to \$200,000,-
000 of balancing the budget drew sharp
criticism today from House Demo-
cratic leaders.

Representative Rainey, of Illinois,
House Democratic leader, told news-
paper men the Treasury's "gross in-
competence has been shown by the
estimates that \$150,000,000 to \$200,000,-
000 more is needed to balance the
budget."

He added that it was his opinion
this new estimated deficit should be
met only by additional taxes. But
Representative Crisp, of Georgia, act-
ing chairman of the House Ways and
Means Committee when it handled the
new law, said in an interview that he
saw "no need for more taxes."

EHRINGHAUS STILL WAITING FOUNTAIN

Lieutenant Governor Wants
Some One Else To Call
For Primary

Daily Dispatch Bureau,
In the Sir Walter Hotel,
BY J. C. BARKER.

Raleigh, June 13.—J. C. B. Ehring-
haus, who led Lieutenant Governor
R. T. Fountain by more than 47,000
votes in the first primary for the
Democratic nomination for governor,
is still keeping his headquarters open
here, waiting for Fountain to decide
whether or not he will call for a sec-
ond primary. Fountain announced last
week that he might reach a decision
today. In the meantime, Ehringhaus
seems very little concerned.
"If Mr. Fountain wants a second
primary, we are prepared to give it to
him," Ehringhaus said today. Satur-
day Ehringhaus emphatically stated
that he had not and would not align
himself with either of the senatorial
candidates, should there be a second
primary, pointing out that he had
paddled his own canoe thus far and ex-
pected to paddle it to the end.

Opinion continues to prevail here
that Fountain is playing a game to
keep both Ehringhaus and Morrison
guessing as long as possible and that
he is trying to maneuver Morrison in-
to calling for the second primary

Detroit, Mich., June 13. (AP)—
Harry Fleischer, who surrendered to
police last week after being sought
for months in connection with the
Lindbergh kidnapping, stood mute to-
day when he was arraigned in re-
corder's court on a murder warrant
outstanding for nearly a year. A plea
of not guilty was entered and Fleis-
cher was remanded to jail.

Patton Favorably Reported for Job U. S. Attorney Here

Washington, June 13. (AP)—The
Senate Judiciary Committee today re-
ported favorably on the nomination of
Frank C. Patton to be United States
attorney to the western district of
North Carolina.
Patton was nominated to take the
place for which Charles A. Jonas was
first named by President Hoover. The
Senate refused several weeks ago to
confirm Jonas, who has served about
a year under a recess appointment.

Morrow Suicide Maid and Sister

Made in her native London before the shadow of tragedy touched her life,
this picture, radiated from London to New York, shows Violet Sharpe
(left) with her sister, Emily. Violet committed suicide at the home of
Mrs. Dwight W. Morrow, where she was a maid, after naming Ernest
Brinkert, a White Plains, N. Y., taxi driver and ex-convict, as her com-
panion on the night the Lindbergh baby was kidnapped. She had been
repeatedly questioned as to her whereabouts on that night. Brinkert was
arrested at New Rochelle, N. Y., and is held for questioning.

Illinois Delegation May Urge Dawes Candidacy

Will Decide Tonight Whether To Urge Him For Vice-
President in Place of Curtis; Bingham, Wet Delegate,
Dissatisfied With New York's Proposal

Chicago, June 13. (AP)—In the
most definite mood to seek another
man in the second position of the Re-
publican ticket, the Illinois delegation
will consider tonight whether to place
Charles G. Dawes in nomination
against Charles Curtis.

Whether the retiring president of
the Reconstruction Corporation and
former ambassador to England would
again be willing to run for the vice-
presidency is a point of uncertainty.
Senator Bingham, of Connecticut,
an anti-prohibition leader, today de-
clared himself dissatisfied with the
prohibition repeal proposal agreed up-
on by the New York delegation, and
said he would insist that the Repub-
lican convention declare itself in favor
of repeal as well as for submission
of the question.

PROSECUTOR DOUBTS VERACITY OF MEANS

Washington, June 13. (AP)—The
veracity of Gaston B. Means was
questioned today by United States At-
torney Leo A. Rover as the prosecu-
tion opened jury argument in the
trial of the ex-convict on charges of
swindling Mrs. Evelyn Walsh McLean
out of \$104,000.
Mother love, Rover said, impelled
Mrs. McLean to hope she could aid
in returning the kidnapped Lindbergh
baby, while Means was "willing to
capitalize on human misery and woe."
She is alleged to have given Means
the money to recover the child.

Ex-Soldiers Camping In Capital Win First Step Toward Forcing Payment

Hoover Has Promised
To Veto Bill

FOR THE MEASURE

All But Abernethy, Who Is

Veterans Crowd Capitol,
Inside and Out, Awaiting
The Outcome

Washington, June 13. (AP)—The
House today voted to call up the \$2,-
400,000,000 cash bonus payment legisla-
tion for formal consideration.
This action represented a step to-
ward victory for the 20,000 or more
veterans who have poured into Wash-
ington to demand immediate payment
of the bonus certificates.

While the vote was being taken, and
long before the House galleries were
packed with former service men, who
watched intently the proceedings.
Outside, long lines of veterans stood
hoping to gain admittance.
If the House approves the bonus
payment on the final vote, the legisla-
tion still must run the gauntlet of the
Senate and the White House. What
action the Senate will take is prob-
lematical. But President Hoover has
promised a veto.

Action today came on a motion to
bring the resolution by Representative
Patman, Democrat, Texas, up for con-
sideration. The vote was obtained
through a petition signed by 145 House
members.
The vote for consideration was 226
to 175.

vantages to Banking
Committee

Extension of Credit Accommodations
Would Greatly Improve Coun-
try's Financial Structure,
Secretary Says

Washington, June 13. (AP)—A fa-
vorable report on the pending legisla-
tion to create a system of home
loan discount banks was submitted
to the Senate Banking Committee to-
day by Secretary Mills.

"The Treasury," Mills said, "believes
that a better organization of facilities
for financing home mortgage loans
would be highly desirable, and that
the provision for a nationwide sys-
tem of Federal home loan banks for
the purpose of extending credit ac-
commodations to member institutions
in making home mortgage loans
would greatly improve the country's
financial structure."

WM. C. REDFIELD, 73, DIES IN BROOKLYN

Was Secretary of Commerce in Wilson
Cabinet; Was An Authority on
The Tariff

New York, June 13. (AP)—William
C. Redfield, secretary of commerce
during the Wilson administration,
died at his Brooklyn home today. He
was 73 years old.
Mr. Redfield was known as a "busi-
ness man-legislator" because he ad-
vocated the application to government
of the same principles which he cham-
pioned in business. He entered Con-
gress in 1911 with the tariff a domi-
nant issue, and he came to be re-
garded as one of the experts on the
subject in the House. He had for
many years been a manufacturer of
field products.
