He blasted his way to victory with a record score, marking the ninth time that his title has come across the Atlantic to America. Sarazen is a New Yorker, you know.

HONOR STUDENTS AT STATE INCREASING

Raleigh, June 16—The number of honor and high honor students at State College has more than quadrupled in the last five years, according to Dr. E. C. Brooks, president. In 1927 there were 84 names on the honor roll and this year there were 349 students and more than one-third of this number made high honors. In commenting on this increase, Doctor Brooks said it is the result largely of an increasing seriousness of purpose among the students.

Superior in anti-knock to some premium gasolines . . . BUT YOU PAY NOTHING EXTRA!

What a sales record the new Sinclair Regular Gasoline is making at Sinclair service stations! 55 representative stations in Chicago report a 59.4% increase. A representative station in Cleveland, Ohio, increased 97%—Atlanta, Ga., 50%—Detroit, Mich., 20%—Columbus, Ohio, 54%. And so on, through a long, long list.

Why? Because the new Sinclair Regular Gasoline is actually superior in anti-knock to some premium gasolines which cost you 3 cents more per gallon. This is the gasoline which Sinclair stepped up 70% in anti-knock at a cost of \$18,000,000 in refinery improvements.

Try this bargain for 30 days. Let results tell!

NOTE: For best results, use Sinclair Opaline or Sinclair Pennsylvania Motor Oil. Both have been de-waxed and also freed from petroleum jelly at as low as 60° F. below zero.
