GOVERNOR GARDNER TO HEAD THE LIST

Lindsay Warren, Daniels, Shuping, Mrs. McKee, Senator Bailey and Others Are Named; Daniels, In Speech, Pays Tribute To Governor Roosevelt

Raleigh, June 16 (AP)—North Carolina's 26 votes in Democratic National Convention were pledged to Governor Franklin D. Roosevelt by the State Convention here today.

The instruction resolution was introduced by C. L. Shuping, of Greensboro. In accord with the usual procedure, it was referred to the resolutions committee, but the convention, by almost unanimous vote, adopted a motion from the floor for immediate consideration.

Josephus Daniels, former secretary of the navy, under whom Roosevelt served as assistant secretary, paid high tribute to the New York governor as a "fearless leader, who was elected governor of his State practically without a vote from New York City."

Consideration of the Shuping resolution came upon the heels of the keynote speech of Colonel George K. Freeman, of Goldsboro, who lauded the Gardner administration in North Carolina, and declared that the welfare of the country demanded defeat for the Republicans in the coming national election.

The platform committee was busy at its task of drawing up a draft of principles to be submitted to the convention.

Fountain In Run-Off On Governor

Raleigh, June 16.—(AP)—Raising the issue of "machine control," Lieutenant Governor R. T. Fountain today continued his campaign for the Democratic gubernatorial nomination.

In a formal statement late yesterday, the Rocky Mount candidate announced he had decided at the request of friends and supporters to ask a second primary against J. C. B. Ehringhaus, of Elizabeth City, who led him by 47,000 votes in the first primary.

Pointing out that he and A. J. Maxwell, the third candidate, received a total of 217,159 votes against 162,498 for Ehringhaus, Fountain made known his intention to run.

Col. Freeman, As Keynoter, Praises Gardner Regime

Raleigh, June 16.—(AP)—Col. George Freeman of Goldsboro, devoting his talk almost entirely to praise of the Gardner administration of the past four years, urged the North Carolina Democratic Convention today to place Democrats in power in the State and nation to save "this almost prostrate country."

Freeman did not mention prohibition, a question expected to cause fireworks during the convention even if the matter does not get outside of the platform committee room.

In denying a motion for bail, Justice Proctor said he believed Means still has \$100,000 and indicated he felt the former Justice Department investigator might flee the court's jurisdiction if released from judgment.

Chicago Stadium, June 16 (AP)—Dr. Joseph I. France, of Maryland, was forcibly ejected from the speaker's platform at the Republican National Convention today as he sought to get the floor.

"They will have to carry out a presidential candidate to stop me," France had told newspaper men. Police did not practically carry him out a few minutes later.

G. O. P. Plank Too Wet for Tar Heels

Chicago, June 16.—(AP)—The Republican administration's prohibition plank recommending submission to the people for a vote on the eighteenth amendment is not dry enough for some leaders of the North Carolina delegation.

While they prefer this to the substitute offered in the minority report last night, both Clifford C. Frader, Greensboro attorney and candidate for governor, and Jack F. Newell, senatorial nominee, of Charlotte, say they will not support it in the campaign against the Democrats.

The Tar Heels lined up behind the administration platform by a 26 to 3 vote.

The delegation looked to the administration today for a hint as to whom they will support for vice-presidential nominee.

Chicago, June 16.—(AP)—Pledged in the fire of a history-making debate to work for submission of a new prohibition deal, the Republicans moved swiftly on today to renominate President Hoover, settle the dispute over second place on the ticket and go home.

They came together in the stadium weary and disturbed, nursing the bruises of a session which saw the party platform adopted in the early morning only after repeaters had rolled up a strength that surprised party captains.

They were in a mood apparently to renominate Vice President Curtis along with the President and get it done with a minimum of delay. In many delegations, the Curtis opposi-

Its Finances Good, State Ready To Pay On July 1

Daily Dispatch Bureau, in the Sir Walter Hotel.

BY J. C. BASKERVILLE. Raleigh, June 16.—With a cash balance of more than \$1,000,000 on hand in the State's general fund, the financial condition of the State is better right now than it has been in some time, according to State Treasurer John P. Stedman. In addition, the State has \$5,982,342 already on deposit in New York to meet its payments of principal and interest in this amount that falls due July 1, Stedman pointed out.

Of this \$5,982,342 of principal and interest which the State will pay off July 1, \$2,600,000 is to retire matured bonds and notes, is a general fund note for \$1,000,000, highway bonds amounting to \$1,500,000 and \$100,000 worth of bonds issued for educational and charitable institutions.

Of the \$3,382,342 in interest due, the greater part is in unmatured highway bonds and public school bonds. The greater portion of this amount,

or \$2,999,910, will be paid to the Chase National Bank, the agent for the bond holders. Only \$164,937 will be paid to the Bankers Trust Company and \$97,495 to the First National Bank, agents for the other bondholders.

The \$1,600,000 for the matured highway and educational bonds will be paid to the Chase National Bank and the \$1,000,000 for the matured general fund note to the First National Bank of New York.

For several weeks State Treasurer Stedman has been busy withdrawing State money from the various State depositories and concentrating it in New York, so that sufficient funds would be on hand in the State accounts there to meet these payments of \$5,982,342 on July 1. By doing this, the State will be saved the collections charges which the New York banks would impose if they had to make the actual collections from the State for these matured bonds, notes and interest.

Chicago, Stadium, Chicago June 16, (AP)—President Hoover was renominated almost without opposition today by the Republican National Convention.
